Grades Card agreement form for occupancy of a New House or Addition that required a Street Permit.

If a grades card can not be issued because of department staffing, the applicant acknowledges that by signing this document they are fully responsible to meet the Public Works' requirements under the Street Permit.

Issuance of the Occupancy Permit does not release the applicant from their obligation to complete the work required under the street permit; failure to do so could result in taking the performance Bond to complete the unfinished work.

Project Address: _____

Type of Project: _____

Approximate Date of Completion of Work: _____

Date Signed: _____
