Notice of Public Information Session
Central Avenue/Elliot Street Bridge Construction
7:00 p.m. March 2, 2016
Eliot School –Performance Center

Residents and businesses in the area of Needham likely to be most impacted by the planned reconstruction of the Central Avenue/Elliot Street Bridge connecting Needham and Newton over the Charles River are encouraged to attend this information session. The reconstruction project will include the complete closure of the Bridge for four to six months beginning next summer.

Town officials and the Town's design consultant will make a presentation about the construction project, and will be available to answer any questions about the timing, construction impact, and traffic detours.

A map of the work area is shown on the back of this notice, and includes the two posted detour routes intended to direct traffic to the opposite side of the Bridge.

For more information about the project, please visit the Town's website at www.needhamma.gov/HOT and sign up for NOTIFY ME. Once you sign up for this service, you will receive an email or text when information about the project is posted. If you have specific questions about the project, please contact the DPW Engineering Division at 781.455.7550. Press 2 for Public Works, then 2 for Engineering.
