TMAC Members: Thomas Stokes, Jeffrey MacMann, Tony DelGaizo, Richard Merson

CALL TO ORDER

The meeting was convened at 7:05 PM by Mr. Stokes. None of the scheduled case representatives were present. In their absence the following business was transacted:

-The **Committee passed a motion** to table agenda items 1 (Noanett Road), 3 (Whiting Way and Great Plain), 4 (Rybury Hillway/Highgate/Arch), 5 (Kendrick St.) and 6 (Lexington) until the next meeting.

-While case representative was not present the TMAC briefly reviewed that nature of the request. Specifically, the complainant notes the backup caused by cars making a left turn from **Forest to Central** and the need for marking a left turn lane at the intersection. Preliminary measurements have determined that there was sufficient distance/space to accommodate a "lane" for one car. However the **motion was tabled** to mark the intersection with a left lane arrow until the next meeting. The Committee did however agree that it was important to let the complainant know that at most, the arrows would be an interim solution since the intersection is on the capital plan for significant re-engineering in the coming year.

-The minutes from the July meeting were approved subsequent to passing a motion that Mark Rosen's name should be added to the list of Committee attendees.

-The **Committee nominated** Jeff McMann to serve as the Vice Chair of TMAC

A **motion was passed** to adjourn the meeting at 7:30 PM
