Town of Needham
1471 Highland Avenue
Needham, MA 02492

Dear Members of the Select Board and the Needham) Park & Recreation Commission:

I have received a letter of resignation from Bruce R. Williams, elected member of the Park & Recreation Commission effective March 1 2022.

Once again, I would like to outline the methodology for filling a vacancy on an elected board under Massachusetts General Laws Chapter 41, Section 11, Subsection 81A:

"The remaining members (Needham Park & Recreation Commission) write to the Select Board, within one month of the vacancy, informing them of the vacancy. Then, the Select Board, with the remaining members of the Needham Park & Recreation Commission, after one week's public notice, fill the vacancy by roll call vote. If the remaining members do not inform the Select Board within one month, the Select Board fill the vacancy by themselves. In either case, a majority vote of all the officials eligible to vote is required to select a replacement. Whoever is selected must be a registered voter in the town and perform the duties of the office until the next Annual Town Election or until another person is qualified."

If you have any questions, please don't hesitate to contact me.

Sincerely,

Theodora K. Eaton

The Licensee hereby acknowledges the Issuing Authority's right to make such grants and permit such uses.

(b) The grant of any additional cable television license(s) shall not be on terms more favorable or less burdensome than those contained in this Renewal License.

(i) In the event that the Licensee believes that any additional cable television license(s) have been

granted on terms and conditions more favorable or less burdensome than those contained in this Renewal License, the Licensee may request, in writing, that the Issuing Authority convene a public hearing on that issue. Along with said written request, the Licensee shall provide the Issuing Authority with written reasons for its belief. FCC TECHNICAL SPECIFICATIONS

TITLE 47—TELECOMMUNICATION
CHAPTER I--FEDERAL COMMUNICATIONS COMMISSION
PART 76--MULTICHANNEL VIDEO AND CABLE TELEVISION SERVICE

§ 76.605 Technical standards.

(a) As of December 30, 1992, unless otherwise noted, the following requirements apply to the performance of a cable television system as measured at any subscriber terminal with a matched impedance at the termination point or at the output of the modulating or processing equipment (generally the headend) of the cable television system or otherwise as noted. The requirements are applicable to each NTSC or similar video downstream cable television channel in the system:

(1)(i) The cable television channels delivered to the subscriber's terminal shall be capable of being received and displayed by TV broadcast receivers used for off-the-air reception of TV broadcast signals, as authorized under part 73 of this chapter; and

(ii) Cable television systems shall transmit signals to subscriber premises equipment on frequencies in accordance with the channel allocation plan set forth in the Electronics Industries Association's "Cable Television Channel Identification Plan, EIA IS-132, May 1994" (EIA IS-132). This incorporation by reference was approved by the Director of the Federal Register in accordance with 5 U.S.C. 522(a) and 1 CFR Part 51. Cable systems are required to use this channel allocation plan for signals transmitted in the frequency range 54 MHz to 1002 MHz. This incorporation by reference was approved by the Director of the Federal Register in accordance with 5 U.S.C. 522(a) and 1 CFR Part 51. Copies of EIA IS-132 may be obtained from: Global Engineering Documents, 2805 McGraw Ave., Irvine CA 92714. Copies of EIA IS-132 may be inspected during normal business hours at the following locations: Federal Communications Commission, 1919 M Street, NW, Dockets Branch (Room 239), Washington, DC, or the Office of the Federal Register, 800 North Capitol Street, NW, suite 700, Washington, DC. This requirement is applicable on May 31, 1995, for new and re-built cable systems, and on June 30, 1997, for all cable systems.

(2) The aural center frequency of the aural carrier must be 4.5 MHz ± 5 kHz above the frequency of the visual carrier at the output of the modulating or processing equipment of a cable television system, and at the subscriber terminal.

(3) The visual signal level, across a terminating impedance which correctly matches the internal impedance of the cable system as viewed from the subscriber terminal, shall not be less than 1 millivolt across an internal impedance of 75 ohms (0 dBmV). Additionally, as measured at the end of a 30 meter (100 foot) cable drop that is connected to the subscriber tap, it shall not be less than 1.41 millivolts across an internal impedance of 75 ohms (+3 dBmV). (At other impedance values, the minimum visual signal level, as viewed from the subscriber terminal, shall be the square root of 0.0133 (Z) millivolts and, as measured at the end of a 30 meter (100 foot) cable drop that is connected to the subscriber tap, shall be 2 times the square root of 0.00662(Z) millivolts, where Z is the appropriate impedance value.)

(4) The visual signal level on each channel, as measured at the end of a 30 meter cable drop that is connected to the subscriber tap, shall not vary more than 8 decibels within any six-month interval, which must include four tests performed in six-hour increments during a 24 hour period in July or August and during a hour period in January or February, and shall be maintained within:

(i) 3 decibels (dB) of the visual signal level of any visual carrier within a 6 MHz nominal frequency separation;

(ii) 10 dB of the visual signal level on any other channel on a cable television system of up to 300 MHz of cable distribution system upper frequency limit, with a 1 dB increase for each additional 100 MHz of cable distribution system upper frequency limit (*e.g.*, 11 dB for a system at 301-400 MHz; 12 dB for a system at 401-500 MHz, *etc.*); and

(iii) A maximum level such that signal degradation due to overload in the subscriber's receiver or terminal does not occur.

(5) The rms voltage of the aural signal shall be maintained between 10 and 17 decibels below the associated visual signal level. This requirement must be met both at the subscriber terminal and at the output of the modulating and processing equipment (generally the headend). For subscriber terminals that use equipment which modulate and remodulate the signal (*e.g.*, baseband converters), the rms voltage of the aural signal shall be maintained between 6.5 and 17 decibels below the associated visual signal level at the subscriber terminal.

(6) The amplitude characteristic shall be within a range of ±2 decibels from 0.75 MHz to 5.0 MHz above the lower boundary frequency of the cable television channel, referenced to the average of the highest and lowest amplitudes within these frequency boundaries.

(i) Prior to December 30, 1999, the amplitude characteristic may be measured after a subscriber tap and before a converter that is provided and maintained by the cable operator.

(ii) As of December 30, 1999, the amplitude characteristic shall be measured at the subscriber terminal.

(7) The ratio of RF visual signal level to system noise shall be as follows:

(i) From June 30, 1992, to June 30, 1993, shall not be less than 36 decibels.

(ii) From June 30, 1993 to June 30, 1995, shall not be less than 40 decibels.

(iii) As of June 30, 1995, shall not be less than 43 decibels.

(iv) For class I cable television channels, the requirements of paragraphs (a)(7)(i), (a)(7)(ii) and (a)(7)(iii) of this section are

applicable only to:

(A) Each signal which is delivered by a cable television system to subscribers within the predicted Grade B contour for that signal;

(B) Each signal which is first picked up within its predicted Grade B contour;

(C) Each signal that is first received by the cable television system by direct video feed from a TV broadcast station, a low power TV station, or a TV translator station.

(8) The ratio of visual signal level to the rms amplitude of any coherent disturbances such as intermodulation products, second and third order distortions or discrete-frequency interfering signals not operating on proper offset assignments shall be as follows:

(i) The ratio of visual signal level to coherent disturbances shall not be less than 51 decibels for noncoherent channel cable television systems, when measured with modulated carriers and time averaged; and

(ii) The ratio of visual signal level to coherent disturbances which are frequency-coincident with the visual carrier shall not be less than 47 decibels for coherent channel cable systems, when measured with modulated carriers and time averaged.

(9) The terminal isolation provided to each subscriber terminal:

(i) Shall not be less than 18 decibels. In lieu of periodic testing, the cable operator may use specifications provided by the manufacturer for the terminal isolation equipment to meet this standard; and

(ii) Shall be sufficient to prevent reflections caused by open-circuited or short-circuited subscriber terminals from producing visible picture impairments at any other subscriber terminal.

(10) The peak-to-peak variation in visual signal level caused by undesired low frequency disturbances (hum or repetitive transients) generated within the system, or by inadequate low frequency response, shall not exceed 3 percent of the visual signal level. Measurements made on a single channel using a single unmodulated carrier may be used to demonstrate compliance with this parameter at each test location.

(11) As of June 30, 1995, the following requirements apply to the performance of the cable television system as measured at the output of the modulating or processing equipment (generally the headend) of the system:

(i) The chrominance-luminance delay inequality (or chroma delay), which is the change in delay time of the chrominance component of the signal relative to the luminance component, shall be within 170 nanoseconds.

(ii) The differential gain for the color subcarrier of the television signal, which is measured as the difference in amplitude between the largest and smallest segments of the chrominance signal (divided by the largest and expressed in percent), shall not exceed ±20%.

(iii) The differential phase for the color subcarrier of the television signal which is measured as the largest phase difference in degrees between each segment of the chrominance signal and reference segment (the segment at the blanking level of O IRE), shall not exceed ±10 degrees.

(12) As an exception to the general provision requiring measurements to be made at subscriber terminals, and without regard to the type of signals carried by the cable television system, signal leakage from a cable television system shall be measured in accordance with the procedures outlined in § 76.609(h) and shall be limited as follows:

Frequencies	Signal leakage limit (micro-volt/meter)	Distance in meters (m)
Less than and including 54 MHz, and over 216 MHz	15	30
Over 54 up to and including 216 MHz	20	3

(b) Cable television systems distributing signals by using methods such as nonconventional coaxial cable techniques, noncoaxial copper cable techniques, specialized coaxial cable and fiber optical cable hybridization techniques or specialized compression techniques or specialized receiving devices, and which, because of their basic design, cannot comply with one or more of the technical standards set forth in paragraph (a) of this section, may be permitted to operate: Provided, That an adequate showing is made pursuant to § 76.7 which establishes that the public interest is benefited. In such instances, the Commission may prescribe special technical requirements to ensure that subscribers to such systems are provided with an equivalent level of good quality service.

Note 1: Local franchising authorities of systems serving fewer than 1000 subscribers may adopt standards less stringent than those in § 76.605(a). Any such agreement shall be reduced to writing and be associated with the system's proof-of-performance records.

Note 2: For systems serving rural areas as defined in § 76.5, the system may negotiate with its local franchising authority for standards less stringent than those in §§ 76.605(a)(3), 76.605(a)(7), 76.605(a)(8), 76.605(a)(10) and 76.605(a)(11). Any such agreement shall be reduced to writing and be associated with the system's proof-of-performance records.

Note 3: The requirements of this section shall not apply to devices subject to the provisions of §§ 15.601 through 15.626.

Note 4: Should subscriber complaints arise from a system failing to meet § 76.605(a)(6) prior to December 30, 1999, the cable operator will be required to provide a converter that will allow the system to meet the standard immediately at the complaining subscriber's terminal. Further, should the problem be found to be system-wide, the Commission may order all converters on the

system be changed to meet the standard.

Note 5: Should subscriber complaints arise from a system failing to meet § 76.605(a)(10), the cable operator will be required to remedy the complaint and perform test measurements on § 76.605(a)(10) containing the full number of channels as indicated in § 76.601(b)(2) at the complaining subscriber's terminal. Further, should the problem be found to be system-wide, the Commission may order that the full number of channels as indicated in § 76.601(b)(2) be tested at all required locations for future proof-of-performance tests.

Note 6: No State or franchising authority may prohibit, condition, or restrict a cable system's use of any type of subscriber equipment or any transmission technology.

BILLING AND TERMINATION OF SERVICE

10.01: Billing Practices Notice

(1) Every cable television operator shall give written notice of its billing practices to potential subscribers before a subscription agreement is reached. Such notice shall include practices relating to the frequency and timing of bills, payment requirements necessary to avoid account delinquency, billing dispute resolution procedures and late payment penalties.

(2) A copy of the cable television operator's billing practices notice, work order and sample subscriber bill shall be filed by March 15th of each year with the Commission, the issuing authority, and the company's local office, where they shall be available for public inspection. If an operator amends its billing practices notice, work order or subscriber bill after submitting the annual filing, it shall file copies of the amendments with the Commission, the issuing authority and the company's local office.

(3) At least 30 days prior to implementing a change of one of its billing practices, the cable television operator shall notify in writing the Commission, the issuing authority and all affected subscribers of the change and include a description of the changed practice.

(4) Statements about billing practices in work orders, marketing, materials and other documents shall be consistent with the billing practices notice.

10.02: Services, Rates and Charges Notice

(1) The cable television operator shall give notice of its services, rates and charges to potential subscribers before a subscription agreement is reached.

(2) At least 30 days prior to implementing an increase in one of its rates or charges or a substantial change in the number or type of programming services, the operator shall notify, in writing, the Commission, the issuing authority and all affected subscribers of the change and include a description of the increased rate or charge. The notice shall list the old and new rate or charge and, if applicable, the old and new programming services provided.

(3) Every cable television operator shall fully disclose in writing all of its programming services and rates, upon request from a subscriber.

(4) Every cable television operator shall fully disclose in writing all of its charges for installation, disconnection, downgrades and upgrades, reconnection, additional outlets, and rental, purchase and/or replacement due to damage or theft of equipment or devices used in relation to cable services, upon request from a subscriber.

(5) Every cable television operator shall provide written notice of the charge, if any, for service visits and under what circumstances such charge will be imposed, upon request from a subscriber.

(6) A copy of the cable operator's programming services, rates and charges shall be filed by March 15th of each year with the Commission, the issuing authority and the company's local office where it shall be made available for public inspection. If an operator amends its notice after the annual filing, it shall file a copy of the amendment with the Commission, the issuing authority and the company's local office.

(7) A cable operator shall not charge a subscriber for any service or equipment that the subscriber has not affirmatively requested by name. This provision, however, shall not preclude the addition or deletion of a specific program from a service offering, the addition or deletion of specific channels from an existing tier of service, or the restructuring or division of existing tiers of service that do not result in a fundamental change in the nature of an existing service or tier of service.

10.03: Form of Bill

(1) The bill shall contain the following information in clear, concise and understandable language and format:

(a) The name, local address and telephone number of the cable television operator. The telephone number shall be displayed in a conspicuous location on the bill and shall be accompanied by a statement that the subscriber may call this number with any questions or complaints about the bill or to obtain a description of the subscriber's rights under 207 CMR 10.07 in the event of a billing dispute;

(b) the period of time over which each chargeable service is billed including prorated periods as a result of establishment and termination of service;

(c) the dates on which individually chargeable services were rendered or any applicable credits were applied;

(d) separate itemization of each rate or charge levied or credit applied, including, but not be limited to, basic, premium service and equipment charges, as well as any unit, pay-per-view or per item charges;

(e) the amount of the bill for the current billing period, separate from any prior balance due;

(f) The date on which payment is due from the subscriber.

(2) Cable operators may identify as a separate line item of each regular subscriber bill the following:
(a) The amount of the total bill assessed as a franchise fee and the identity of the franchising authority to whom the fee is paid;
(b) The amount of the total bill assessed to satisfy any requirements imposed on the cable operator by the franchise agreement to support public, educational, or governmental channels or the use of such channels;
(c) The amount of any other fee, tax, assessment, or charge of any kind imposed by any governmental authority on the transaction between the operator and the subscriber. In order for a governmental fee or assessment to be separately identified under 207 CMR 10.03, it must be directly imposed by a governmental body on a transaction between a subscriber and an operator.
(3) All itemized costs shall be direct and verifiable. Each cable operator shall maintain a document in its public file which shall be available upon request that provides the accounting justification for all itemized costs appearing on the bill.

10.04: Advance Billing and Issuance of Bill

(1) In the absence of a license provision further limiting the period of advance billing, a cable operator may, under uniform nondiscriminatory terms and conditions, require payment not more than two months prior to the last day of a service period.
(2) A cable subscriber may voluntarily offer and a cable operator may accept advance payments for periods greater than two months.
(3) Upon request, a cable television operator shall provide subscribers with a written statement of account for each billing period and a final bill at the time of disconnection.

10.05: Billing Due Dates, Delinquency, Late Charges and Termination of Service

(1) Subscriber payment is due on the due date marked on the bill, which shall be a date certain and in no case a statement that the bill is due upon receipt. The due date shall not be less than five business days following the mailing date of the bill.
(2) A subscriber account shall not be considered delinquent unless payment has not been received by the company at least 30 days after the bill due date.
(3) The following provisions shall apply to the imposition of late charges on subscribers:
(a) A cable television operator shall not impose a late charge on a subscriber unless a subscriber is delinquent, the operator has given the subscriber a written late charge notice in a clear and conspicuous manner, and the subscriber has been given at least eight business days from the date of delinquency to pay the balance due.
(b) A charge of not more than a lawful percent of the balance due may be imposed as a one-time late charge.
(c) No late charge may be assessed on the amount of a bill in dispute.
(4) A cable television operator shall not terminate a subscriber's service unless the subscriber is delinquent, the cable operator has given the subscriber a separate written notice of termination in a clear and conspicuous manner, and the subscriber has been given at least eight business days from the mailing of the notice of termination to pay the balance due. A notice of termination shall not be mailed to subscribers until after the date of delinquency.
(5) A cable television operator shall not assess a late charge on a bill or discontinue a subscriber's cable television service solely because of the nonpayment of the disputed portion of a bill during the period established by 207 CMR 10.07 for registration of a complaint with the operator or during the process of a dispute resolution mechanism recognized under 207 CMR 10.07.
(6) Any charge for returned checks shall be reasonably related to the costs incurred by the cable company in processing such checks.

10.06: Charges for Disconnection or Downgrading of Service

(1) A cable television operator may impose a charge reasonably related to the cost incurred for a downgrade of service, except that no such charge may be imposed when:
(a) A subscriber requests total disconnection from cable service; or
(b) A subscriber requests the downgrade within the 30 day period following the notice of a rate increase or a substantial change in the number or type of programming services relative to the service (s) in question.
(2) If a subscriber requests disconnection from cable television service prior to the effective date of an increase in rates, the subscriber shall not be charged the increased rate if the cable television operator fails to disconnect service prior to the effective date. Any subscriber who has paid in advance for the next billing period and who requests disconnection from service shall receive a prorated refund of any amounts paid in advance.

10.07: Billing Disputes

(1) Every cable television operator shall establish procedures for prompt investigation of any billing dispute registered by a subscriber. The procedure shall provide at least 30 days from the due date of the bill for the subscriber to register a complaint. The cable television operator shall notify the subscriber of the result of its investigation and give an explanation for its decision within 30 working days of receipt of the complaint.
(2) The subscriber shall forfeit any rights under 207 CMR 10.07 if he or she fails to pay the undisputed balance within 30 days.
(3) Any subscriber in disagreement with the results of the cable television operator's investigation shall promptly inquire about and take advantage of any complaint resolution mechanism, formal or informal, available under the license or through the issuing authority before the Commission may accept a petition filed under 207 CMR 10.07(4).
(4) The subscriber or the cable television operator may petition the Commission to resolve disputed matters within 30 days of any final action. Final action under 207 CMR 10.07(3) shall be deemed to have occurred 30 days after the filing of a complaint.
(5) Upon receipt of a petition, the Commission may proceed to resolve the dispute if all parties agree to submit the dispute to

the Commission and be bound by the Commission's decision and the Commission obtains a statement signed by the parties indicating that agreement. In resolving the dispute, the Commission may receive either written or oral statements from the parties, and may conduct its own investigation. The Commission shall then issue a decision based on the record and the parties shall receive written notification of the decision and a statement of reasons therefor.

10.08: Security Deposits

(1) A cable operator shall not require from any cable subscriber a security deposit for converters or other equipment in excess of the cost of the equipment.

(2) The cable operator shall pay interest to the cable subscriber at a rate of 7% per year for any deposit held for six months or more, and such interest shall accrue from the date the deposit is made by the cable subscriber. Interest shall be paid annually by the cable operator to the cable subscriber, either as a direct payment or as a credit to the cable subscriber's account.

(3) Within 30 days after the return of the converter or other equipment, the cable operator shall return the security deposit plus any accrued interest to the cable subscriber, either as a direct payment or as a credit to the cable subscriber's account.

(b) Nothing in this rule should be construed to prevent or prohibit:

(1) A franchising authority and a cable operator from agreeing to customer service requirements that exceed the standards set forth in paragraph (c) of this section;

(2) A franchising authority from enforcing, through the end of the franchise term, pre-existing customer service requirements that exceed the standards set forth in paragraph (c) of this section and are contained in current franchise agreements;

(3) Any State or any franchising authority from enacting or enforcing any consumer protection law, to the extent not specifically preempted herein; or

(4) The establishment or enforcement of any State or municipal law or regulation concerning customer service that imposes customer service requirements that exceed, or address matters not addressed by the standards set forth in paragraph (c) of this section.

(c) Effective July 1, 1993, a cable operator shall be subject to the following customer service standards:

(1) Cable system office hours and telephone availability--

(i) The cable operator will maintain a local, toll-free or collect call telephone access line which will be available to its subscribers 24 hours a day, seven days a week.

(A) Trained company representatives will be available to respond to customer telephone inquiries during normal business hours.

(B) After normal business hours, the access line may be answered by a service or an automated response system, including an answering Machine. Inquiries received after normal business hours must be responded to by a trained company representative on the next business day.

(ii) Under normal operating conditions, telephone answer time by a customer representative, including wait time, shall not exceed thirty (30) seconds when the connection is made. If the call needs to be transferred, transfer time shall not exceed thirty (30) seconds. These standards shall be met no less than ninety percent of the time under normal operating conditions, measured on a quarterly basis.

(iii) The operator will not be required to acquire equipment or perform surveys to measure compliance with the telephone answering standards above unless an historical record of complaints indicates a clear failure to comply.

(iv) Under normal operating conditions, the customer will receive a busy signal less than three (3) percent of the time.

(v) Customer service center and bill payment locations will be open at least during normal business hours and will be conveniently located.

(2) Installations, outages and service calls. Under normal operating conditions, each of the following four standards will be met no less than ninety-five percent of the time measured on a quarterly basis:

(i) Standard installations will be performed within seven (7) business days after an order has been placed. “Standard'' installations are those that are located up to 125 feet from the existing distribution system.

(ii) Excluding conditions beyond the control of the operator, the cable operator will begin working on “service interruptions''

promptly and in no event later than 24 hours after the interruption becomes known. The cable operator must begin actions to correct other service problems the next business day after notification of the service problem.

