CONSENT AGENDA

Certify that the Board of Selectmen does not currently anticipate that the property at 66 – 70 Chestnut Street, to be acquired with the proceeds of bonds, or any portion thereof, will be leased, rented, managed or otherwise exclusively committed to a third party, or sold for so long as any bonds or notes are outstanding. The parcel will be used on a short-term basis, by the Town or by others on terms that are available to the general public, for storage, parking, meeting space, temporary municipal work space, and occasional municipal and/or community events. The long-term use of the parcel is anticipated to be for the expansion or reconstruction of the adjacent Police and Fire Station.
