The mission of The Needham Council on Aging is to respond to its older residents' needs by providing a welcoming, inclusive, and secure environment where individuals and families benefit from programs, services and resources that enhance their quality of life and provide opportunities for growth.

**LETTER FROM FRIENDS OF NEEDHAM ELDERLY**

What a year we will have in 2013!! Because of the generosity of the Town of Needham, the State of Massachusetts, local businesses community organizations, and individual donors like you, we will have a new Senior Center with the necessary enhancements to make it a truly wonderful place! It is under construction and should be ready for occupancy by the Fall. Drive by and take a look.

What do we need now? More than ever, we need your dues and donations! Over the years, we have used this revenue to fund the printing and distribution of the Senior Compass which gives us information on all the excellent programs, events and services that the Needham Council on Aging provides each month. Your dues and donations also contribute to the operation of the new van and assist the Council on Aging with other expenses and support throughout the year. The money that has been raised for the new center is for the building itself and will not contribute to the above needs. We must continue to collect yearly dues and donations to maintain this level of support for the Needham Council on Aging.

Please use the enclosed envelope to send in your 2013 dues now! Let's be sure that we continue to be an active and successful support group for the Needham Council on Aging.

Thank you!

Friends of Needham Elderly Board of Directors