(iii) The “appointment window'' alternatives for installations, service calls, and other installation activities will be either a specific time or, at maximum, a four hour time block during normal business hours. (The operator may schedule service calls and other installation activities outside of normal business hours for the express convenience of the customer.)

(iv) An operator may not cancel an appointment with a customer after the close of business on the business day prior to the scheduled appointment.

(v) If a cable operator representative is running late for an appointment with a customer and will not be able to keep the appointment as scheduled, the customer will be contacted. The appointment will be rescheduled, as necessary, at a time that is convenient for the customer.

(3) Communications between cable operators and cable subscribers--

(i) Notifications to subscribers--

(A) The cable operator shall provide written information on each of the following areas at the time of installation of service, at least annually to all subscribers, and at any time upon request:

(1) Products and services offered;

(2) Prices and options for programming services and conditions of subscription to programming and other services;

(3) Installation and service maintenance policies;

(4) Instructions on how to use the cable service;

(5) Channel positions programming carried on the system; and,

(6) Billing and complaint procedures, including the address and telephone number of the local franchise authority's cable office.

(B) Customers will be notified of any changes in rates, programming services or channel positions as soon as possible in writing. Notice must be given to subscribers a minimum of thirty (30) days in advance of such changes if the change is within the control of the cable operator. In addition, the cable operator shall notify subscribers thirty (30) days in advance of any significant changes in the other information required by paragraph (c)(3)(i)(A) of this section. Notwithstanding any other provision of Part 76, a cable operator shall not be required to provide prior notice of any rate change that is the result of a regulatory fee, franchise fee, or any other fee, tax, assessment, or charge of any kind imposed by any Federal agency, State, or franchising authority on the transaction between the operator and the subscriber.

(ii) Billing--

(A) Bills will be clear, concise and understandable. Bills must be fully itemized, with itemizations including, but not limited to, basic and premium service charges and equipment charges. Bills will also clearly delineate all activity during the billing period, including optional charges, rebates and credits.

(B) In case of a billing dispute, the cable operator must respond to a written complaint from a subscriber within 30 days.

(iii) Refunds--Refund checks will be issued promptly, but no later
than either--

(A) The customer's next billing cycle following resolution of the request or thirty (30) days, whichever is earlier, or
(B) The return of the equipment supplied by the cable operator if service is terminated.

(iv) Credits--Credits for service will be issued no later than the customer's next billing cycle following the determination that a credit is warranted.

(4) Definitions--

No Acquired Company owes any brokerage commission or finder's fees with respect to the Leased Property. All Leases have been entered into in the ordinary course of business and are on commercially reasonable terms and, except as set forth on Schedule 3.08(b), there are no Leases with Affiliates. (a) Schedule 3.09 sets forth a list of all (i) patents and registrations of other Intellectual Property, including Internet domain names, owned by the Acquired Companies and (ii) all pending applications for registration of other Intellectual Property owned by the Acquired Companies, in both cases after giving effect to the Pre-Closing Restructuring (cases described in clauses (i) and (ii), collectively, the "Company Registered IP"). Each item of Company Registered IP is subsisting, valid and enforceable.

(b) The Acquired Companies own or are licensed to use or otherwise possess legally enforceable rights to use all Intellectual Property used in the conduct of their respective businesses as currently conducted. None of the Acquired Companies or the operation of their businesses infringes, misappropriates, or otherwise violates, or has in the past three (3) years infringed, misappropriated, or otherwise violated, the Intellectual Property any Person. No Person is infringing, misappropriating, or otherwise violating, or has since the Relevant Date infringed,

misappropriated, or otherwise violated any Owned IP. No Proceedings have been asserted or threatened against any of the Acquired Companies: (i) contesting the right of any Acquired Company to use, or the validity of, any of the Intellectual Property used in the conduct of its business, (ii) challenging or questioning the validity or effectiveness of any license or agreement pertaining thereto, or (iii) alleging or asserting that any Acquired Company infringed, misappropriated, or otherwise violated, or was infringing, misappropriating, or otherwise violating, the Intellectual Property of any Person.

(c) The Acquired Companies exclusively own, free and clear of all Liens, other than Permitted Liens, all right, title, and interest in and to the Owned IP. No Owned IP is subject to any outstanding judgment, injunction, order, decree or agreement materially restricting any Acquired Company's use or licensing thereof.

(d) The Acquired Companies have taken commercially reasonable measures to protect the confidentiality of all trade secrets and other material confidential information in the Owned IP. Each current and former employee and contractor of the Acquired Companies who has contributed to or participated in the creation or development of any material Intellectual Property for or on behalf of the Acquired Companies has executed (i) a valid, enforceable and irrevocable assignment in favor of the Acquired Companies of all right, title and interest in any such Intellectual Property, and (ii) confidentiality provisions protecting such all material confidential information of the Acquired Companies.

(e) No Contract to which any Acquired Company is a party would, upon or after Closing, grant or purport to grant to any Person any license, covenant not to sue, or other rights related to Intellectual Property owned by Buyer or any of its Affiliates (other than the Acquired Companies). All Intellectual Property used in or necessary to the conduct of the business of the Acquired Companies as currently conducted shall be owned or available for use by the Acquired Companies immediately after the Closing on terms and conditions identical to those under which the Acquired Companies owned or used such Intellectual Property immediately prior to the Closing.

Section 3.10 Information Technology; Security and Privacy. (a) All information technology and computer systems, including Software, hardware, networks, interfaces, and related systems, relating to the transmission, storage, maintenance, organization, presentation, generation, processing or analysis of data and information, whether or not in electronic format, used in or necessary to the conduct of the business of the Acquired Companies (collectively, "Company IT Systems") have been properly maintained, in all material respects, by technically competent personnel, in accordance with generally accepted industry standards, to ensure proper operation, monitoring and use. The Company IT Systems are in good working condition to effectively perform all information technology operations necessary to conduct the business of the Acquired Companies in all material respects.

(b) Since the Relevant Date, the Acquired Companies, and to the Knowledge of Sellers, their Data Processors have not experienced and are not experiencing (i) any material disruption, interruption, outage or continued substandard performance affecting any Company IT System or (ii) any data security breaches or other unauthorized Processing, including use, access, interruption, modification or corruption, of any Company IT System or the collection or use of

data by the Acquired Companies that would require notification of individuals, Governmental Entities or others in accordance with applicable Law (each, a "Security Incident"), and have not been materially adversely affected by any Malicious Code, ransomware or malware attacks, or denial-of-service attacks on any Company IT Systems. None of the Acquired Companies or any third party acting at the direction or authorization of the Acquired Companies has paid any perpetrator of any actual or threatened Security Incident or cyber-attack, including a ransomware attack or denial-of-service attack. None of Seller Parties, the Acquired Companies or any of their Affiliates has received any notice (including any enforcement notice), letter, or complaint from a Governmental Entity or any Person alleging noncompliance or potential noncompliance with any Privacy Requirements or Company Privacy Policies, and no Acquired Company has been subject to any Proceeding relating to noncompliance or potential noncompliance with Privacy Requirements or Company Privacy Policies. No Acquired Company is in breach or default of any Contracts relating to Company IT Systems or to Personal Data. No Acquired Company transfers Personal Data internationally except where such transfers comply with Privacy Requirements and Company Privacy Policies. The Acquired Companies maintain, and since the Relevant Date have maintained, cyber liability insurance.

(c) The Acquired Companies have established an Information Security Program that is appropriately implemented and maintained, and there have been no material violations of the Information Security Program. The Acquired Companies have regularly assessed and tested the Information Security Program, and have remediated and/or developed a written plan for remediating all critical and high risks and vulnerabilities.

(d) The Acquired Companies and, with respect to the Processing of Personal Data, to the Knowledge of Sellers, their Data Processors, comply and have complied at all times with Company Privacy Policies and the Privacy Requirements in all material respects. None of the execution, delivery or performance of this Agreement nor any of the Ancillary Agreements, nor the consummation of any of the Transactions violate any Privacy Requirements or Company Privacy Policies. Where an Acquired Company uses a Data Processor to Process Personal Data, the Data Processor has implemented a written agreement that provides appropriate confidentiality, privacy and security obligations in a manner sufficient for the Acquired Companies' compliance with Privacy Requirements.

Except as set forth in Schedule 3.11(b), none of Seller Parties, the Acquired Companies or any of their respective Affiliates has received any written or, to the Knowledge of Sellers, other notice of the intention of any party to terminate any Company Contract. All applications required to have been filed for the renewal of each such Material Permit have been duly filed on a timely basis with the appropriate Governmental Entity, and all other Filings required to have been made with respect to each such Material Permit have been duly made on a timely basis with the appropriate Governmental Entity. Section 7.01 Termination. Notwithstanding anything to the contrary herein, this Agreement may be terminated and the Transactions abandoned at any time before the Closing:

(a) by mutual written consent of Buyer Representative and Seller Representative;

(b) on or after [redacted] by Buyer Representative, on the one hand, or Seller Representative, on the other hand, by written notice to the other party, if the Closing has not occurred on or before the date such notice is given; provided, however, that the right to terminate this Agreement under this Section 7.01(b) shall not be available to Buyer Representative, on the one hand, or Seller Representative, on the other hand, if the failure of a Buyer or a Seller Party, respectively, to fulfill any obligation under this Agreement has been the primary cause of the failure of the Closing to occur on or before such date (it being understood and agreed that the failure to receive any Consent shall not, by itself, limit Buyer Representative's or Seller Representative's right to terminate this Agreement under this Section 7.01(b));

(c) by Seller Representative by written notice to Buyer Representative if there have been one or more breaches by Buyers of any of their representations, warranties, covenants or agreements contained herein that have not been waived by Seller Parties and would reasonably be expected to result in the failure to satisfy any of the conditions set forth in Section 6.01 or Section 6.03 and such breaches, if curable, have not been cured by the earlier of (A) within 30 days after written notice thereof has been received by Buyer Representative and (B) the Outside Date; provided, however, that Seller Representative shall not be entitled to terminate this Agreement pursuant to this Section 7.01(c) at any time during which any Seller Party, HoldCo or OpCo is then in material breach of any of its representations, warranties, covenants or obligations set forth in this Agreement;

(d) by Buyer Representative by written notice to Seller Representative if there have been one or more breaches by any Seller Party, HoldCo or OpCo of any of their

representations, warranties, covenants or agreements contained herein that have not been waived by Buyer Representative and would reasonably be expected to result in the failure to satisfy any of the conditions set forth in Section 6.01 or Section 6.02 and such breaches, if curable, have not been cured by the earlier of (A) within 30 days after written notice thereof has been received by Seller Representative and (B) the Outside Date; provided, however, that Buyer Representative shall not be entitled to terminate this Agreement pursuant to this Section 7.01(d) at any time during which either Buyer is then in material breach of any of its representations, warranties, covenants or obligations set forth in this Agreement;

(e) by either Seller Representative, on the one hand, or Buyer Representative, on the other hand, by giving written notice to the other party if any Governmental Entity shall have enacted or promulgated any Law or shall have issued any Judgment restraining, enjoining, making illegal or otherwise prohibiting the Transactions and such Law or Judgment shall have become final and nonappealable; provided that the right to terminate this Agreement under this Section 7.01(e) shall not be available to Buyer Representative, on the one hand, or Seller Representative, on the other hand, if the failure of a Buyer or a Seller Party, respectively, to fulfill any obligation under this Agreement has been the primary cause of the enactment, promulgation or issuance of such Law or Judgment; or

Section 7.02 Effect of Termination. If this Agreement is terminated and the Transactions are abandoned as described in Section 7.01, then this Agreement shall become null and void and of no further force and effect, and all further obligations of the parties under this Agreement will terminate, except as otherwise set forth in this Section 7.02, except for Section 5.04, Section 5.06, Section 5.07, Section 7.01, this Section 7.02 and Article IX, and except that such termination shall not relieve any party of any Liability for any willful and material breach of any agreement or covenant in this Agreement or Fraud prior to such termination; provided that, notwithstanding anything to the contrary in this Agreement, in no event shall either Buyer's Liability under this Agreement exceed its Buyer Percentage of the Aggregate Purchase Price.

ARTICLE VIII

Tax Matters; Recourse

Section 8.01 Tax Matters.

(a) Seller Representative shall prepare, or cause to be prepared, and file, or cause to be filed, all Tax Returns that result in the flow-through of taxable income from the Acquired Companies directly or indirectly to Seller Parties (each, a "Flow-Through Tax Return") for all Pre-Closing Periods, and shall remit or cause to be remitted any Taxes required to be paid by the Acquired Companies with respect to such Tax Returns. All Tax Returns that Seller Representative shall prepare, or cause to be prepared, and file, or cause to be filed in accordance with this paragraph (a) shall be prepared in a manner consistent with past practice (unless otherwise required by law) and without a change of any election or any accounting method and shall be submitted by Seller Representative to Buyer Representative (together with schedules and statements) at least thirty (30) days before its due date (including extensions) for Buyer Representative's review, comment and approval (such approval not to be unreasonably withheld, conditioned or delayed). To the extent the taxable year of any Acquired Company does not end on the Closing Date, the parties shall use the "interim closing of the books" method at the end of the Closing Date for purposes of allocating items of income, gain, loss and deduction to Seller Parties under Section 706 of the Code with respect to each Flow-Through Tax Return. To the maximum extent permitted by applicable Law, all Tax Deductions related to Transaction Expenses shall be allocated to the Pre-Closing Period. Buyers shall prepare, or cause to be prepared, and file, or cause to be filed, all other Tax Returns of the Acquired Companies that are due after the Closing Date. All Tax Returns that Buyer Representative shall prepare, or cause to be prepared, and file or cause to be filed, for any Straddle Period of any Acquired Company in accordance with this paragraph (a) shall be submitted by Buyer Representative to Seller Representative (together with schedules and statements) at least thirty (30) days before its due date (including extensions) for Seller Representative's review, comment and approval (such approval not to be unreasonably withheld, conditioned or delayed).

(b) Assistance and Cooperation in Tax Matters. After the Closing Date, Seller Parties and Buyers shall (and shall cause their respective Affiliates to):

(i) timely sign and deliver such certificates or forms as may be necessary or appropriate to establish an exemption from (or otherwise reduce), or file Tax Returns or other reports with respect to, Taxes described in Section 5.06(b);

(ii) cooperate fully in preparing for and defending any audits of, or disputes with taxing authorities regarding, any Tax Returns of each Acquired Company;

(iii) make available to the other and to any taxing authority as reasonably requested all information, records, and documents relating to Taxes of each Acquired Company; and

(iv) furnish the other with copies of all correspondence received from any taxing authority in connection with any Tax audit or information request with respect

to any Taxes or Tax Returns of each Acquired Company; provided, however, that a Buyer shall only be obligated to furnish copies of such correspondence to Seller Parties to the extent such audit or information request relates to Taxes for which a Seller Party may be liable under the terms of this Agreement.

(c) Liability for Taxes.

(i) Notwithstanding anything herein to the contrary, Seller Parties shall be jointly and severally liable for, and shall indemnify each Buyer and its respective Representatives (collectively, "Buyer Indemnitees") against and hold harmless each Buyer Indemnitee from, without duplication, any Losses suffered or incurred by such Buyer Indemnitee arising out of, involving or otherwise in respect of (A) Taxes imposed on any Acquired Company, or for which any Acquired Company may otherwise be liable, as a result of having been a member of a Company Group (including Taxes for which any Acquired Company may be liable pursuant to Treasury Regulation §1.1502-6 or similar provision of Law as a result of having been a member of a Company Group) and any Taxes resulting from any Acquired Company ceasing to be a member of any Company Group, (B) Taxes imposed on any Acquired Company, or for which any Acquired Company may otherwise be liable, for any taxable year or period that ends on or before the Closing Date and, with respect to any Straddle Period, the portion of such Straddle Period ending on and including the Closing Date, (C) Taxes arising out of the Pre-Closing Restructuring, and (D) Taxes for which any Buyer Indemnitee is liable arising out of any income attributable to any Acquired Company described in Section 951 or 951A(b) of the Code realized prior to or on the Closing Date; provided, however, that (1) Sellers shall not be liable for any Tax Liability under this Section 8.01(c) to the extent such Tax Liability is taken into account in computing the Indebtedness Amount, paid by the applicable Acquired Company prior to Closing, or paid by Sellers, (2) Sellers' aggregate Liability under this Section 8.01(c) shall not exceed [redacted] and (3) the amount of any Losses for which indemnification is provided under this Section 8.01(c) shall be calculated net of any duplicative amounts actually received by HoldCo or any Buyer Indemnitee under the R&W Policy (it being understood and agreed that HoldCo or the Buyer Indemnitees, as applicable, shall, to the extent such coverage is available, use commercially reasonable efforts to seek recovery for such Losses under the R&W Policy prior to seeking recovery directly against Sellers for such Losses). For the avoidance of doubt, Sellers shall be liable for any accrued but unpaid payroll and other employment Taxes owed by the Acquired Companies and deferred past their original due date pursuant to Section 2302 of the CARES Act to the extent such Taxes otherwise relate to a taxable year or period that ends on or before the Closing Date and, with respect to any Straddle Period, the portion of such Straddle Period ending on and including the Closing Date. Sellers shall reimburse Buyers for any Losses that are the responsibility of Sellers pursuant to this Section 8.01(c) within ten (10) Business Days of Seller Representative receiving from Buyer Representative a notice setting forth the amount of any such Losses for which Seller is liable under this Section 8.01(c), together with applicable supporting documentation.

(ii) For purposes of Section 8.01(c)(i), whenever it is necessary to determine the Liability for Taxes of any Acquired Company for a Straddle Period, the determination of the Taxes of such Acquired Company for the portion of the Straddle

Period ending on and including the Closing Date shall be determined by assuming that the Straddle Period consisted of two taxable years or periods, one which ended at the close of the Closing Date and the other which began at the beginning of the day following the Closing Date and items of income, gain, deduction, loss or credit of such Acquired Company for the Straddle Period shall be allocated between such two taxable years or periods on a "closing of the books basis" by assuming that the books of such Acquired Company were closed at the close of the Closing Date; provided, however, that exemptions, allowances, deductions or Taxes that are calculated on an annual basis, such as property Taxes and depreciation deductions, shall be apportioned between such two taxable years or periods on a daily basis.

(d) Termination of Tax Allocation Arrangements. Any Tax Sharing Arrangement entered into by a Seller Party or an Affiliate of a Seller Party, on the one hand, and any Acquired Company, on the other hand, shall be terminated as to each Acquired Company on or prior to the Closing, and after the Closing no Acquired Company shall have any Liability thereunder.

(e) Allocation of Aggregate Purchase Price. Within ninety (90) days of the determination of the Aggregate Purchase Price as finally determined pursuant to Section 1.04, Buyer Representative shall provide to Seller Representative a schedule allocating the Aggregate Purchase Price (including, for this purpose, the applicable Liabilities of the Acquired Companies and other relevant items) among the assets of the Acquired Companies (the "Allocation Schedule") for purposes of determining the allocation under Section 755 of the Code and the tax basis adjustments under Section 743 of the Code. The Allocation Schedule shall be reasonable and shall be prepared in accordance with Section 751 of the Code and the Treasury Regulations thereunder. The Allocation Schedule shall be final and binding, and none of Buyers, Seller Parties or their respective Affiliates shall file any federal, state, local and foreign Tax Returns in a manner that is inconsistent with the Allocation Schedule.

(f) Tax Elections. Without limiting the generality of the terms that shall be set forth in Section 9.3(b) and Section 9.3(e) of the HoldCo A&R Operating Agreement, the TowerBrook Member, its capacity as Buyer, or the Partnership Representative (as defined in HoldCo A&R Operating Agreement), shall cause any of the Acquired Companies to make an election pursuant to Section 6226 of the Code or any comparable provision of state, local or non-U.S. law in connection with any Tax audit with respect to a Pre-Closing Period.

(g) Buyer Tax Acts. Notwithstanding anything to the contrary, without the consent of Seller Representative (not to be unreasonably withheld), unless required by applicable Law, Buyers shall not, and shall cause its Affiliates (including the Acquired Companies) not to: (i) take any actions outside the ordinary course of business on the Closing Date following the Closing or convert or otherwise change the form of any of the Acquired Companies under applicable state, local or non-U.S. Law; (ii) subject to Section 8.01(f), make, change or revoke any Tax election with respect to any of the Acquired Companies for, or that has retroactive effect to, a taxable period (or portion thereof) ending on or before the Closing Date; (iii) file, amend or otherwise modify any Tax Return with respect to the Acquired Companies for a taxable period (or portion thereof) that ends on or before the Closing Date, (iv) initiate voluntary contact (including through any voluntary disclosure program) with any Governmental Entity in respect of Taxes or

Tax Returns of the Acquired Companies for any taxable period (or portion thereof) that ends on or before the Closing Date.

(h) Flow-Through Tax Audits. If a written notice of any Tax audit or other proceeding with respect to a Flow-Through Tax Return is received by any Buyer or any Acquired Company with respect to a Pre-Closing Period (a "Tax Claim"), the notified party shall give Seller Representative prompt written notice of such Tax Claim, provided, that failure to comply with this provision shall not affect Buyers' right to indemnification under this Agreement except to the extent such failure materially impairs Sellers' ability to contest any such Tax Claim. After the Closing, upon Seller Representative's delivery of notice to Buyers within 30 days of Seller Representative's receipt of written notice of such Tax Claim, Seller Representative shall have the right (at its option) to represent the interests of the applicable Acquired Company with respect to such Tax Claim and to employ counsel of Seller Representative's choice at Sellers' expense; provided, however, that, as between Buyers and Seller Representative, (i) the Buyers, if the non-controlling party, shall be permitted, at Buyers' expense, to be present at, and participate in, any such Tax Claim, (ii) the controlling party shall keep the non-controlling party reasonably informed and consult in good faith with the non-controlling party with respect to any issue relating to such Tax Claim, (iii) the controlling party shall provide the non-controlling party with copies of all correspondence, notices and other written material received from any Governmental Entity with respect to such Tax Claim, (iv) the controlling party shall provide the non-controlling party with a copy of, and an opportunity to review and comment on, all submissions made to any Governmental Entity in connection with such Tax Claim and (v) the controlling party may not agree to a settlement or compromise thereof without any prior written consent of the non-controlling party, which consent shall not be unreasonably withheld, conditioned or delayed; provided, however, for purposes of clause (v), the parties hereto agree that it is not unreasonable for the Buyers or the Buyer Representative to withhold, condition or delay such consent if Gemini Insurance Company, the issuer of the R&W Policy, has not consented to such settlement or compromise under the terms of the R&W Policy. If Seller Representative fails to notify Buyers of its election to control such a Tax Claim within 30 days following receipt by Seller Representative of written notice of such Tax Claim, Buyers shall control such Tax Claim, subject to this Section 8.01(h). HoldCo shall have the sole right to represent the Acquired Companies with respect to any Tax audit or proceeding with respect to any taxable period ending after the Closing Date.

(i) Survival of Obligations. Notwithstanding anything to the contrary in this Agreement, the obligations of the parties set forth in this Section 8.01 shall survive until 60 days after the expiration of all statutes of limitation (taking into account extensions thereof).

Section 8.05 Release. Each Seller Party, on the one hand, and each Buyer, on the other hand, on behalf of itself and each of its current and former Related Persons, hereby releases and forever discharges (a) in the case of each Seller Party, Buyers, the Acquired Companies and each of their respective individual, joint or mutual, past, present and future Representatives, Related Persons, successors and assigns and (b) in the case of each Buyer, Seller Parties and each of their respective individual, joint or mutual, past, present and future Representatives, Related Persons, successors and assigns, excluding any Affiliate of a Seller Party other than in its capacity as a Seller Party hereunder (such Persons described in the foregoing clauses (a) or (b), as applicable, individually, a "Releasee" and collectively, "Releasees") from any and all claims, demands, Proceedings, causes of action and Judgments that such releasing Person or any of its respective current or former Related Persons now have, have ever had or may hereafter have against the respective Releasees, and from any and all Contracts, debts and Liabilities that any respective Releasee now has, has ever had or may hereafter have in favor of Seller Parties or Buyers, as applicable, or any of their current or former Related Persons, in each case of any nature (whether absolute or contingent, asserted or unasserted, known or unknown, primary or secondary, direct or indirect, and whether or not accrued) arising contemporaneously with or before the Closing Date or on account of or arising out of any matter, cause or event occurring contemporaneously with or before the Closing Date, including, in the case of Seller Party and its respective Related Persons, any rights to indemnification or reimbursement from any Acquired Company (other than in its capacity as a director, manager, employee, agent or officer of any Acquired Company), whether pursuant to their respective certificate or articles of incorporation or formation or by-laws or operating agreement (or comparable documents), Contract or otherwise and whether or not relating to claims pending on, or asserted after, the Closing Date (in each case other than any obligations of the Parties arising under this Agreement (including under Section 8.01(c) or Section 8.02) or any Ancillary Agreement or claims of employees to receive compensation in the Ordinary Course of Business for periods before the Closing Date) (collectively, the "Released Claims"). Each Seller Party and each Buyer hereby irrevocably covenants to refrain from, directly or indirectly, asserting any claim or demand, or commencing, instituting or causing to be commenced, any Proceeding of any kind against any of its respective Releasees, based upon any Released Claim. Notwithstanding the foregoing or anything to the contrary herein, nothing in this Agreement shall constitute a release or waiver of any rights, claims, demands, Proceedings, causes of action or Judgments any of the Acquired Companies now have, have ever had or may hereafter have against any past, present or future managers, directors, officers or employees of the Acquired Companies in their capacities as such.

ARTICLE IX

General Provisions

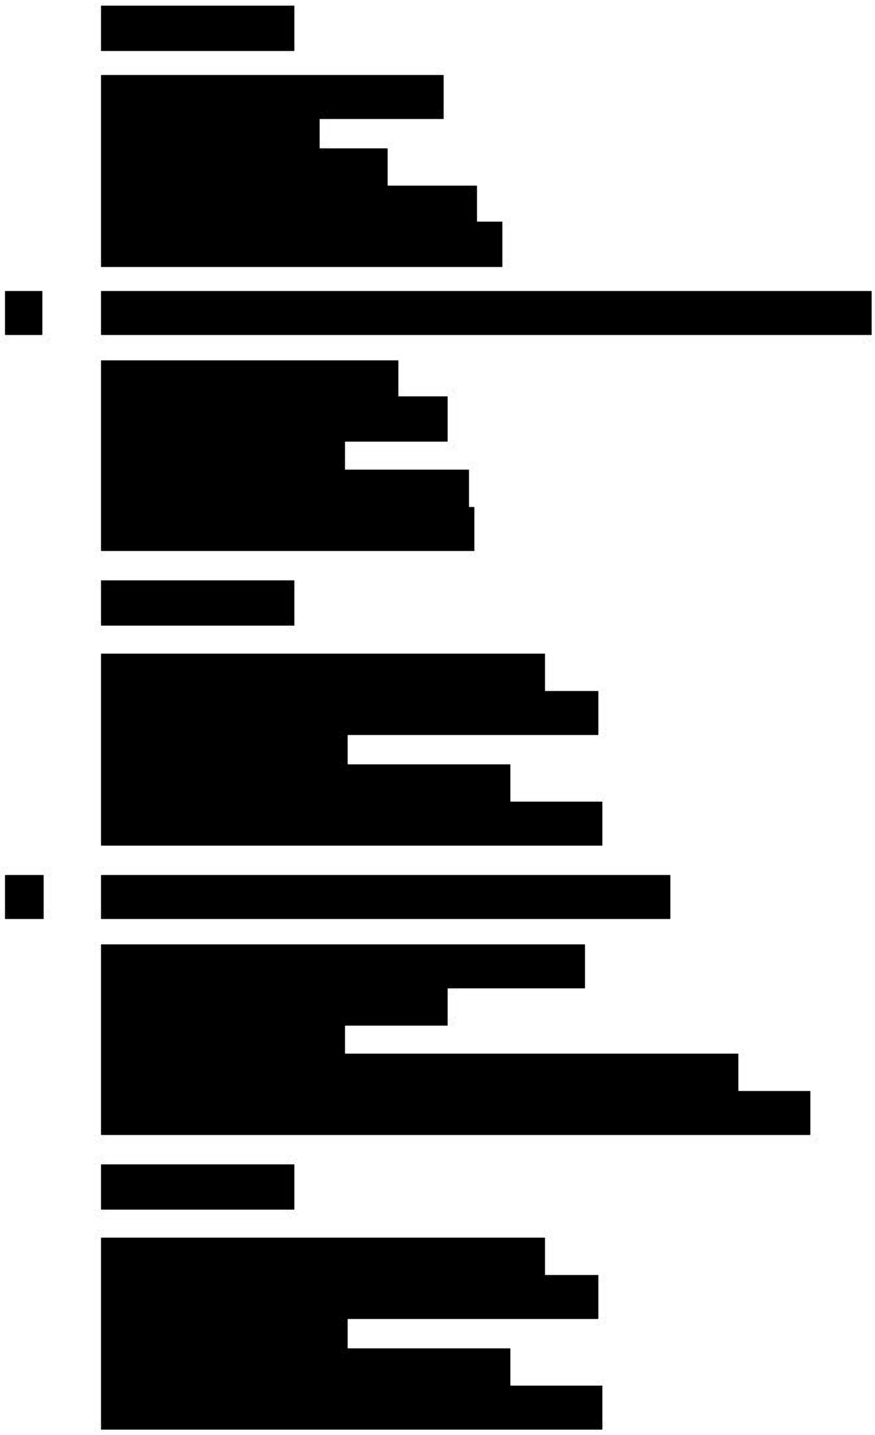

Section 9.01 Assignment. This Agreement and the rights hereunder are not assignable by any party unless such assignment is consented to in writing by the other parties and any assignment in contravention to this provision shall be null and void; provided, however, that each Buyer shall be permitted to assign its rights under this Agreement (i) to any of such Buyer's Affiliates or (ii) upon such Buyer's sale, disposition or other transfer, in whole or in part, of the equity interests in, or business or assets or properties of, the Acquired Companies. Subject to the preceding sentence, this Agreement and all the provisions hereof shall be binding upon and shall inure to the benefit of the parties and their respective successors and permitted assigns.

Section 9.02 No Third-Party Beneficiaries. This Agreement is for the sole benefit of the parties hereto and their permitted assigns and nothing herein expressed or implied shall give or be construed to give to any Person, other than the parties hereto and such assigns, any legal or equitable rights hereunder, except (a) with respect to any Buyer Indemnitee, as contemplated by Article VIII, (b) as contemplated by Section 5.11, (c) as contemplated by Section 9.13 and (d) with respect to each of Sidley, BCLP and S&C, as contemplated by each of Section 9.16, Section 9.17 and Section 9.18, respectively. This Agreement does not constitute an amendment of any Benefit Plan and does not impose any obligations on Buyers under any Benefit Plan.

Section 9.03 Amendments and Waivers. No amendment or waiver of any provision of this Agreement will be binding unless it is in writing and signed, in the case of an amendment, by each Buyer and Seller Representative, or in the case of a waiver, by the party against whom the waiver is to be effective. No delay or omission by any party hereto to exercise any right or power under this Agreement or pursuant to Law shall impair such right or power or be construed as a waiver thereof. A waiver by any party of any representation, warranty, covenant or condition shall not be construed to be a waiver of any succeeding breach or of any other representation, warranty, covenant or condition.

Section 9.04 Notices. All notices or other communications required or permitted to be given hereunder shall be in writing and shall be delivered by hand or sent by email or sent, postage prepaid, by registered, certified or express mail or overnight courier service and shall be deemed given when received as follows:

Section 9.05 Interpretation; Exhibits and Schedules; Certain Definitions. (a) The headings contained herein and in any Exhibit or Schedule hereto and the table of contents hereto are for reference purposes only and shall not affect in any way the meaning or interpretation hereof. Any disclosure set forth in any Schedule shall be deemed set forth for purposes of any other Schedule to which such disclosure is relevant, but only to the extent that it is readily apparent from the face of such disclosure that such disclosure is relevant to such other Schedule. All Exhibits and

Schedules hereto are hereby incorporated in and made a part hereof as if set forth in full herein. Any capitalized terms used in any Schedule or Exhibit, but not otherwise defined therein, shall have the meaning as defined herein. When a reference is made herein to a Section, Exhibit or Schedule, such reference shall be to a Section of, or an Exhibit or Schedule to, this Agreement unless otherwise indicated. Any agreement, instrument or statute defined or referred to herein or in any agreement or instrument that is referred to herein means such agreement, instrument or statute as from time to time amended, modified or supplemented, including (in the case of agreements or instruments) by waiver or consent and (in the case of statutes) by succession of comparable successor statutes and references to all attachments thereto and instruments incorporated therein. References to a Person are also to its permitted successors and assigns. For all purposes of this Agreement, unless otherwise specified herein, (i) "or" shall be construed in the inclusive sense of "and/or"; (ii) words (including capitalized terms defined herein) in the singular shall be construed to include the plural and vice versa and words (including capitalized terms defined herein) of one gender shall be construed to include the other gender as the context requires; (iii) the terms "hereof" and "herein" and words of similar import shall be construed to refer to this Agreement as a whole (including all the Exhibits and Schedules) and not to any particular provision of this Agreement; (iv) whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed to be followed by the words "without limitation" unless preceded by a negative predicate; (v) all references herein to "$" or dollars shall refer to United States dollars; and (vi) all references to "party" or "parties" shall be a reference to a party or the parties to this Agreement, unless otherwise indicated. Each representation, warranty, covenant and agreement contained herein shall have independent significance. Accordingly, if any representation, warranty, covenant or agreement contained herein is breached, the fact that there exists another representation, warranty, covenant or agreement relating to the same subject matter (regardless of the relative levels of specificity) shall not detract from or mitigate the breach of the first representation, warranty, covenant or agreement. Whenever this Agreement requires any Acquired Company to take, or refrain from taking, any action prior to the Closing, such requirement shall be deemed to involve an undertaking on the part of Seller Parties to cause such Acquired Company to take, or refrain from taking, such action. Any cause of action for breach of any representation, warranty or covenant contained herein shall accrue, and the statute of limitations period shall begin to run, upon discovery of such breach by the party seeking to assert such cause of action. Any document, list or other item shall be deemed to have been "made available" to Buyers or Buyer Representative for all purposes of this Agreement only if such document, list or other item was posted at least two (2) Business Days before the date hereof in the electronic dataroom established by Seller Parties in connection with the Transactions. Notwithstanding anything to the contrary in this Agreement, nothing in this Agreement shall constitute a waiver by Buyers of Fraud against Seller Parties, the Acquired Companies or any other Person.

Needham Bev 365, LLC

Description of Transaction

The parties are engaging in an internal corporate restructure and change of beneficial interest. Needham 365 Bev, LLC ("Needham 365"), the current licensee, is being merged with and into its parent entity 365 Management Company, LLC ("365 Management") effective immediately following ABCC approval of the transaction. After the merger, 365 Management Company, LLC will become the licensed entity who will be responsible for food and beverage service at the licensed premises and Needham 365 will cease to exist.

In addition, there is a change in the ownership of 365 Partner, LLC, the parent company of 365 Management. 365 Partner, LLC, previously owned by Navin Dimond and Rita Dimond, is being wholly acquired by Stonebridge Companies, LLC which is turn wholly owned by Stonebridge Companies Holdings, LLC ("Stonebridge"), each newly formed entities created to hold the ownership interests of 365 Partner, LLC. Stonebridge is owned by 5 separate owners, (1) SRA HoldCo, LLC will own 24.5%, (2) Navin Dimond and Rita Dimond will own 0.5% each, (3) TI V Stonebridge HoldCo FinanceCo, LLC, a Delaware limited liability company ultimately owned by the TowerBrook Funds ("TowerBrook"), which will own 55% of Stonebridge, and (4) RFM Acquisitions, LLC, which will own the remaining 20% of Stonebridge. TowerBrook and RFM Acquisitions, LLC are large institutional investors consisting of a number of widely held funds, where no person has more than a ten percent interest and where no person has any direct control over or involvement with the alcoholic beverage operations of 365 Management. A disclosure waiver request is being filed herewith for TowerBrook and RFM Acquisitions, LLC. Stonebridge Companies Holdings, LLC is managed by 4 managers: Michael Recht, Luke Doramus, Michael Winston and Navin Dimond. All four managers have submitted CORI background check forms.

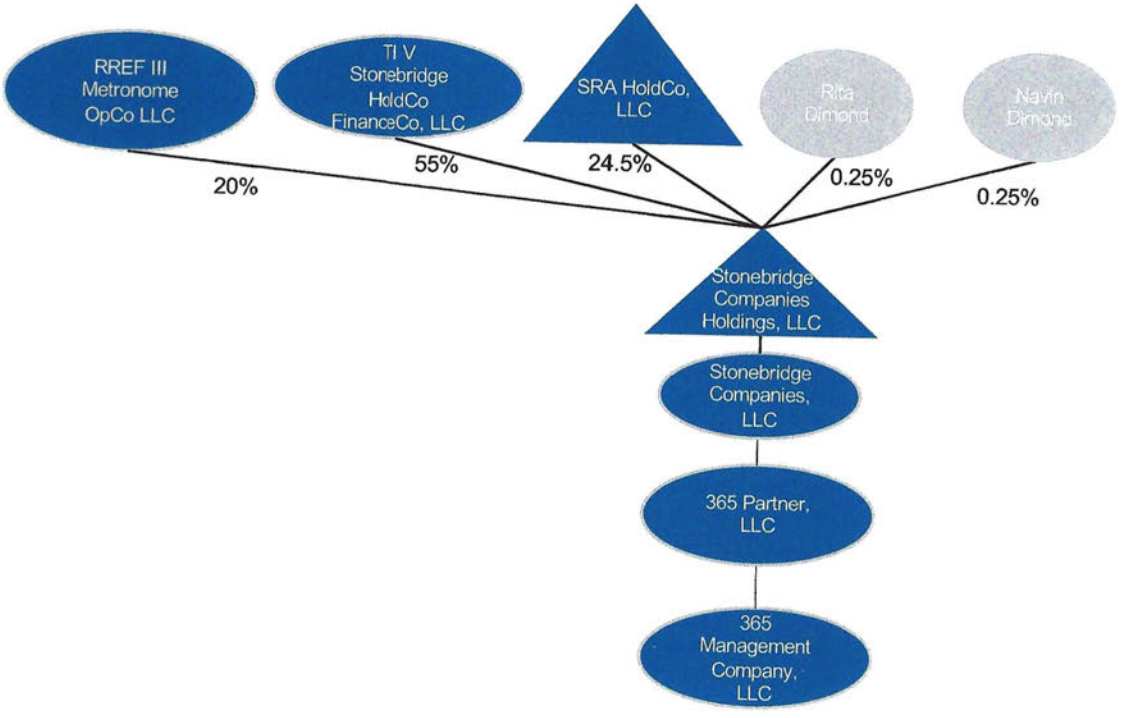

TowerBrook and RFM Acquisitions, LLC are acquiring their share in the licensed business as part of a multistate transaction whereby they are purchasing a number of hotel management businesses. Both TowerBrook and RFM Acquisitions, LLC are paying for their interests in Stonebridge, and both TowerBrook and RFM Acquisitions, LLC have submitted proof of funds for the acquisition of their ownership interests in Stonebridge. The approximate value of the Massachusetts portion of the transaction is approximately $12.2 million dollars. Navin Dimond and Rita Dimond are contributing ownership interests in entities owned by them in exchange for their post-closing interest in Stonebridge, and therefore their interest is entirely funded through capital contributions rather than cash.

There are to be no changes to the licensed premises. 365 Management will become the tenant to the existing Food and Beverage Lease with the landlord, LVP RI Needham Holding Corp, which will grant full authority over the licensed premises to 365 Management post closing.

Michael Gendrin will be the license manager for the premises.

The applicant notes that some corrections need to be made to the license file. 365 Partner, LLC an intermediary entity between 365 Management and Navin Dimond was unintentionally omitted in the last filing as was Rita Dimond who owns 25% of 365 Partner, LLC. Rita Dimond, even

9.1.8 Section 15 licenses may be granted to food stores as defined in these regulations, but will not be granted to convenience stores.

9.1.9 Alcohol-related signage displayed so that it is visible to the public will be limited. As a condition of the license, the licensee will comply with the Town of Needham Sign By-law, as from time to time amended.

9.1.10 Advertisement at local sporting events or school events and sponsorships of sporting teams where participant's uniforms carry the name, logo or advertisement for any business which derives more than 25% of its gross revenues from the sale of alcoholic beverages is prohibited.

9.1.11 "Nips" or bottles of spirits containing fewer than eight (8) fluid ounces shall not be located in an area directly accessible by customers, and shall be offered for sale upon the request of a customer from a location within

The licensee may not materially change the portions of its premises dedicated to sale, storage or display of alcoholic beverages without the approval of the Select Board. Discussion

Mr. Smith reported on the operations of the RTS. The Swap Shop will reopen on April 1st, and he is in contact with the coordinator, Brenda Metzler. The food waste program was started at the RTS on November 4, 2021 and restarted at the Sunita Williams School in December 2021. The number of barrels of food waste picked up by Agri-Cycle since November is as follows: November - 28, December - 67, January - 102 and February - 59, a total of 256 barrels, 32 tons at a cost of $5,182. Mr. Smith noted that it is more expensive to recycle residential food waste, but it was a good thing for the community. Approximately 25-30% of waste is food waste, and it is hope that this program will take 25% of waste from going to Wheelabrator. The food waste will go to Agri-Cycle's anerobic food digester which will eventually generate electricity. Barrel pickups are made two times a week.

Currently there is a DEP commercial organics waste ban where any organization, public or private, that is generating more than 1 ton of organic waste a week is required to recycle. This requirement includes public schools.

Recycling revenues continue to be positive thru the month of February. The past fiscal year has been good. The RTS has seen a large increase in bulky waste by both residents and contractors.

The bulky waste fee is still the same. Mr. Smith has stopped issuing stickers to commercial haulers over the last four months. He feels it would not be safe to have the additional commercial traffic at the site. The Town is receiving payment for textile recycling by Baystate Textiles.

Ms. Simchak reviewed the proposed fee changes. The DPW looked at some fees that were not covering the cost of recycling. It is proposed that the TV and monitors be consolidated as Monitors and charged a fee of $20 per item. The current fee is TV- $15, small computer monitor - $5 and large computer monitor - $15. Other proposed increases to current fees are car tires - $5 to $7.50, truck tires - $10 to $15, Illegal dumping without the yellow bag - $5 to $10. Two new fees are being proposed, for florescent tubes - $1 each (with a max of 10 tubes per week) and printers - $2.50 each. The Town is being charged $0.19 per pound for TV/Monitor recycling. It was noted that Wellesley charges $100 for illegal dumping. The Towns fees are in line with surrounding towns. The Committee was in favor of recouping the costs to recycle.

The question was asked whether recycling costs could be shared with Wellesley in any way. Mr. Smith indicated that Wellesley operates differently, and it would be difficult.

Mr. Connor made a motion to recommend the fee increases as proposed to the Select Board. Mr. Ecsedy seconded the motion. The motion was then voted upon and approved unanimously. 5 yeas - 0 nays – 0 abstain.

Mr. Smith indicated that he would like to see a Styrofoam recycling program in Needham. It is currently not a waste ban material. He has been consulting with a vendor and was quoted a price of $475 per collection event and $12,000 a year for the program. The material would be collected and melted, then extruded into a form that can be reused. This is a policy issue. It is less expensive to burn the Styrofoam as the weight is negligible. It is a sustainability issue. Mr. Smith will be asking for funds for the program for the FY2023 budget. There may or may not be a DEP ban for this material however there is an environmental impact by burning it.

The snow dump operation was relocated from the base of the landfill to the area near the sedimentation basin. The snow melts and drains into the basin and is then ejected into the wetlands. The area is more efficient for the operation, more snow can be stacked and it's a faster turnaround for the trucks. Almost 10,000 yards of snow has been dumped this winter between the Towns operations and commercial haulers of snow from Needham.

The universal waste area will be reconfigured to make better use of the area. Five bays will be established for the items such as Monitors, tires, appliances, metal pile, etc. The rock & block area will be reestablished in the spring for residents only.

Construction on the Area 2 (paving behind the salt shed) of the stormwater management project has begun. Areas 1 & 3 were done last year.

New signage was installed yesterday around the RTS. The cost was $18,373 and is being funded by the MA DEP 2021 Recycling Dividend incentive program. The Town is awarded funds each year that are put in escrow for eligible expenses.

There will be a paper shredding event scheduled for the spring on May 14, 2022, at the Cogswell Building from 9 am to 1 pm.

There will be a Town Meeting article for $50,000 to see if the town will fund a solid waste disposal & recycling service delivery study.

Commercial stickers expire on June 30th of each year. 52 have been issued over the last year. There are 9 contractors/residents who use their private vehicles to dispose of waste. Mr. Smith would like to be able to issue the commercial stickers (renewed and new) at the RTS. Ms. Poness would be in favor of this. He is wondering if the 9 residents should also be required to purchase a commercial sticker. The Committee felt that was not fair that these 9 residents are not paying for a commercial sticker.

Mr. Blanchard made a motion to recommend that any residents that dispose of large amounts of commercial waste at the RTS pay for a commercial sticker. Mr. Ecsedy seconded the motion. The motion was then voted upon and approved unanimously. 5 yeas - 0 nays – 0 abstain.

The commercial sticker fee is $125 and $140 per ton for bulky waste over the scale. Needham tip fees are well below other communities. Possibly the fees should be adjusted to a two-tier tip fee where the resident and Needham businesses sticker would be the same and out of network would have a higher sticker and tip fee. The Committee would be in support of a two-tier fee system for commercial stickers.

Mr. Smith is seeking funding for eight additional Big Belly trash containers to be placed in remote parks. The Big Belly containers can report when they need servicing, saving time and effort in removing the trash only when needed. Two were delivered to the High School today. They prevent blowing waste, prevent odor and vermin in the trash. The payback is in reduced equipment wear and tear, fuel costs and staff deployment. Each unit has a life span of 10-12 years. The pilot program instituted four years ago has been a success.

Residential stickers are currently free for residents and have not needed to be renewed for over 7 years. There is no cost for the stickers, but vehicles are required to have them to use the RTS. They indicate who should be and who shouldn't be using the facility. Mr. Smith would like to have the yearly renewal of residential stickers reinstituted to provide information and to indicate who should be there and who shouldn't. Many residents are not getting stickers. The Treasurer's office is not in favor of issuing the yearly renewal of RTS stickers. Mr. Smith is suggesting that new RTS stickers and yearly renewal RTS stickers be issued at the RTS office on a rotational basis.

Mr. JD Heller will prepare a historical perspective on the swap shop for the next meeting.

Adjournment

Mr. Blanchard made a motion that the Committee adjourn at 9:35 PM. Mr. Ecsedy seconded the motion. The motion was then voted upon and approved unanimously. 5 yeas - 0 nays – 0 abstain.

The next meeting is scheduled for June 21, 2022.

These notes are intended to convey the content of the discussions at the Committee meeting. If no comments are received by the next meeting, they will go to file as part of the permanent Committee record.

Executive Summary

The Town of Needham is in Norfolk County, Massachusetts. It is 10 miles southwest of Boston and has a population of 32,091 as of the 2020 Census[1]. The average single-family property value is more than $1 Million.[2] Needham uses the Town Meeting style of government, with an elected body made up of 254 Town Meeting Members.[3] Needham also elects a Select Board, who appoints the Town Manager. The Town Manager oversees the day-to-day operations of the Town.[4] The Town also elects a School Committee to oversee Needham Public Schools.[5] In conversations with Town staff, the consensus is that Needham Schools are highly desirable.

This myriad of factors, including the proximity to Boston, high cost of living, and high-performing schools creates a scenario where the recruitment and retention of employees can be difficult, especially for lower wage or entry-level jobs. Further, the Town has placed an emphasis on ensuring Needham is a welcoming and inclusive community. The Needham Unite Against Racism Initiative (NUARI) is a working group formed to prioritize areas for improvement related to racial equality, which includes ensuring a diverse Town workforce.[6]

Town Manager Kate Fitzpatrick requested that Leadership ICMA (L-ICMA) develop an analysis of and recommendations for strategies to guide the Town's Human Resources Department to enhance the diversification of the talent pool, and to provide and fund attractive employee benefits and programs.

L-ICMA responded to the request with a proposal that included six objectives:

- ✓ Develop strategies to address gaps in recruitment and retention.
- ✓ Identify benefits/programs to obtain a competitive edge in recruitment & retention and assess for feasibility.
- ✓ Gauge current employee opinions on existing benefits packages and suggested changes through surveys or focus groups.
- ✓ Analyze existing recruitment, resources, recognition, and on-boarding practices and make recommendations to enhance retention and engagement.
- ✓ Evaluate scope & capacity of the Human Resources Department.
- ✓ Submit a detailed report and/or presentation at the direction of the Town.

Through the course of meetings with Needham Town Management, an onsite visit to the Town, 10 employee focus groups, as well as research on emerging trends and best practices related to employee recruitment, compensation, benefits, and program offerings, the L-ICMA Needham Team is pleased to present a list of recommendations to further the Town's efforts around recruitment and retention.

The recommendations can be broadly organized in four (4) categories:

1. Define the mission and role of the Town of Needham's Human Resources Department to be more strategic and less administrative.

2. Study new benefit offerings to include adopting a paid time off bank, short-term disability insurance program, paid paternity leave program; allowing Town employees to enroll their children into Needham public schools; and providing dependent care subsidies, along with other benefits detailed later in this report.

3. Adjust the Town's compensation philosophy to be more incentive-based, to encourage continuing education, longevity, and high-performance.

4. Explore options to adjust recruitment strategies, such as encouraging and advertising workplace flexibly; implementing targeted recruitment for veterans, community and technical colleges, historically underserved communities, and high schoolers; and developing a more robust internship or summer ambassador program.

This report goes into detail regarding how the L-ICMA Team developed these recommendations, including an analysis of focus group data as well as a benchmarking exercise to ensure Needham's benefit offerings are competitive with employment trends broadly.

The Town of Needham was a welcoming host for the L-ICMA Team. Overall, employees in the focus groups spoke highly about the Town. Unprompted, employees expressed their appreciation of Town Management. Participants were positive about the work environment and opportunities for career progression in Needham. Finally, a very common response when asked what the best part about working for Needham was "the people."

The L-ICMA Team would like to express our sincere thanks to the Town of Needham for allowing us the opportunity to undertake this study. We look forward to continuing the conversation and hope the information and insights provided allow Needham to move closer towards remaining a premier employer in local government.

Project Overview

Background

The Town of Needham, Massachusetts is considered a bedroom and commuter community in the Greater Boston Area. The Town is experiencing challenges with the recruitment and retention of employees. To identify gaps and provide solutions to enhance the organization's desirability as an employer of choice, attract diverse candidates, and to retain existing employees, the Town asked the Leadership ICMA (L-ICMA) Team to perform an analysis of their recruitment processes; examine current and potential benefit and program options; and provide financing strategies to aid with the recruitment and retention of employees.

Project Scope

The Town requested an analysis of and recommendations for strategies to guide the Human Resources Department to enhance the diversification of the talent pool, and to provide and fund attractive employee benefits and programs. The global pandemic drastically changed how local governments operate, and as an internal and employee-focused organization that provides external and community-focused services, the Town is experiencing high turnover, smaller and less diverse applicant pools, and intense competition for the best talent.

The intention of this analysis is to work with the Town to define diversity and apply the respective lens to their employee-focused recruitment processes, benefits and programs. To reduce turnover, the Town's current benefits and programs will be examined and corresponding gap analysis will be conducted to determine the meaningful, attractive benefits and programs the Town can consider with an attentiveness to the expenditure of public funds.

Research and analysis occurred between January 31, 2022 and July 1, 2022. The L-ICMA Team worked virtually and in-person during a site visit to the Town.

Objectives

- Develop strategies to address gaps in recruitment and retention.
- Identify benefits/programs to obtain a competitive edge in recruitment & retention and assess for feasibility.
- Gauge current employee opinions on existing benefits packages and suggested changes through surveys or focus groups.
- Analyze existing recruitment, resources, recognition, and on-boarding practices and make recommendations to enhance retention and engagement.
- Evaluate scope & capacity of the Human Resources Department.
- Submit a detailed report and/or presentation at the direction of the Town.

Benchmarking

State of the Workplace Study 2021-2022

According to the Society of Human Resource Management (SHRM) *State of the Workplace Study 2021-2022,* "Recruitment and retention remain top issues for HR departments, **with a potential payoff for effective implementation of Diversity, Equity, and Inclusion (DEI) programs.** In other words, organizations who were effective at achieving greater workplace DE&I during the last year fared better with challenges of recruitment and retention." Additionally, the greatest barriers to change highlighted in the report are "limited time or dedicated personnel" (See Appendix A, page 9, 12).

These findings align precisely with the perceived challenges the Town of Needham faces related to recruitment and retention. Furthermore, the Town's emphasis on diversity is well-placed. SHRM's analysis shows that concerted recruitment efforts targeted towards historically underserved populations improves recruitment and retention efforts.

The SHRM study survey data consists of two data sets, U.S. workers and Human Resources (HR) professionals. When asked to forecast where more resources would be allocated in 2022, HR professionals expected growth in their departmental budgets associated with talent acquisition, HR employee compensation, and employee training and development.

Additionally, when respondents to the study were asked to share their thoughts on the biggest challenges facing organizations during 2021, they highlighted labor shortages as their top concern. A more complete list is provided below, courtesy of the SHRM report. As an aside, SHRM highlights that remote organizations fared better than in-person organizations when it came to labor shortages.

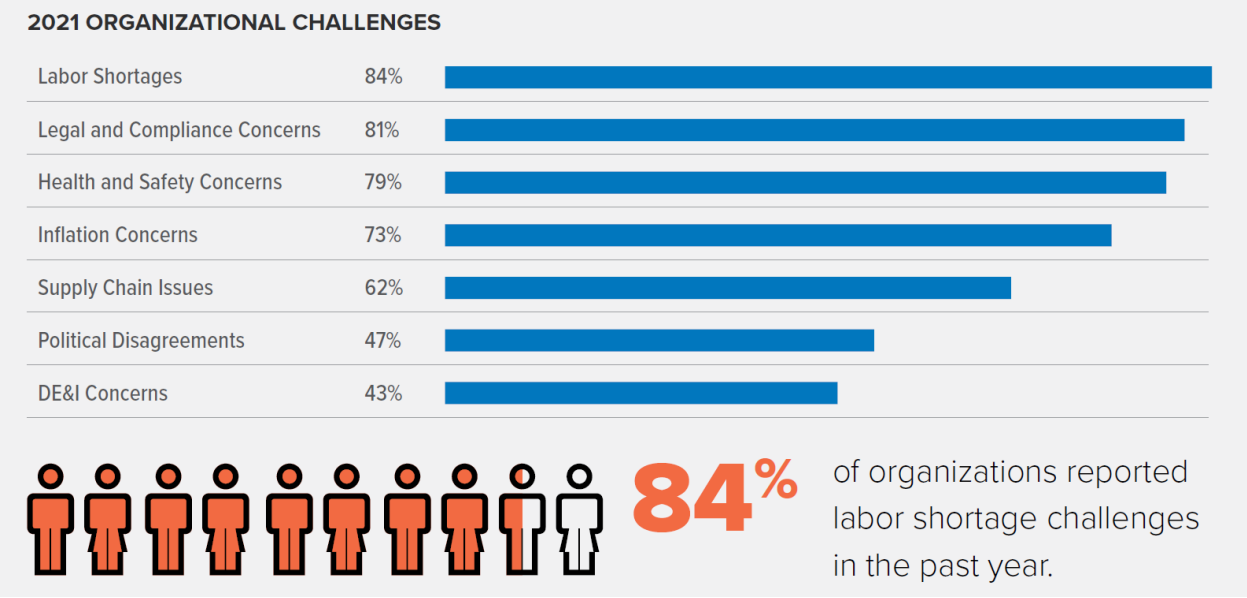

FIGURE 1 ORGANIZATIONS' TOP CHALLENGES REFLECT THE GREAT RESIGNATION, COURTESY OF SHRM

Throughout the SHRM study, there are discrepancies in perceptions between U.S. workers generally and HR professionals. When asked to rank the effectiveness of various HR functions, however, there is some consistency. Broadly, most respondents indicated struggles with "finding and recruiting talent with the necessary skills," "retaining top talent," and "creating succession plans for key roles" (See Appendix A, page 5).

When asked to grade their HR Departments, U.S. workers ranked their HR department slightly lower than HR professionals did when grading their own departments. **A key factor in how well a department scored is tied to retaining and recruiting talented employees** (See Appendix A, page 6).

Expectations of Human Resources

There is a misalignment, however, between HR's perceived function and what U.S. workers perceive HR's function to be. As stated earlier, both groups (U.S. workers and HR professionals) agree that finding and recruiting talent, retaining talent, and succession planning are critical and are areas that could use improvement.

Remote organizations were far more effective in recruitment, retention, as well as maintaining morale and engagement.

When HR professionals and U.S. Workers grade HR, there are several drivers (listed below), that illustrate a misalignment between what workers think drive HR performance and what HR thinks drives performance. Primarily, HR professionals place an emphasis on organizational communication and employee morale and engagement, while U.S. workers say that retaining and recruiting talent are most important.

RANK	HR PROFESSIONALS	RANK**	U.S. WORKERS
1	Improving organizational communication	1	Retaining top talent
2	Maintaining employee morale and engagement	2	Finding & recruiting talent with the necessary skills
3	Facilitating fair & effective performance evaluations	3	Maintaining employee morale and engagement
4	Retaining top talent	4	Creating succession plans for key roles
5	Developing more effective leaders/people managers	5	Facilitating fair & effective performance evaluations

FIGURE 2 PERSPECTIVE VARY BETWEEN HR PROFESSIONALS AND U.S. WORKERS IN TERMS OF WHAT DRIVES PERCEPTIONS OF A SUCCESSFUL HR DEPARTMENT. COURTESY OF SHRM

According to SHRM, HR departments are generally viewed as "crucial to the business function" of the organization, but a majority of departments are "working beyond capacity and stretched too thin" (See Appendix A, page 7).

Recruitment and Retention

It is fair to say that in the current climate, finding talented employees is tough. According to SHRM, 72% of organizations reported lacking well-qualified candidates to fill jobs. This is notably less challenging for remote organizations. Tied to these challenges, many organizations report not having flexible work hours or locations or having uncompetitive compensation, which all play a key role in an organization's inability to recruit talented employees (See Appendix A, page 7).

Specifically, SHRM reports that organizations with effective diversity, equity, and inclusion programs face fewer recruitment challenges. Effective DEI programs appear to be correlated to workplace flexibly, good work culture, and career advancement opportunities (See Appendix A, page 9).

Looking Forward

According to SHRM for 2022, HR professionals will continue to focus on many of the challenges that were highlighted in 2021: employee morale and engagement and retaining and recruiting talented employees. The biggest challenges most HR professionals predict to addressing their areas of focus are **limited time or dedicated personnel, employee resistance to change, current organizational cultural norms, lack of budget, and senior**

leadership support or buy-in, amongst others. Of the organizations surveyed, 34% expect to see an increase in the HR departmental headcount in 2022 and 47% expect to see an increase in the HR budget (See Appendix A, page 10, 12, 13).

Finally, SHRM asked respondents to provide open-ended responses to consider what strategies HR departments can use to strengthen their recruitment and retention efforts. Nearly 20% of respondents indicated a need to increase benefits and compensation and 10% highlighted training and development, specifically referencing leadership training.

2021 Total Rewards Inventory Programs & Practices

The second source document for assessing current trends in benefits is WorldatWork's *2021 Total Rewards Inventory Programs & Practices*, which was released in February 2022 (See Appendix B). WorldatWork is a nonprofit organization specializing in understanding trends in benefit programs. Using their data, the Team worked to develop a practical ideal type regarding benefit programs to allow the Town of Needham to assess their offerings against a larger cohort of U.S. organizations. Two highlights that appear to be easy trends to either adopt or emphasize in Needham are paid civic duty and assisting with relocation requests. Additionally, there are eight (8) benefit usages that increased by 10% or more in 2021:

1. Unpaid, job-protected time off to care for or bond with new child – up 19%
2. Market-based adjustments – up 13%
3. Dependent care spending program – up 13%
4. Identity theft insurance – up 12%
5. Referral bonuses – up 11%
6. Personal financial planning services – up 10%
7. Pet insurance – up 10%
8. Retention bonuses – up 10%

Government vs. all-sectors

There are 20 programs offered in the private sector at a higher rate, on average, than are offered in the public sector. Below is a chart that compares all industries to the public sector, specifically highlighting where there is a 20% or greater differential in the public sector offerings.

Several benefits are not feasible to offer, like stock options, commissions, or geographic differential pay; however, referral bonuses, accelerated adjustments for high potential/high performers, a personal time off (PTO) bank which combines all vacation, sick, and other approved leave, performance-based pay increase, relocation upon employer request, and short-term disability insurance are all offered at 50% or more of employers, and are possible for the public sector to offer, but are offered at lower rates.

FIGURE 3 THIS CHART COMPARES ALL SECTORS TO THE PUBLIC SECTOR. THE RIGHT COLUMN ILLUSTRATES THE DIFFERENCE BETWEEN THE PERCENT OF ORGANIZATIONS BROADLY WHO OFFER A BENEFIT VERSUS PUBLIC SECTOR OFFERINGS.

Conversely, there are 15 programs in the public sector offered at a higher rate than all sectors. Some items are corroborated by the previous table, but worth mentioning, specifically, sick leave and vacation pay separate from a PTO bank.

Most of the other items highlighted in the chart below are related to wellness program offerings.

The only other items of note are on-call pay and shift differential pay, both of which are offered at higher rates in the public sector than all sectors.

Column1	All	Government/ public sector (local, state, federal government)	Difference
Health fairs (on-site or virtual)	54%	95%	-41%

FIGURE 4 THIS CHART COMPARES ALL SECTORS TO THE PUBLIC SECTOR. THE RIGHT COLUMN ILLUSTRATES THE DIFFERENCE BETWEEN THE PERCENT OF ORGANIZATIONS BROADLY WHO OFFER A BENEFIT VERSUS PUBLIC SECTOR OFFERINGS. A NEGATIVE NUMBER INDICATES THAT THE PUBLIC SECTOR OFFERS THIS BENEFIT AT A GREATER RATE THAN ALL OTHER SECTORS COMBINED.

Key Findings

When considering the data from SHRM and WorldatWork, the Team developed several conclusions that should be considered best practices for local government.

First, it is critical for Town Management to define HR's role in the organization. HR's role needs to be explicitly defined as it relates to recruitment, retention, and organizational morale and engagement. Within those definitions, there needs to be clarity around:

- What role does HR have when it comes to recruitment? Is HR solely charged with recruiting and retaining employees or are those responsibilities shared with department leaders and supervisors throughout the organization and
- What role does HR play in terms of retaining employees? Or ensuring diverse applicant pools?

If these tasks are HR's responsibility, then there needs to be appropriate support and resources to ensure they can achieve their objectives. If these responsibilities are shared amongst departments, then time needs to be taken to document roles and responsibilities, and then provide appropriate training to hiring managers to ensure they can meet the expectations of the organization.

Second, the trend in compensation is to focus on market-based adjustments as opposed to cost-of-living-adjustments. Historically, the public sector has used other public sector employers as the basis for their market studies. As wages increase in the private sector, however, the public sector may need to amend compensation philosophies to include benchmarking against private sector employees, especially in hard to fill positions. Additionally, incentive pay to encourage continuing education, longevity, and rewarding high-performers should be considered in compensation strategies. Compensation tools can include bonus pay (which avoid compounding salaries); accelerated step programs (which reward longevity but are front-loaded); weekend or shift differential pay; accelerated pay increases for high performers; and referral, sign-on, or retention bonuses to encourage employees to participate in recruitment efforts.

Third, workplace flexibility appears to be a trend that will continue. Employers need to be open to more remote work and possibly even dedicated remote positions, especially for hard to fill positions. For jobs that cannot be done remotely, flexible schedules should be discussed.

Fourth, new benefit offerings should be considered. Specifically, the following benefits are increasingly becoming standard:

- Shifting to a paid time off (PTO) bank versus accruing separate sick and vacation leave,
- Short-term disability insurance,
- Unpaid, job-protected time off to care for or bond with new child (beyond what's required by state and federal laws),
- Dependent care spending program,
- Identify theft insurance,
- Personal financial planning services tied to the retirement program,
- Pet insurance, and
- Paid civic duty.

Finally, a focus on specifically recruiting from more diverse or underrepresented talent pools will help address concerns related to recruitment and retention, as well as dovetail with implementing or expanding DEI initiatives. Per SHRM, both efforts are interrelated and successes in one, drive success in the other.

Employee Focus Groups

L-ICMA conducted on-site stakeholder retention and recruitment interviews on March 28 and 29, 2022. Ten (10) employee interviews were held over the two (2) days and represented Town employees with varying tenure and responsibility within the organization. These interviews were conducted as facilitated focus group discussions with approximately 5- 10 participants in each group. Targeted employment demographics included:

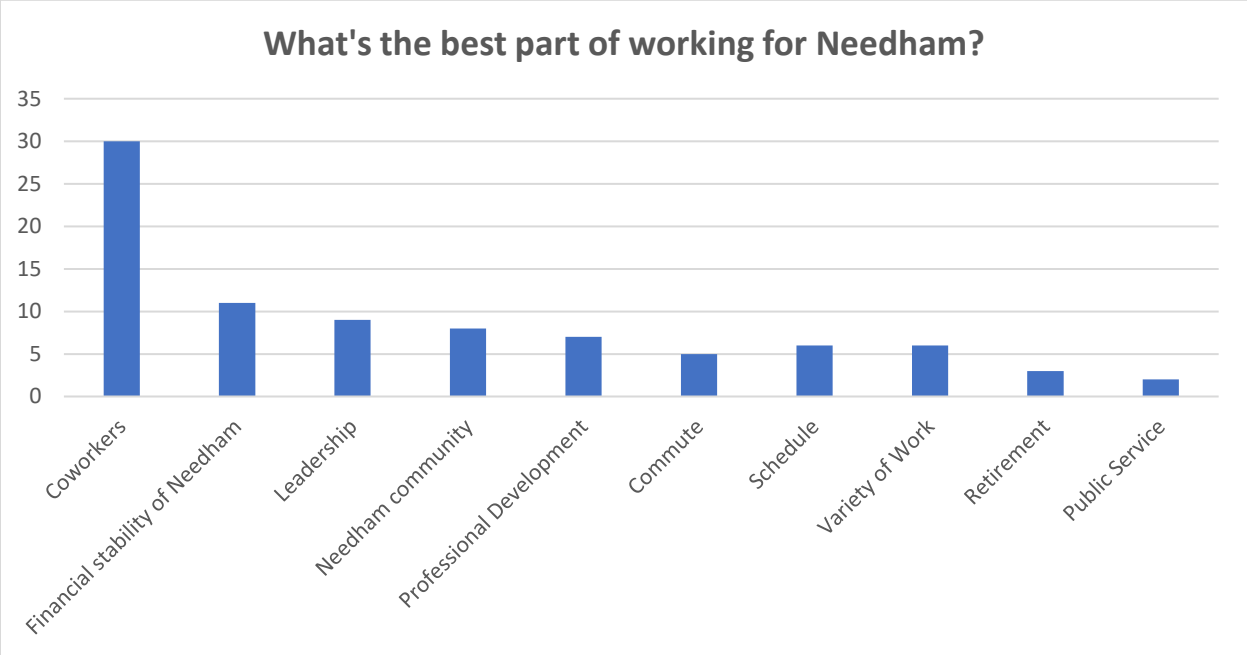

- 10 or more years tenure in Needham
- 4 to 9 years tenure in Needham
- 3 or fewer years tenure in Needham (two groups interviewed)
- 6 months or less tenure in Needham (three groups interviewed)
- Managers and Supervisors
- Hard to recruit positions
- Public Safety

L-ICMA also visited various Town facilities and spoke with staff at Town Hall, the Recycling and Transfer Station, the Department of Public Works, and the Fire Station.

The focus group participants were asked to share their thoughts about Needham as a community and organization in which to work.

The responses and information received during the interviews were used to help better understand what attracts employees to apply to work for the Town of Needham, what makes employees stay, and what can be done to attract others to Needham. (Responses by facilitation group included in the appendices).

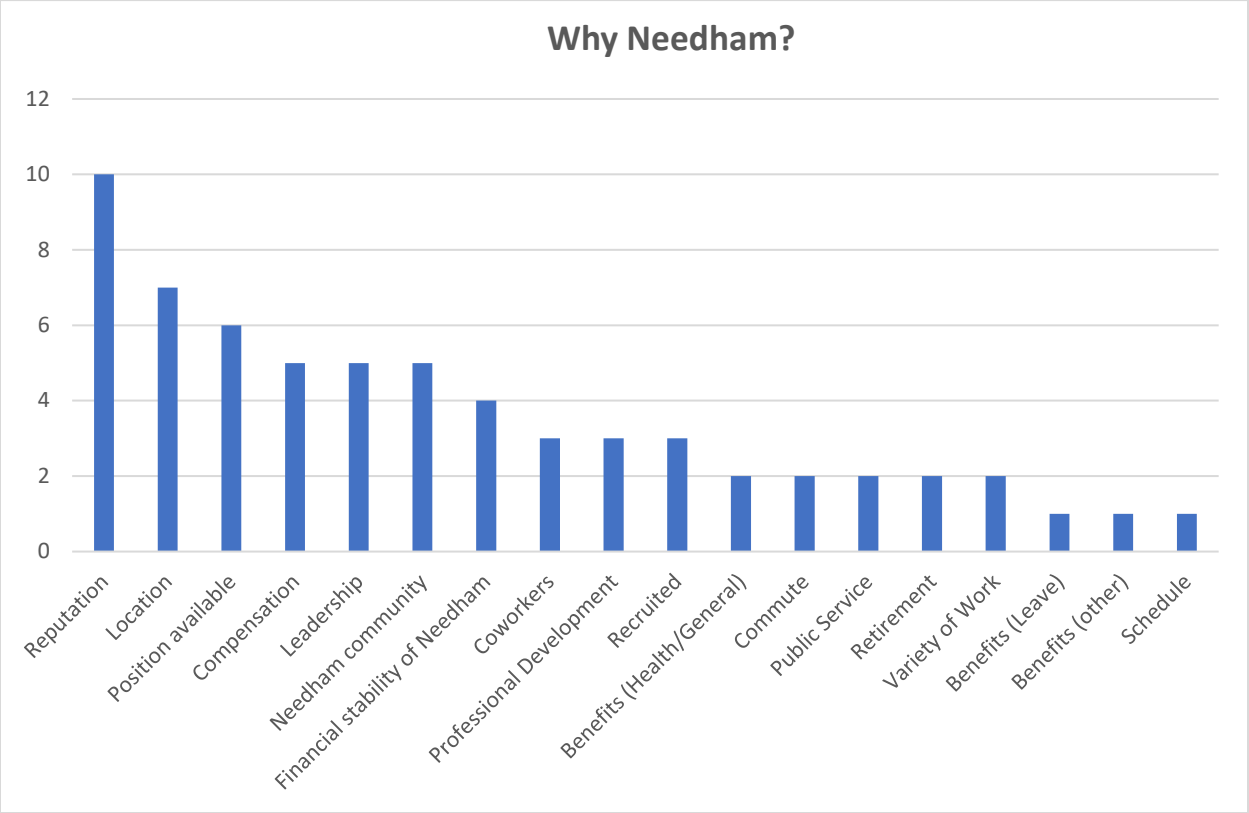

Interviews were organized onto three (3) distinct discussions focusing on compensation, employee benefits, organizational culture, and diversity. The same discussion format and guided questions were used for all focus groups regardless of tenure or responsibility within the organization. To begin the interviews, participants were asked to write down what they believed was the best part of working for Needham. These responses were displayed and discussed by the group. The 92 recorded responses were categorized into ten (10) groups. 30 respondents indicated that their coworkers were the best part of working for Needham.

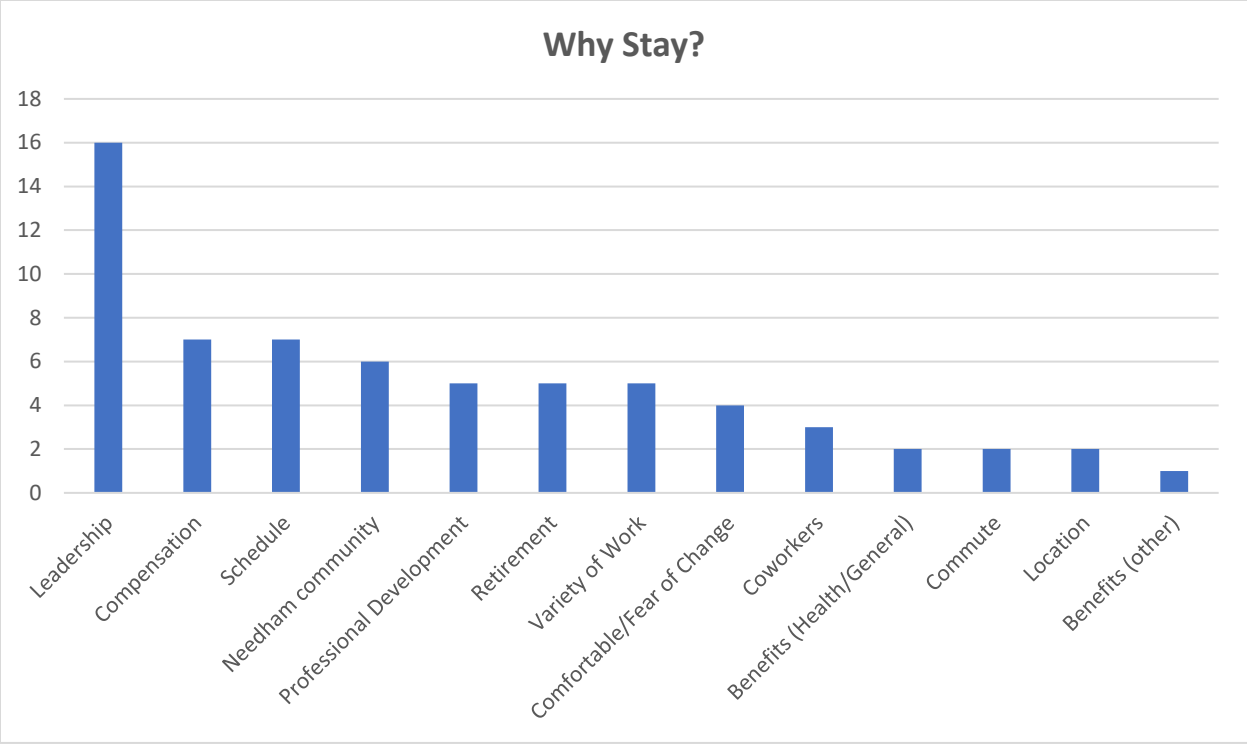

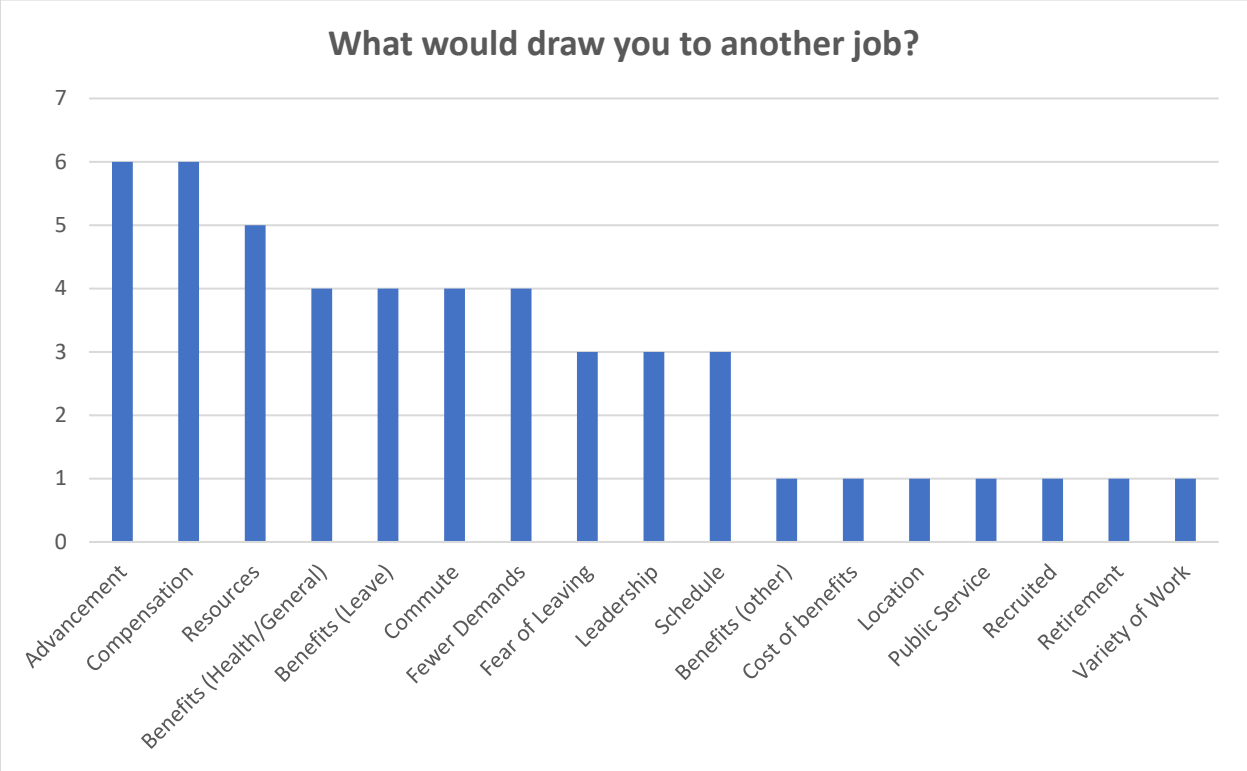

Organizational Culture

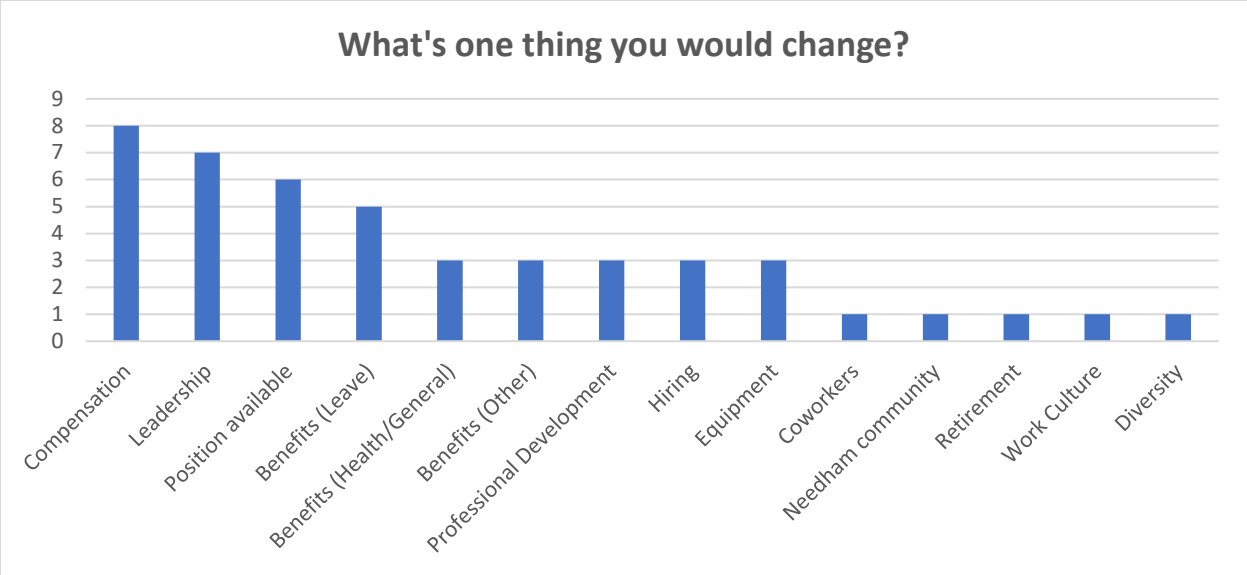

The group was then encouraged to discuss organizational culture with the following facilitated discussion questions:

- Why did you look at Needham for employment?
- Why have you stayed in Needham?
- What would draw you to another job?
- What is one thing you would change if you could?

- Are there benefits that could be better, if so, how?
- Are there benefits you do not use/care for?
- Are there benefits that interest you that are not provided?

Diversity:

As requested, diversity awareness discussion questions were included with a goal of determining how well participants understood what diversity is and how well they believed that the Town of Needham was doing at meeting its goal of building a more diverse workforce.

- What do you think of when you hear the word diversity?
- What are examples of ways Needham currently promotes diversity in its workforce?
- What are additional ways Needham could promote diversity in its workforce?

Key Findings

Key Finding #1: Needham employees enjoy the work, the work culture, and the leadership. Participants were positive about the environment and opportunities in Needham. A very common response to the best part about working for Needham was the people with which they work. Additionally, L-ICMA heard numerous unsolicited comments related to the professionalism of and the support from Town Management.

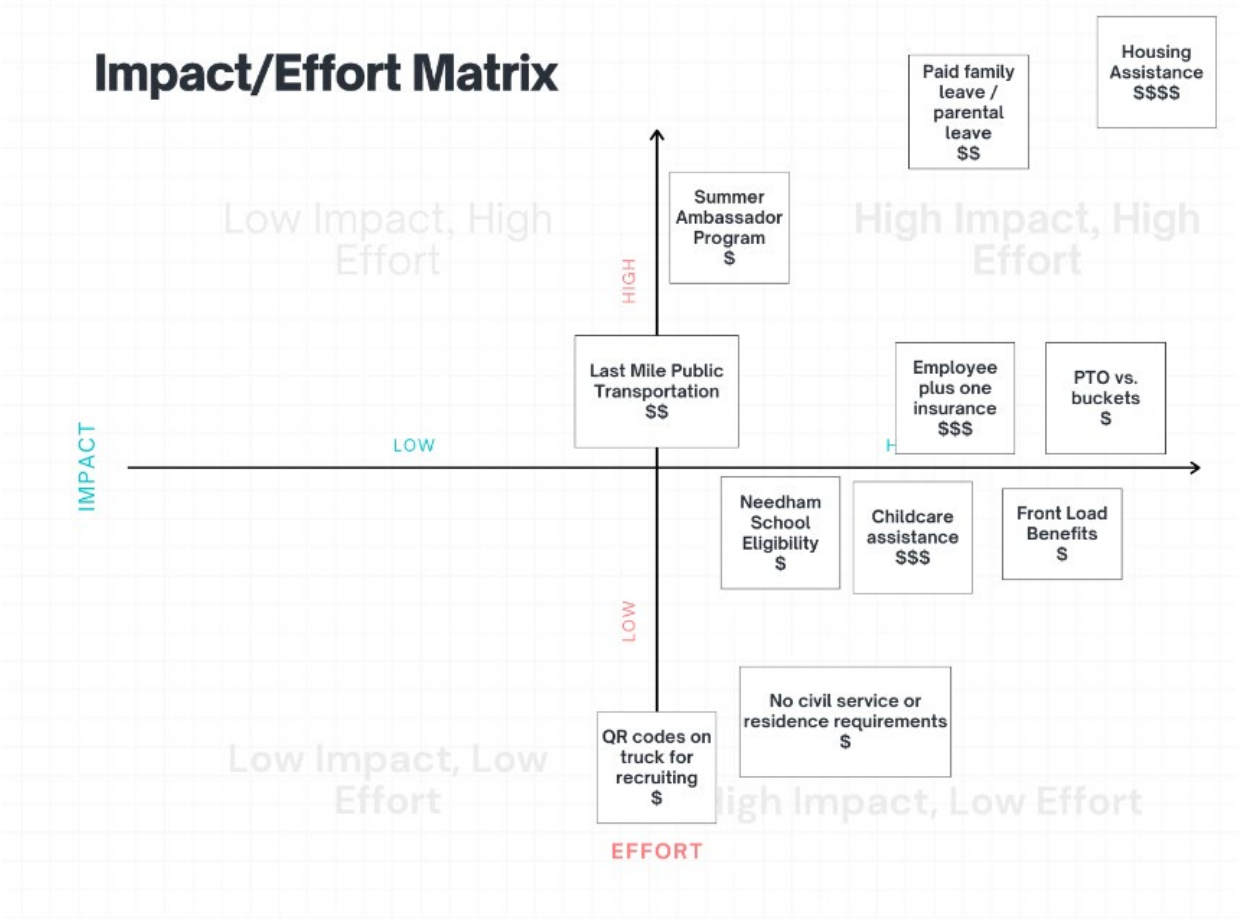

Key Finding #2: While an initial concern for Town leadership, length of commute did not appear to be a concern for those residing outside of Needham. In fact, while very few participants live in Needham, the majority of participants stated the short commute time to Needham as a benefit.

Key Finding #3: Several small, but impactful changes could be made to both attract and retain existing employees. Demonstrating care of the employees as individuals and supporting their whole self while they work for the Town of Needham will set Needham apart from the competition and make it an employer of choice. From the hours of interviews and in-depth discussions, L-ICMA developed a list of specific and actionable recommendations from the participants:

- **Needham school eligibility** for all Needham employees. The Town of Needham has excellent schools that could serve to attract top talent and retain existing employees.
- **Last mile public transportation.** The Town of Needham has direct and convenient access to public transportation that expands its potential talent pool. Several participants expressed concern that once in Needham, only Town Hall was in proximity to the transit stop. Ride share, bike share, or other easy to access transportation to other Town facilities could remedy this concern.
- **Summer ambassador program.** A paid intern program offering a pipeline of potential talent to serve the Town of Needham in the future. A mixed cohort of interns from across Town operations could cross-train together, support each other, and meet to discuss innovative Town operation ideas and emerging leadership skills.
- **No civil service or residence requirements.** Due to the high cost of housing and existing demographics in the Town of Needham, any civil service or residency requirements will greatly limit the potential talent pool and reduce the diversity of the workforce.
- **Employee plus one insurance.** This recommendation was stated many times throughout the discussions with interest from members of households that either do not yet have children or whose children have left the home.
- **Housing assistance.** Citing the high cost of housing and transportation in Needham and the greater Boston area, participants felt that the only way for employees to live in Needham and therefore reduce transportation costs is to either offer housing assistance or for “town housing” (akin to “company housing” of the past) to be developed in Needham.
- **Paid family leave / parental leave.** This additional benefit was recommended a number of times in support of employees with young families or those with aging parents needing care.
- **Childcare assistance.** Childcare costs are high in and around Needham. The ability to have a child close to a parent at work was mentioned as an important benefit by parents with small children. It

can also be a benefit to the employer since closing times of faraway childcare facilities may mean employees need to leave work earlier. Childcare assistance could be in the form of additional compensation or through an employer sponsored childcare facility.

- **QR codes on trucks for recruiting.** This recommendation came from one of the participants and is a creative and low-cost way to advertise jobs on the very vehicle or equipment that prospective employees may operate!
- **PTO instead of buckets.** Shifting to a Personal Time Off (PTO) bank in lieu of distinct buckets for vacation time, sick time, etc. can offer additional flexibility for staff and allow the employee to step away from work without identifying the need for the time off. In addition, it may reduce stigma surrounding mental health and provide more privacy for those living with chronic illness.
- **Front-loaded benefits.** This additional benefit may help attract top talent that is currently happily employed elsewhere. Changing jobs is a huge decision once established in a successful career. To make a move to the Town of Needham more attractive, a front-loaded bank of PTO should be offered. Introductory or probationary periods that restrict the use of vacation time are quickly becoming a thing of the past as employers show their staff appreciation and trust by providing this benefit as soon as employment begins.

Recommendations

The site visit, as well as the focus groups and employee surveys, helped the team determine if the Town of Needham has the components to meet standards of being an employer ideally situated to recruit and retain top talent among its workforce compared with our research of current trends within the public and private sectors. These recommendations are made to guide the Town of Needham to more comprehensively address the wants and needs of their employees as well as position them to attract new ones.

The findings from both the benchmarking and employee focus groups helped the L-ICMA Team develop four (4) general recommendations.

1. **Define the mission and role of the Town of Needham's Human Resources Department** to position the department to be more strategic. Shifting from an administrative department to a strategic department will require better employee on-boarding and on-going communication, as well as organizational development, training, and recognition programs to ensure employees understand and appreciate the programmatic offerings of the HR department and what individual departments are responsible for within those offerings.
2. **Study new benefit offerings** to include adopting a paid time off (PTO) bank and implementing a short-term disability insurance program, paid paternity leave, and dependent care subsidies.
3. **Adjust the Town's compensation philosophy to be more incentive-based** to encourage continuing education, longevity, high-performance, and employees participating in recruitment.
4. **Explore options to adjust recruitment strategies**, such as encouraging and advertising workplace flexibly; targeted recruitments for veterans, historically underserved communities, community and technical colleges, and high schoolers; and developing a more robust internship or summer ambassador program. Hiring supervisors need to understand the process and what can be offered to potential employees. Training to help hiring managers think through equity issues when negotiating pay and paid time off will also help address concerns highlighted in the focus groups.

In advance of these efforts, it is advisable for the Town to reinitiate its employee engagement survey to confirm findings from the literature review and focus groups. Before too much time and resources are expended, it will be helpful to benchmark what benefits a broad segment of the organization believes to be valuable.

The other benefits for the Town to consider were brought up repeatedly in focus group discussions. A more robust description of these options is discussed below. Ten (10) or more focus group items appeared to be recurring:

1. **Needham Public Schools** – allowing employee's children to attend Needham Public Schools;
2. Addressing **last mile transit issues** – Needham is close to metro stops, but many Town buildings are not within walking distance of those stops;
3. **Residency requirements** – Some positions have residency requirements, but few employees can afford to live in Needham;
4. Offering health insurance that covers an **employee plus a spouse**, in addition to employee plus family coverage;
5. Providing **housing assistance;**
6. Providing **paid family or parental leave;**
7. Providing **childcare assistance;**
8. Transitioning vacation and sick leave accruals to a general **paid time off (PTO) bank;**
9. Front-loading **paid time off upon hiring and**
10. Reviving the **summer ambassador and internship programs**, placing **recruitment QR codes** on Town vehicles, and considering the use of recruitment firms for hard to fill positions.

A summer ambassador program will allow interested high school and/or college students to intern or work for the Town to gain experience and create a pipeline of prospective employees. Convening a cohort of interns each summer allows them to have periodic meetings to discuss leadership and public service with mentors and peers and will further the efforts to cultivate a generation of future public servants.

Additionally, the HR Department currently functions in a support capacity and the entire organization and community could benefit from them being a more strategic business partner. The current HR Team is excellent; however, it is difficult to focus on the bigger picture and being more proactive without having the necessary staff and resources to accomplish this vision. The recommendation is to conduct a study to more accurately identify the needs that are essential to allowing the HR Team to focus on more targeted recruitment, creating an environment that focuses on the entire lifecycle of an employee from onboarding to offboarding. Managers within the organization play an integral role as well as they must own and foster a positive and productive organizational culture. The current Town Manager and her team are very supportive of their employees.

Recruitment efforts should focus on diversity, equity and inclusion and recruiting firms should be utilized for specific positions, such as executives and hard to fill. Recruitment firms can assist by being a conduit to bring talent into the selection process who may not otherwise apply.

There also needs to be a comprehensive onboarding process so employees who come into the organization feel invested in the organization. Organizational culture and having shared core values and organizational vision are extremely important. People leave an organization if the proper culture is not fostered. Culture involves training and developing the individual employee to meet his or her full potential, implementing employee recognition programs on a regular basis, providing for career progression and professional development, even doing proper exit interviews to understand why the employee is leaving and how the Town of Needham can improve in areas identified. Managers should have scheduled check-ins with their employees to ensure that there is regular communication and a clear understanding about how things are going from both the employee's and manager's perspectives to keep employees and management working toward common and shared goals.

Specific to employee benefits, employees cited the attractiveness of being able to have their children attend Needham schools as an incentive. There is also interest in creating a personal time off (PTO) structure rather than having separate sick and vacation leave banks. PTO will allow for more flexibility as well as not have the employee have to identify why here she is taking time off. In addition, it maintains privacy and is free from labeling or judgment.

With younger people entering the workforce, paid family or parental leave is an important incentive to attract them as potential candidates. Childcare assistance is also important to allow employees to achieve a better work-life balance and know that their employer acknowledges the high cost of childcare. In addition, a lot of employees do not work and live in the same town, so having childcare available in the town in which they work is more ideal. In order to entice employees who may not otherwise be looking for starting a new position when they are established with other organizations, it will be more attractive to frontload PTO banks upon hire rather than to have the employee wait six months during an introductory period to be able to request time off if needed.

Incentive pay is an attractive option to encourage employees to grow and to recognize them for career progression. This can take the form of add pays for licensing; longevity pay to reward employees who stay with the Town of Needham; or pay to recognize high performance.

Other recruiting benefits that can attract potential workforce are having flexible hours, remote work positions and flexible workspace that may not require an employee to be on-site for 100% of their work schedule. There is no one size fits all model so it is important to remember that having a variety of programs that speaks to a broad audience is imperative.

Again, it is necessary to emphasize that overall Town employees seem satisfied and feel supported by their current Town leadership. Although the organization provides comprehensive benefits for their employees, there is still room for improvement. In order to make adjustments to move toward developing well-integrated and comprehensive programs, the ideal components identified in the study will be extremely useful tools for helping develop the Town's programs.

Appendix C confirms the ideal benefits program based on the literature and summarizes components Needham currently has as well as those not currently in place.

Conclusion

It was truly an honor to participate in the L-ICMA effort to assist Needham with their recruitment and retention concerns. The Team enjoyed meeting Kate Fitzpatrick and her team and cannot express enough gratitude for their insight, generosity, and hospitality. It is very meaningful to be able to explore and uncover insights within another organization's operations. Each Team member brings more knowledge and expertise back to their home organizations because of the unique opportunity offered through L-ICMA.

A special thanks is owed to Chuck Murphy-Romboletti for his tireless support of this effort. He fielded countless emails and questions with incredible insight and responsiveness.

Further, every employee the Team interviewed expressed appreciation for the time and effort taken for this important project. Needham is a special organization and the work they do is admirable.

The Team looks forward to hearing about Needham's continued success in the future and will leave a door open for anyone in Needham to visit any time.

SHRM State of the Workplace Study

What were the greatest challenges of the past year? How effective were U.S. organizations in their actions? What struggles are U.S. organizations currently facing and what priorities and plans will lead them in 2022?

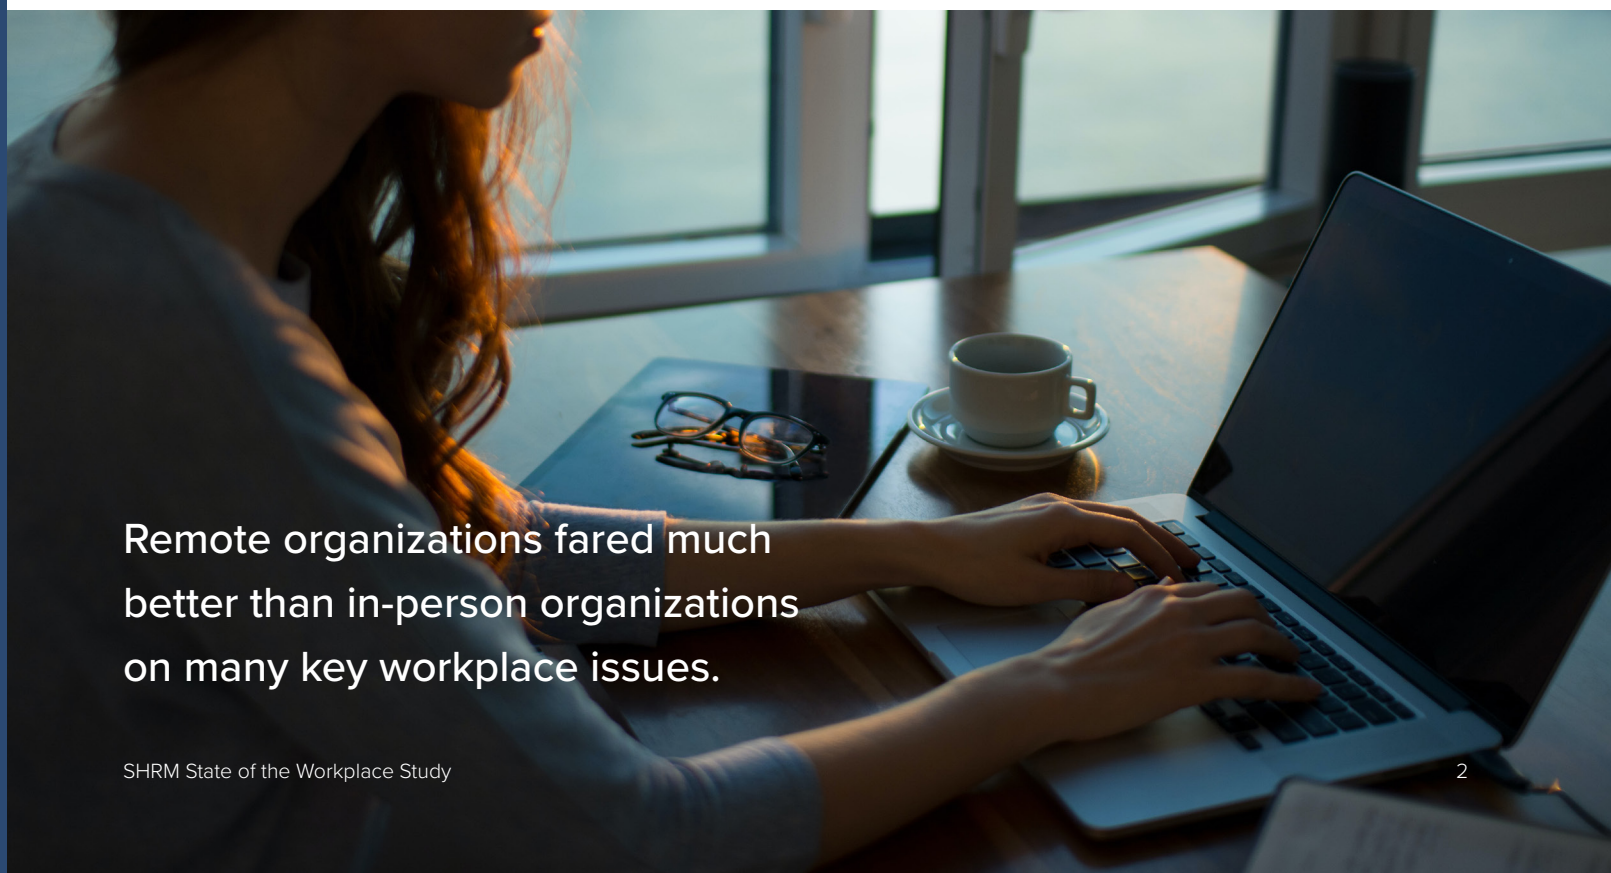

Instead of speculating, the Society for Human Resource Management (SHRM) surveyed two groups (U.S. workers and HR professionals) to get a picture of the State of the Workplace – how it went in 2021 and what to expect in 2022.
When it comes to successes in 2021, organizations were able to effectively manage the various issues associated with the COVID-19 pandemic. On the other hand, talent issues were their greatest struggles, although primarily remote organizations were more effective than in-person organizations when it came to both retaining their current employees and recruiting skilled applicants.

For 2022, HR budgets are growing, and the greatest growth areas are:

- Talent acquisition
- HR employee compensation
- Training and development

Accordingly, the vast majority of organizations are planning to increase headcount and develop their people managers to support their organization's talent needs and to improve their soft skills.

*** indicates reported differences are statistically significant (p < .05)*

Remote organizations fared much better than in-person organizations on many key workplace issues.

Looking Back

Organizations' top challenges reflect the Great Resignation and COVID-19.

With the various challenges organizations faced in 2021, **Labor Shortages, Legal and Compliance**, and **Health and Safety** were the most cited by HR professionals.

2021 ORGANIZATIONAL CHALLENGES

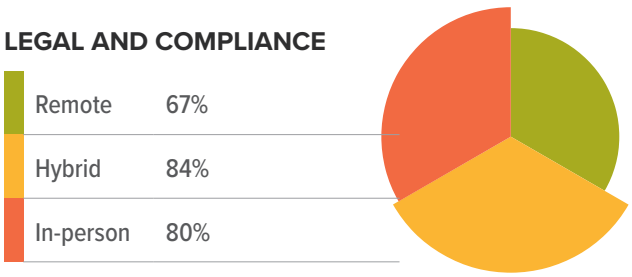

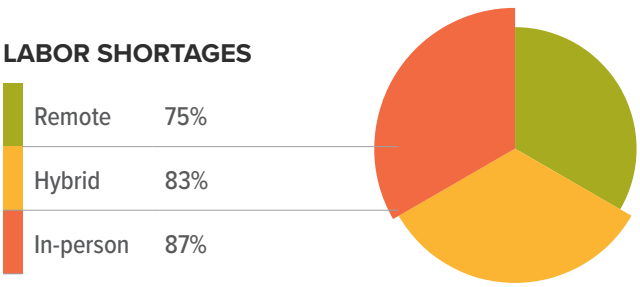

84% of organizations reported labor shortage challenges in the past year.

Results revealed remote organizations fared better than in-person on the top two challenges of labor shortages and legal and compliance concerns.**

LEGAL AND COMPLIANCE

LABOR SHORTAGES

Looking Back

HR professionals and U.S. workers agree organizations' actions in response to COVID-19 were very successful.

Both **HR professionals** and **U.S. workers** rated the effectiveness of 24 different workplace actions from 2021.

The same top three most effective actions were found for both groups. Overall, these top-rated actions suggest **organizations navigated the COVID-19 challenges well** while keeping **workers safe** and with **good health care** coverage.

1

Navigating COVID-19's continued impact on our workforce and safety practices.

2

Providing good (affordable, comprehensive) health care coverage.

3

Adjusting to policy changes from the administration.

Looking Back

Organizations fell short when it came to the twin talent challenges of recruitment and retention.

Although perspectives varied between HR professionals and U.S. workers, actions ranked low in effectiveness show organizations fell short on talent-related actions.

Close to the bottom of lists for both HR professionals and U.S. workers were:

- Finding and recruiting talent with the necessary skills
- Retaining top talent
- Creating succession plans for key roles

Notably, developing more effective people managers was the lowest-rated area for U.S. workers.

On these issues of talent, remote organizations were rated **1.5** to over **2.5** times more effective than in-person.

Looking Back

HR departments received pretty good grades, although they did not receive top marks from U.S. workers.

HR departments earned **passing grades** for effectiveness in 2021, although **U.S. workers gave somewhat lower ratings.**

Overall HR grade from HR professionals

Only 1% HR professionals gave their HR department an F

Overall HR grade from U.S. Workers

6% of U.S. workers gave their HR department an F

HR's grades hinged largely on **talent-related actions** which were the most important drivers of the overall HR grade for both HR professionals and U.S. workers.

The top drivers of HR's grade for HR were focused on communicating with, managing, and retaining current talent.

The top drivers of U.S. worker's grades for HR focused on getting the right talent through the door and keeping them.

Looking Back

HR is getting respect from leaders in their organizations, but departments are often working without enough resources.

The good news is that HR's work is getting noticed as they are garnering respect and attention in the workplace.

83% of HR respondents agreed they were "Relied upon by senior leaders to help navigate new situations or practices."

73% agreed that their HR department was: "Recognized by senior leaders as **crucial** to the business function."

Unfortunately, additional work for HR did not match the resources offered. In particular, larger organizations felt this strain more than smaller or midsize organizations.**

72% of HR professionals indicated that their HR department was working **beyond capacity** and stretched **too thin**.

	WORKING BEYOND CAPACITY	WORKING WITHOUT ENOUGH STAFF
Small (>100 employees)	59%	57%
Medium (100-499 employees)	75%	69%
Large (500+ employees)	82%	75%

Looking Back

Finding and keeping talent remain top issues for HR departments, although remote organizations are better positioned for the future.

When asked about their **greatest challenge to finding talent**, one top reason emerged.

72%

Lack of well-qualified candidates

+15 (76% of in-person organizations reported this challenge v. 61% of remote orgs)**

In addition, two other important challenges were found:

31%

Limited work flexibility (hours, location)

+37 (45% of in-person organizations reported this challenge v. only 8% of remote orgs)**

41%

Uncompetitive compensation

When considering **recent trends** in resignation rates (past 1 to 3 months), many organizations report that more people have been resigning recently, indicating that **organizations are still feeling the effects of the Great Resignation**. In particular, **twice as many large organizations** are reporting more recent resignations when compared to small organizations.

39%

of HR professionals report that their organization is seeing **more recent resignations** in the past 1 to 3 months, while only 10% report fewer resignations.

26%

of small organizations reported climbing resignation rates

53%

of large organizations reported climbing rates**

Looking Back

Recruitment and retention remain top issues for HR departments, with potential payoff for Diversity, Equity and Inclusion.

Is there a potential payoff for the twin talent challenges when it comes to diversity, equity and inclusion (DE&I)? Organizations that were effective at **achieving greater workplace DE&I** during the last year also fared better with the challenges of recruitment and retention.

Organizations with ineffective DE&I initiatives were 32% more likely to have **climbing recent resignation** rates than organizations with highly effective DE&I.

-11 (34% highly effective 2021 DE&I v. 45% low effective)**

While the lack of well-qualified candidates was problematic for all organizations regardless of DE&I effectiveness in 2021, effective DE&I organizations seemed to face **fewer recruitment challenges** than ineffective DE&I organizations.

Limited to no flexibility in work (e.g., hours, remote work).
-17 (22% highly effective 2021 DE&I v. 39% low effective)**

Undesirable organizational culture/work environment.
-15 (5% highly effective 2021 DE&I v. 20% low effective)**

No career advancement opportunities to offer candidates.
-13 (15% highly effective 2021 DE&I v. 28% low effective)**

Looking Ahead

Organizations continue to prioritize twin talent challenges and their pandemic response.

HR professionals report that organizations are prioritizing efforts in 2022 to focus on the talent challenges that were problems in 2021.

1

Maintaining employee morale and engagement (**80%** of organizations)

Highest priority for 2022, ranked 19th for effectiveness in 2021

2

Retaining top talent (**78%** of organizations)

2nd-highest priority for 2022, ranked 16th for effectiveness in 2021

3

Finding and recruiting talent with the necessary skills (**68%** of organizations)

3rd-highest priority for 2022, ranked 21st for effectiveness in 2021

4

Navigating COVID 19's continued impact on our workforce and safety practices (**62%** of organizations)

4th-highest priority for 2022, ranked 1st for effectiveness in 2021

Although most HR professionals reported their organizations effectively addressed the impact of COVID-19 in 2021, navigating the pandemic remains a priority for the immediate future.

Medium and large organizations placed a higher priority on COVID-19 for 2022 than small organizations. With more employees, these organizations likely face more concerns while also having to navigate these concerns among larger systems and structures. These large organizations often have to comply with more legislation, such as court rulings on mask and vaccine mandates.

Navigating COVID-19's continued impact on our workforce and safety practices **+13** (68% for large organizations v. 55% for small orgs)**

Looking Ahead

While remote organizations are prioritizing DE&I, in-person organizations are focused on reducing costs and improving efficiency.

In previous years, DE&I initiatives were mostly geared toward in-person work environments. Fully remote offices may be contending with identifying which of these initiatives can be implemented virtually, what new DE&I concerns are arising (for example, who is "out of mind" when they are "out of sight"?), and how to foster a culture that promotes DE&I in a virtual environment.

There's no question that eliminating brick-and-mortar facilities can be a major cost saver for some organizations. Additionally, without the need to spend time commuting to the office, there is some evidence that people who work remotely can increase their productivity. Taken together, it seems likely that in-person organizations may have to contend with these issues more so in 2022.

HR professionals predict **limited resources** and **resistance to change** as greatest barriers for achieving priorities.

When it comes to achieving 2022 priorities, HR has what it takes in terms of training, technology, and action plans. However, key barriers involve the support of those in positions of power. In other words, HR will need buy-in from those who have say in resource allocation and are in positions of influence for interrupting the status quo.

Uncertainty regarding the best actions to take	11%
HR department support/buy-in	6%

Compared to smaller organizations, larger organizations are more likely to view **organizational norms** as a barrier.

- Current organizational cultural norms. **+12** (45% for large organizations v. 33% for small organizations)**

Larger organizations often need formal systems and structures to coordinate their efforts. These systems and structures may also serve to foster and reinforce cultural norms that limit adaptation to changes, like a rigid chain of command.

Compared to in-person organizations, fewer remote organizations view resistance to change as a barrier.

- Employee resistance to change. **-16** (29% for remote organizations v. 45% for in-person organizations)**

This difference presents the question: Are employees in remote organizations more open to change because they have already adopted a virtual work environment? Even if employees didn't start as a remote employee, having a remote workplace may lead to an increase in capability to handle future changes.

Looking Ahead

HR shows promise as a growing field as it gains resources and sharpens its focus.

For a number of HR professionals, the answer is promising as 34% are planning for an increase in HR headcount and 47% expect an increased HR budget.

Anticipated 2022 HR metrics

34%↑ | 4%↓
HR Headcount

47%↑ | 6%↓
HR Budgets

Of those reporting an increased budget, two-thirds indicated a planned increase of greater than 4% over 2021.

**This is based on the 40% of the sample that knew their 2022 budget.*

Specific HR areas with most planned budget increases:

- Talent Acquisition: 45% increased budget for 2022
- HR Employee Compensation: 38% increased budget for 2022
- Employee Training and Development: 35% increased budget for 2022

For DE&I efforts, fewer report a budget increase, but there were important differences by organization size:

- 16% of small organizations report an increase in this area, but 31% of large organizations report an increase**

Looking Ahead

Organizations plan to increase employees – and many plan to bring them back to the office.

2022 PLANS FOR ORGANIZATIONS

LABOR	Increase your employee headcount	78%
	Bring more of your workforce back to in-person work	48%
	Transition more of your workforce to full-time remote work	13%
	Increase the number of contingent or gig economy workers you hire	13%
LEADERSHIP	Train people managers on their roles in supporting your organization's talent management strategy	81%
	Improve soft skills (e.g., empathy, compassion, communication) of people managers to better meet the expectations of the current workforce	77%
DE&I	Specifically recruit from more diverse and/or underutilized talent pools	63%
	Implement a new DE&I initiative or expand on existing one	59%
	Improve flexibility and leave policies to better fit the needs of current workforce (including those with dependent care responsibilities)	52%
	Offer increased mental health benefits or coverage to employees	42%
	Conduct a voluntary pay audit to proactively assess for any gender-related disparities in compensation	38%
	Allocate more resources to addressing racial injustice in the workplace	31%
	Conduct a voluntary assessment of intersectional-related disparities	30%
	Implement corporate social justice initiatives	27%

HR professionals were asked about their organization's plans for 2022 in three key areas: labor, leadership, and DE&I.

LABOR: While most participants report their organization plans to increase employee headcount, many are also planning to bring more people back to the office. Will those plans end up competing as the general trends show remote organizations fare better with retention and recruitment?

Compared to smaller organizations, larger organizations also had greater endorsement for plans to take away remote work. Bring more of your workforce back to in-person work. +23 (61% for large organizations v. 38% for small organizations)

Organizations also plan to develop leaders to meet the talent management needs and employee concerns of today.

LEADERSHIP: Entering the 3rd year of the pandemic, we're now living in somewhat precedented times and have seen leaders' impact on the success organizations.* Planning to invest in leadership skills – specifically interpersonal skills – and leaders' ability to execute talent management strategies is likely a beneficial plan to support, motivate, and ultimately retain workers.

Meanwhile, DE&I initiatives take a back seat for organizational plans.

DE&I: While some initiatives that support DE&I are planned for 2022, many activities that go beyond typical requirements – yet are still important – may be ignored or unaddressed for the majority of organizations in this upcoming year.

Looking Ahead

When it comes to DE&I, organizations with highly effective DE&I achievements from last year were more likely to have plans to keep up the momentum in 2022. These plans include:

Implement corporate social justice initiatives

+28

49% of highly effective orgs in 2021 DE&I v. 21% of low effective orgs

Allocate more resources to addressing racial injustice in the workplace

+19

43% of highly effective orgs in 2021 DE&I v. 24% of low effective orgs

Conduct a voluntary assessment of intersectional-related disparities in employment practices

+19

42% of highly effective orgs in 2021 DE&I v. 23% of low effective orgs

Offer increased mental health benefits or coverage to employees

+16

40% of highly effective orgs in 2021 DE&I v. 24% of low effective orgs

Specifically recruit from more diverse and/or underutilized talent pools

+13

38% of highly effective orgs in 2021 DE&I v. 25% of low effective orgs

Unfortunately, very few of the organizations that were ineffective in addressing DE&I issues last year have plans for improving their DE&I in 2022.

Compared to smaller organizations, larger organizations have more plans for improving DE&I in 2022.

Specifically recruit from more diverse and/or underutilized talent pools

+31

80% of large orgs v. 49% of small orgs

Implement a new DE&I initiative or expand on existing one

+27

74% of large orgs v. 47% of small orgs

Remote organizations also have more plans addressing DE&I when compared to in-person organizations.

Implement a new DE&I initiative or expand on existing one

+21

64% of remote orgs v. 43% of in-person orgs

Allocate more resources to addressing racial injustice in the workplace

+17

37% of remote orgs v. 20% of in-person orgs

Looking Ahead

To remain competitive, HR professionals foresee increases in employee compensation and benefits, employee development, and internal HR improvements.

When considering actions that their **HR department** could **start** doing to strengthen their competitiveness, several themes emerged from an open-ended question.

19%

Many responses indicated the need to **increase benefits and compensation for current and/or new talent**.

- "Offer more competitive wages to existing and loyal employees, and new talent"
- "Lower Insurance Costs"
- "Better compensation, leave policies, work flexibilities"

10%

Employee **development and training** was another theme that stood out with numerous responses in this theme referencing the need for *leadership* training.

- **"**Upskilling leaders to be more effective (in general) and better leaders of hybrid and remote teams"
- "Continuing to pour into the development of our current management staff on soft skills and managing a changing workforce"
- "Offer more professional development opportunities"

7%

Relatedly, many HR professionals mentioned their need to perform a **compensation analysis** to remain competitive in this area.

- "Research salary ranges in our area to ensure we are making competitive offers to candidates"
- "Perform a compensation analysis and adjust salaries accordingly"

9%

HR department improvements, often in the areas of additional HR personnel and process improvements, were noted.

- "Grow the size of the HR team"
- "More standardized policies and procedures"

OUR METHODOLOGY

WorldatWork invited its broader membership and customer base to participate in an electronic survey on workplace total rewards programs and practices.

Pages throughout the report display respondents' answers to the question "Is the following program offered at your organization to some or all employees?"

A total of 1,008 responses were received, representing U.S. organizations of different sizes and across multiple industries. Email invitations were sent directly to participants on 10/25/2021 and results were collected over a 14-day period. Sample sizes vary by question. Respondents that indicated they weren't sure if a program was offered were removed from individual question sample sizes.

Participants included:

- Total rewards practitioners
- Nonconsultant/nonacademic practitioners
- Consultants who are participating on behalf of a client

DEFINITIONS

Alternative worksites: These worksites are shared, remote workspaces outside of company locations, established specifically for teleworkers.

Annualized hours: Part-time or full-time employees' number of hours worked are calculated on an annual basis as opposed to weekly, enabling flexibility in scheduling blocks of time off, such as summer months.

Career on- and off-ramps: Employees can move in and out of your employment over their career life cycle.

Charitable fundraising programs (e.g., United Way drive): Employee-driven giving programs that may be administered within or by an organization and may include matching in-kind gifts.

Company car: Employees can use a fleet or individually assigned vehicle.

Company foundations: A separate legal entity, affiliated with the company and established to manage and grow charitable giving on behalf of the company, in a way that is consistent with business interests.

Compressed workweek: Full-time options enable employees to work longer days for part of a week or pay period in exchange for shorter days or a day off during that week or pay period.

Digital nomad arrangements: Digital nomads are people who are location-independent and use technology to perform their jobs. They typically spend several months abroad each year, are constantly on the move, and earn income while working online.

Externships: Experiential learning opportunities or job shadowing experiences, similar to internships but typically shorter and often in partnership with academic/educational institutions.

Flex time: Employees can adjust workday start and end times.

Flexible spending accounts (FSAs): A type of savings account available in the United States that provides the account holder with specific tax advantages. Set up by an employer for an employee, the account allows employees to contribute a portion of their regular earnings to pay for qualified expenses, such as medical expenses or dependent-care expenses.

Health advocacy program: A health advocate is a third-party administrator that helps employees and their families navigate and facilitate medical and administrative issues in the health-care system.

Health reimbursement accounts (HRAs): Health-care plans paid for by an employer to reimburse the medical expenses of its employees, their spouses and their dependents.

Health savings accounts (HSAs): Allow employers and/or employees to contribute to a tax-deferred personal savings account that is used to pay smaller and routine medical expenses. HSAs must be linked to a high-deductible health insurance policy.

In-kind donations: Organizations donate items to select charities (excludes donations of time and money).

Job sharing: A full-time position is shared by two people, each working part-time hours.

Outcomes-based wellness program: This program requires the achievement of a measurable goal, such as achieving a certain body mass index.

Paid caregiver leave: Paid caregiver leave allows employees to care for a dependent. The dependent does not need to be a new child.

Paid parental leave: Paid parental leave is dedicated paid leave that allows employees to bond with or care for a new child. The employee does not need to use PTO, vacation, sick time, disability and so on while using paid parental leave.

Participatory wellness program: This program requires participation in an activity or program, such as a walking contest or nutrition seminar.

Personal leave: When offered under a traditional leave system, personal days usually are made available for employees to take care of personal business, family matters, and so on.

Phased retirement: The term may describe a broad range of employment arrangements, formal and informal, that allow an employee approaching retirement to transition from full-time work to full-time retirement, usually by a reduced workload. Phased retirement takes many forms, including part-time, seasonal or temporary work or an extended leave of absence.

Results-based work environment: This approach allows work to happen anywhere, anytime, in the way that works best for the employee but also achieves desired business results.

Shift flexibility: Shift workers can trade shifts with each other as needed and/or trade hours within shifts to accommodate personal and professional responsibilities.

SPIFF: The practice of paying a small, immediate bonus for a sale to a salesperson as a way to encourage them to push one product more often than a non-SPIFF paid product. It's usually paid to the salesperson by the manufacturer whose products are recommended or by their employer.

Telemedicine services: Health-care professionals use telecommunications technology to evaluate, diagnose and treat patients in remote locations.

Wellness gamification (e.g., contests, lotteries, points, quizzes, leaderboards, avatars): Gamification involves use of game-like features in nongame situations to motivate a change in behavior.

Workplace sleep program: An emerging trend that employers are initiating to encourage employees to prioritize rest and sleep as part of personal wellbeing. These programs aim to address the issues that stem from lack of rest including missed days of work, workplace accidents, commuting traffic accidents and increased health-care spending to treat the disorders or related symptoms. As the demands on the global workforce increasingly stretch the boundaries of employee work hours, there is value in providing sleep education and incentives.

Agenda Item	National Community Survey
Presenter(s)	Cyndi Roy Gonzalez, Public Information Officer

1. BRIEF DESCRIPTION OF TOPIC TO BE DISCUSSED

Ms. Roy Gonzalez will present the results of the recently completed Needham Community Survey, including methodology and results. The wide range of responses and the broad-based opinions expressed by the survey participants provide us with a unique perspective about service delivery, highlighting successes, opportunities, and areas that deserve greater attention.

The Town has completed the survey on a biannual basis since 2008 (except for 2020). The primary purpose is to establish a formal, systematic mechanism for evaluating customer satisfaction with Town services, and then using the information to inform organizational, management, and funding decisions. Resident opinion should be a major factor in local government decision making, yet it is often hard to measure. Citizen surveys provide valuable information to help to understand residents' concerns, improve communication, and measure satisfaction with the overall operation of local government. By almost every measure, the level of citizen satisfaction with local government in Needham is quite high.

THE TOWN OF NEEDHAM 2022 COMMUNITY SURVEY

National Research Center

POWERED BY POLCO

ABOUT THE NCS

The National Community Survey™ (The NCS™) report is about the “livability” of Needham. A livable community is a place that is not simply habitable, but that is desirable. It is not only where people do live, but where they want to live. The survey was developed by the experts from National Research Center at Polco

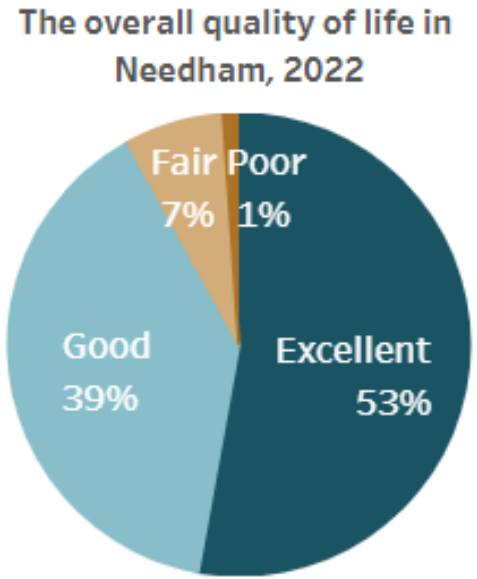

STUDY METHOD

- The report provides the opinions of a representative sample of **630 residents** of the Town of Needham collected from April 11th, 2022, to May 30th, 2022.
- The margin of error is 4% for all respondents.
- Response rate for the 2022 survey was 23%. Survey results were weighted so that the demographic profile of respondents was representative of the demographic profile of adults in Needham.
- 47th time survey has been conducted – last time in 2018, and before that in 2016, 2014, 2012, 2010, and the first time in 2008.
- Benchmark to **600** communities nation-wide
- The survey was also posted online for two weeks at the close of the formal survey. 128 respondents participated. Those responses are not included here but are available for review.

COMMUNITY LIVABILITY

How do residents' priorities and satisfaction with quality of services align?

Services receiving quality ratings of excellent or good by 81% or more of respondents were considered of "higher quality" and those with ratings lower than 81% were considered to be of "lower quality." Services were classified as "more important" if they were rated as essential or very important by 78% or more of respondents. Services were rated as "less important" if they received a rating of less than 78%. This classification uses the median ratings for quality and importance to divide the services in half.

About The NCS™

The National Community Survey™ (The NCS™) report is about the "livability" of Needham. A livable community is a place that is not simply habitable, but that is desirable. It is not only where people do live, but where they want to live. The survey was developed by the experts from National Research Center at Polco.

Great communities are partnerships of the government, private sector, community-based organizations and residents, all geographically connected. The NCS captures residents' opinions considering ten central facets of a community:

- Economy
- Mobility
- Community Design
- Utilities
- Safety
- Natural Environment
- Parks and Recreation
- Health and Wellness
- Education, Arts, and Culture
- Inclusivity and Engagement

The report provides the opinions of a representative sample of 630 residents of the Town of Needham collected from April 11th, 2022 to May 30th, 2022. The margin of error around any reported percentage is 4% for all respondents and the response rate for the 2022 survey was 23%. Survey results were weighted so that the demographic profile of respondents was representative of the demographic profile of adults in Needham.

How the results are reported

For the most part, the percentages presented in the following tabs represent the "percent positive." Most commonly, the percent positive is the combination of the top two most positive response options (i.e., excellent/good, very safe/somewhat safe, etc.). On many of the questions in the survey respondents may answer "don't know." The proportion of respondents giving this reply is shown in the full set of responses included in the tab "Complete data." However, these responses have been removed from the analyses presented in most of the tabs. In other words, the tables and graphs display the responses from respondents who had an opinion about a specific item.

Comparisons to benchmarks

NRC's database of comparative resident opinion is comprised of resident perspectives gathered in surveys from over 600 communities whose residents evaluated the same kinds of topics on The National Community Survey. The comparison evaluations are from the most recent survey completed in each community in the last five years. NRC adds the latest results quickly upon survey completion, keeping the benchmark data fresh and relevant. The communities in the database represent a wide geographic and population range. In each tab, Needham's results are noted as being "higher" than the benchmark, "lower" than the benchmark, or "similar" to the benchmark, meaning that the average rating given by Needham residents is statistically similar to or different (greater or lesser) than the benchmark. Being rated as "higher" or "lower" than the benchmark means that Needham's average rating for a particular item was more than 10 points different than the benchmark. If a rating was "much higher" or "much lower," then Needham's average rating was more than 20 points different when compared to the benchmark.

The survey was administered during the COVID-19 pandemic, a time of challenge for many local governments. While we provide comparisons to national benchmarks, it is important to note that much of the benchmark data was collected prior to the pandemic. This may impact how your Town's 2022 ratings compare to other communities' ratings from the past five years.

Trends over time

Trend data for Needham represent important comparison data and should be examined for improvements or declines*. Deviations from stable trends over time represent opportunities for understanding how local policies, programs, or public information may have affected residents' opinions. Changes between survey years have been noted with an arrow and the percent difference. If the difference is greater than six percentage points between the 2018 and 2022 surveys, the change is statistically significant.

* In 2020, The NCS survey was updated to include new and refreshed items. Consequently, some of the trends may be impacted due to wording modifications that could have potentially altered the meaning of the item for the respondent.

Methods

Selecting survey recipients

All households within the Town of Needham were eligible to participate in the survey. A list of all households within the zip codes serving Needham was purchased from Go-Dog Direct based on updated listings from the United States Postal Service. Since some of the zip codes that serve the Town of Needham households may also serve addresses that lie outside of the community, the exact geographic location of each housing unit was compared to community boundaries using the most current municipal boundary file. Addresses located outside of the Town of Needham boundaries were removed from the list of potential households to survey. Each address identified as being within town boundaries was further identified as being within one of the 10 precincts. From that list, addresses were randomly selected as survey recipients, with multi-family housing units (defined as those with a unit number) sampled at a rate of 5:3 compared to single family housing units.

An individual within each household was selected using the birthday method. The birthday method selects a person within the household by asking the "person whose birthday has most recently passed" to complete the questionnaire. The underlying assumption in this method is that day of birth has no relationship to the way people respond to surveys. This instruction was contained in the introduction of the survey.

Conducting the survey

The 2,800 randomly selected households received mailings beginning on April 11th, 2022 and the survey remained open for 7 weeks. The first mailing was a postcard inviting the household to participate in the survey. The next mailing contained a cover letter with instructions, the survey questionnaire, and a postage-paid return envelope. The cover letter asked those who had not completed the survey to do so and those who had already done so to refrain from completing the survey again. All mailings included a web link to give residents the opportunity to respond to the survey online.

About 3% of the 2,800 mailed invitations or surveys were returned because the household address was vacant or the postal service was unable to deliver the survey as addressed. Of the remaining 2,706 households that received the invitations to participate, 630 completed the survey, providing an overall response rate of 23%. The response rate was calculated using AAPOR's response rate #2* for mailed surveys of unnamed persons.

It is customary to describe the precision of estimates made from surveys by a "level of confidence" and accompanying "confidence interval" (or margin of error). A traditional level of confidence, and the one used here, is 95%. The 95% confidence interval can be any size and quantifies the sampling error or imprecision of the survey results because some residents' opinions are relied on to estimate all residents' opinions. The margin of error for the Town of Needham survey is no greater than plus or minus four percentage points around any given percent reported for all respondents (630 completed surveys).

In addition to the randomly selected "probability sample" of households, a link to an online open participation survey was publicized by the Town of Needham. The open participation survey was identical to the probability sample survey with two small updates; it included a map at the beginning asking where the respondent lives and a question about where they heard about the survey. The open participation survey was open to all town residents and became available on May 16th, 2022. The survey remained open for 2 weeks. The data presented in the following tabs exclude the open participation survey data, but a tab at the end provides the complete frequency of responses to questions by the open participation respondents.

Analyzing the data

Responses from mailed surveys were entered into an electronic dataset using a "key and verify" method, where all responses are entered twice and compared to each other. Any discrepancies were resolved in comparison to the original survey form. Range checks as well as other forms of quality control were also performed. Responses from surveys completed on Polco were downloaded and merged with the mailed survey responses.

The demographics of the survey respondents were compared to those found in the 2010 Census and 2019 American Community Survey estimates for adults in the Town of Needham. The primary objective of weighting survey data is to make the survey respondents reflective of the larger population of the community. The characteristics used for weighting were age, sex, race, Hispanic origin, housing type, housing tenure, and area. No adjustments were made for design effects. Weights were calculated using an iterative, multiplicative raking model known as the ANES Weighting Algorithm.* The results of the weighting scheme for the probability sample are presented in the following table.

NRC aligns demographic labels with those used by the U.S. Census for reporting purposes, when possible. Some categories (e.g., age, race/Hispanic origin, housing type, and length of residency) are combined into smaller subgroups.

The survey datasets were analyzed using all or some of a combination of the Statistical Package for the Social Sciences (SPSS), R, Python and Tableau. For the most part, the percentages presented in the reports represent the "percent positive." The percent positive is the combination of the top two most positive response options (i.e., excellent/good, very safe/somewhat safe, essential/very important, etc.), or, in the case of resident behaviors/participation, the percent positive represents the proportion of respondents indicating "yes" or participating in an activity at least once a month.

On many of the questions in the survey respondents may answer "don't know." The proportion of respondents giving this reply is shown in the full set of responses included in the tab "Complete data". However, these responses have been removed from the analyses presented in the reports. In other words, the tables and graphs display the responses from respondents who had an opinion about a specific item.

Highlights

Needham's economy is strong but poses challenges to community affordability.

Results relating to the economy in Needham tended to be positive and stable from the previous survey iteration, which is worth noting due to the economic challenges and impacts felt nationwide from the COVID-19 pandemic. At least 9 in 10 residents gave high marks to the overall economic health of the town. Evaluations of Needham as a place to work remained strong, with favorable ratings from at least 8 in 10 community members. Both of these exceeded ratings given in benchmark comparison communities. A similar proportion was pleased with the community's overall quality of business and service establishments (80%), on par with national averages and a significant increase over Needham's previous survey. About 70% of residents gave positive reviews to the town's economic development and Needham as a place to visit, and more than half approved of the variety of business and service establishments, vibrancy of the downtown/commercial area, and employment opportunities.

While ratings in this facet were largely positive, overall affordability may be a growing concern for residents. Cost of living received slightly less favorable reviews this year (20% excellent or good in 2022, compared to 26% in 2018), which fell below the national averages. Fewer than 2 in 10 participants gave positive marks to availability of affordable quality housing, also lower than the national benchmark. In addition, only 14% of residents anticipated that the economy would have a positive impact on their family income over the next 6 months, a steep decline from 2018 (35%).

Inclusivity is both a strength and opportunity for continued growth in Needham.

When asked about inclusivity in Needham, three-quarters of survey participants gave favorable scores to the quality of residents' connection and engagement with their community, which was higher than the national benchmark. At least 9 in 10 positively reviewed Needham as a place to raise children, while about 8 in 10 gave good marks to the sense of community, sense of civic/community pride, and neighborliness of residents. All of these surpassed national averages. Needham received positive evaluations for making all residents feel welcome (81% excellent or good), valuing/respecting residents from diverse backgrounds (68%), and taking care of vulnerable residents (66%), on par with benchmark comparisons. In a custom question unique to Needham's survey, nearly all respondents somewhat or strongly agreed that their neighborhood is a great place to live, they trust their neighbors, and they like to help their neighbors when they need it.

Also included on the survey were three questions unique to Needham on the topic of community inclusion. About 4 in 10 felt residents very or somewhat familiar with the Town's efforts to make people of all races feel welcome. At least one-third of respondents perceived barriers to living in Needham based on age, and one-quarter felt the same regarding race. Slightly fewer residents identified potential barriers related to disability and national origin, and less than 10% of respondents perceived barriers based on gender, religion, sexual orientation, or gender identity. Additionally, nearly 20% of respondents reported that in the past year, they had worried at least some of the time about another person of their same race, ethnicity, or nationality experiencing unfair treatment because of their race, ethnicity, or color. Fewer than 10% felt the same concerns about themselves or their family members experiencing unfair treatment.

The majority of residents perceive the Town of Needham as a safe place to live.

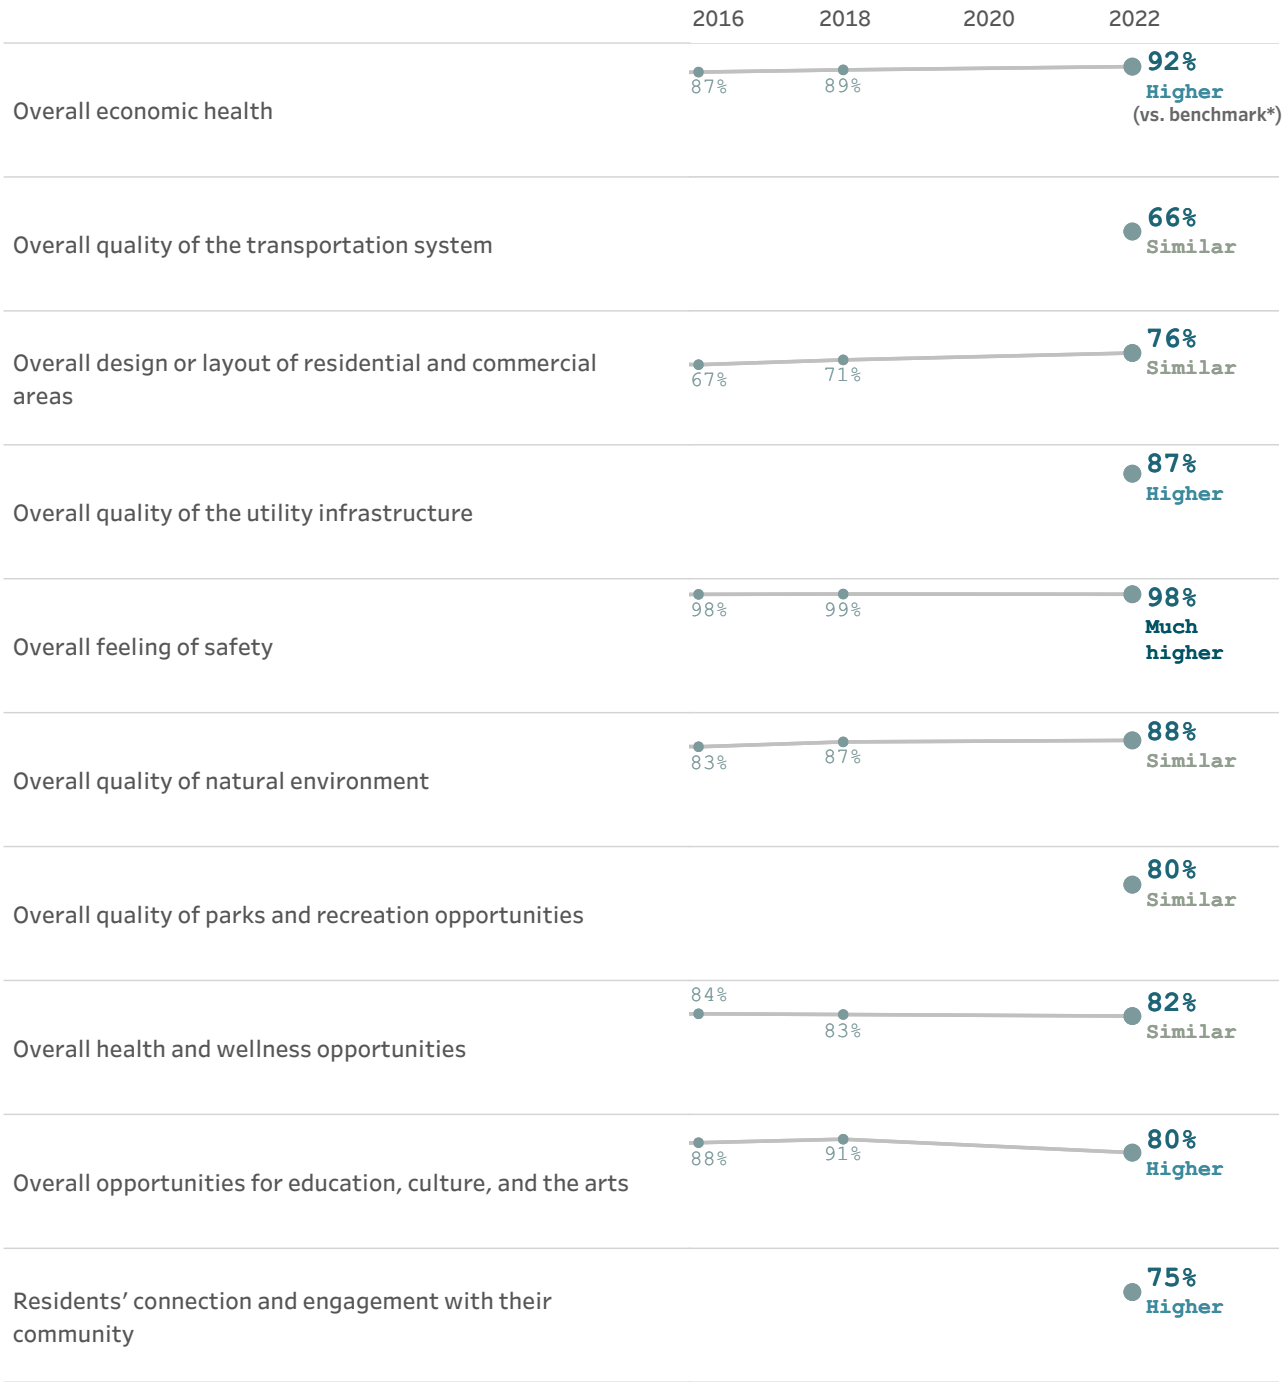

Nearly all respondents (98%) praised the overall feeling of safety in Needham, much higher than in benchmark comparison communities across the country. A similarly high proportion felt safe from property crime (98%) and from violent crime (99%), and residents also gave overwhelmingly positive ratings to the feeling of safety in Needham's downtown/commercial area during the day (99%), all of which were higher than the national average. Many safety services in the Town received favorable reviews from at least 9 in 10 survey participants, including police/sheriff services, crime prevention, fire services, fire prevention and education, and ambulance or emergency medical services. More than three-quarters of residents applauded emergency preparedness and animal control.

Facets of livability

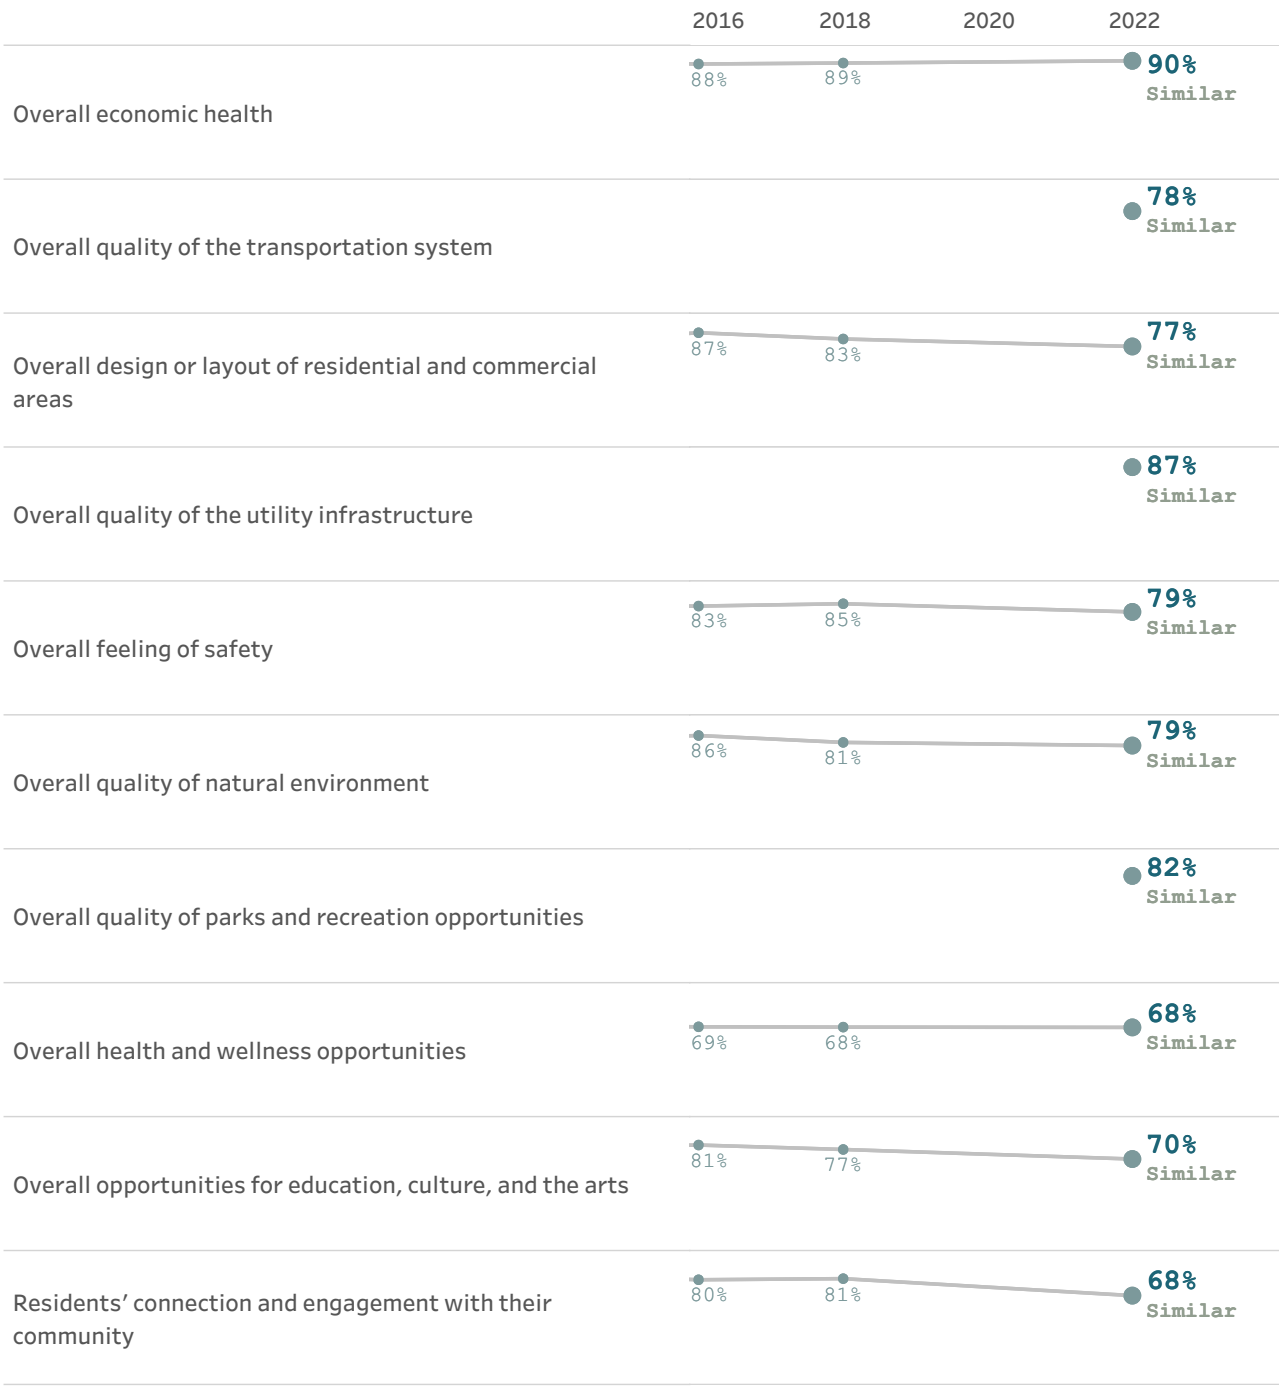

Resident perceptions of quality and importance for each of the facets of community livability provide an overview of community strengths and challenges that are useful for planning, budgeting and performance evaluation.

The charts below show the proportion of residents who rated the community facets positively for quality and the priority (importance) placed on each. Also displayed is whether local ratings were lower, similar, or higher than communities across the country (the national benchmark).

Balancing performance and importance

Every jurisdiction must balance limited resources while meeting resident needs and striving to optimize community livability. To this end, it is helpful to know what aspects of the community are most important to residents and which they perceive as being of higher or lower quality. It is especially helpful to know when a facet of livability is considered of high importance but rated as lower quality, as this should be a top priority to address.

To help guide Town staff and officials with decisions on future resource allocation, resident ratings of the importance of services were compared to their ratings of the quality of these services. To identify the services perceived by residents to have relatively lower quality at the same time as relatively higher importance, all services were ranked from highest perceived quality to lowest perceived quality and from highest perceived importance to lowest perceived importance. Some services were in the top half of both lists (higher quality and higher importance); some were in the top half of one list but the bottom half of the other (higher quality and lower importance or lower quality and higher importance); and some services were in the bottom half of both lists.

Services receiving quality ratings of excellent or good by 81% or more of respondents were considered of "higher quality" and those with ratings lower than 81% were considered to be of "lower quality." Services were classified as "more important" if they were rated as essential or very important by 78% or more of respondents. Services were rated as "less important" if they received a rating of less than 78%. This classification uses the median ratings for quality and importance to divide the services in half.

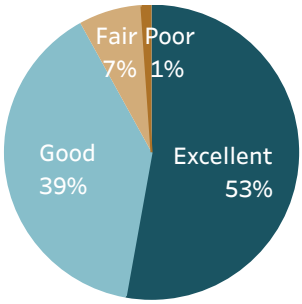

The quadrants in the figure below show which community facets were given higher or lower importance ratings (right-left) and which had higher or lower quality ratings (up-down). Facets of livability falling closer to a diagonal line from the lower left to the upper right are those where performance ratings are more commensurate with resident priorities. Facets scoring closest to the lower right hand corner of the matrix (higher in importance and lower in quality) are those that may warrant further investigation to see if changes to their delivery are necessary to improve their performance. This is the key part of this chart on which to focus. Facets falling in the top left hand corner of the chart (lower in importance but higher in quality) are areas where performance may outscore resident priorities, and may be a consideration for lower resource allocation.

Quality of life

Measuring community livability starts with assessing the quality of life of those who live there, and ensuring that the community is attractive, accessible, and welcoming to all.

National benchmark tables

This table contains the comparisons of Needham's results to those from other communities. The first column shows the comparison of Needham's rating to the benchmark. Needham's results are noted as being "higher", "lower" or "similar" to the benchmark, meaning that the average rating given by Needham residents is statistically similar to or different than the benchmark. The second column is Needham's "percent positive." Most commonly, the percent positive is the combination of the top two most positive response options (i.e., excellent/good). The third column is the rank assigned to Needham's rating among communities where a similar question was asked. The fourth column is the number of communities that asked a similar question. The fifth column shows the percentile for Needham's result -- that is what percent of surveyed communities had a lower rating than Needham.

This dashboard contains a complete set of responses to each question on the survey. By default, "Don't know" responses are excluded, but may be added to the table using the response filter to the right. When a table for a question that only permitted a single response does not total to exactly 100%, it is due to the common practice of percentages being rounded to the nearest whole number.

Full trends

This table contains the trends over time for the Town of Needham. The combined "percent positive" responses for each survey year are presented (e.g., excellent/good or yes). If an item was not included during an administration of the survey, no percentage will be shown in the table. If the difference between the 2018 and 2022 surveys is greater than six percentage points, the change is statistically significant.

It is important to note that in 2020, The NCS survey was updated to include new and refreshed items. Consequently, some of the trends may be impacted due to wording modifications that could have potentially altered the meaning of the item for the respondent.

Methods (open participation)

As part of its participation in The National Community Survey™ (The NCS™), the Town of Needham conducted a survey of 630 residents. Survey invitations were mailed to randomly selected households and data were collected from April 11th, 2022 to May 30th, 2022. The results from this main survey effort represent the most robust estimate of your residents' opinions.

After the above data collection period was underway, a link to an online open participation survey was publicized by the Town of Needham. The open participation survey was identical to the probability sample survey with two small updates; it included a map at the beginning asking where the respondent lives and also a question about where they heard about the survey. The open participation survey was open to all town residents and became available on May 16th, 2022. The survey remained open for 2 weeks and there were 128 responses.

The open participation survey data were not collected through a random sample and it is unknown who in the community was aware of the survey; therefore, a level of confidence in the representativeness of the sample cannot be estimated. However, to reduce bias where possible, these data were statistically weighted to match the demographic characteristics of the 2010 Census and 2019 American Community Survey estimates for adults in the Town of Needham. The characteristics used for weighting were age, sex, race, Hispanic origin, housing type, housing tenure, and area. No adjustments were made for design effects. Weights were calculated using an iterative, multiplicative raking model known as the ANES Weighting Algorithm.* The results of the weighting scheme for the open participation survey are presented in the following table.

Open participation survey results

This dashboard contains a complete set of responses to each question on the open participation survey. By default, "don't know" responses are excluded, but may be added to the table using the response filter to the right. When a table for a question that only permitted a single response does not total to exactly 100%, it is due to the common practice of percentages being rounded to the nearest whole number.

INSERTED BY: Planning Board
FINANCE COMMITTEE RECOMMENDS THAT:

Article Information: Article 1 provides for the establishment of Brew Pubs and Microbreweries within Needham. The Needham Zoning By-Law does not currently have any provisions for Brew Pubs or Microbreweries and because the noted uses are not specifically identified as permissible, they are prohibited. Accordingly, the proposed zoning amendment seeks to introduce Brew Pubs and Microbreweries as permitted uses in Needham and takes the following approach: 1) defines the terms "Brew Pub" and "Microbrewery"; 2) identifies the zoning districts in which a Brew Pub and/or Microbrewery will be allowed; and 3) establishes that a Brew Pub and Microbrewery will only be allowed by special permit either from the Planning Board or the Zoning Board of Appeals.

Brew Pub Definition. A Brew Pub is a hybrid between a restaurant and a Microbrewery. It sells at least 60% of its beer on-site with significant food services. At a Brew Pub the beer is primarily brewed for sale in the restaurant. Brew Pubs may sell beer to go or distribute to some off-site destinations. Under the proposed amendment a Brew Pub is defined as an eat-in restaurant, licensed under relevant local, state

and federal statutes to produce and sell malt beverages at the location, whose primary business is the preparation and sale of food to be consumed on the premises, and whose accessory business is the production of malt beverages, including beer and ales, which may include packaging of such beverages and on-premises sale of such beverages for consumption on or off the premises. Malt beverages produced on the premises, may be sold to other establishments in compliance with relevant state and federal statutes and regulations, but such sales shall not exceed 40 percent of the establishment's production capacity. Accessory outdoor dining and live indoor entertainment is allowed if otherwise permitted in the zoning district in which the brew pub is located, if and as permitted by its license.

Microbrewery Definition. A Microbrewery is a brewery that produces 15,000 barrels or less of beer per year. A Microbrewery completes its primary sales using one or more of the following approaches: (1) Three-tier system: The brewer sells to a wholesaler who sells to a retailer who sells to the consumer; (2) Two-tier system: The brewer acts as a wholesaler and sells to the retailer who sells to the consumer. (3) Direct Sales: The brewer sells directly to the consumer for on-site consumption and/or for carry-out. Under the proposed amendment a Microbrewery is defined as a facility, licensed under relevant local, state and federal statutes, for the production and packaging of malt beverages, including beer and ales, for retail sale and for consumption on or off the premises or wholesale distribution, with a capacity and production of not more than fifteen thousand (15,000) barrels per year, (a barrel being equivalent to thirty-one (31) gallons) and which may include as an accessory use preparation and/or sale of food for on-premises consumption or for take-out. In addition to service for on-site consumption, any such facility may also provide samples limited in size, provided that such sampling is allowed under relevant local, state, and federal statutes, regulations and licenses issued thereunder. The facility may include as an accessory use an eat-in or take-out restaurant that may include outdoor dining, which restaurant may occupy more than half of the area of the facility and may include live indoor entertainment if otherwise permitted in the zoning district in which the microbrewery is located, if and as permitted by its license.

District Location. The amendment would permit a Brew Pub by special permit in the Business District, Center Business District, Avery Square Business District, portion of the Chestnut Street Business District located west of Chestnut Street and south of Keith Place, and the portion of the Industrial District located within 150 feet of the Arbor Street boundary. A Brew Pub and a Microbrewery would be permitted by special permit in the Mixed Use-128 District, Highway Commercial 1 District, portion of the New England Business Center District located west and south of Second Avenue, the portion of the Highland Commercial-128 District located a) north of Highland Avenue and b) south of Highland Avenue and west of Second Avenue, and the portion of the Industrial District located east of Rte. 95/128.

Special Permit Requirement. Given the desire for close review, the amendment proposes to permit a Brew Pub and a Microbrewery by special permit from the Planning Board in circumstances where a Major Project Site Plan Review Special Permit is triggered and outside of those circumstances to name Zoning Board of Appeals as the special permit granting authority. The special permit requirement would allow for a meaningful review of design and transportation impacts, as well as a greater level of oversight and assurance that the facilities will be operated in a manner that is consistent with the intent of the zoning and other regulations.

Title VII CITIES, TOWNS AND DISTRICTS

Chapter 40A ZONING

Section 5 ADOPTION OR CHANGE OF ZONING ORDINANCES OR BY-LAWS; PROCEDURE

Section 5. Zoning ordinances or by-laws may be adopted and from time to time changed by amendment, addition or repeal, but only in the manner hereinafter provided. Adoption or change of zoning ordinances or by-laws may be initiated by the submission to the city council or board of selectmen of a proposed zoning ordinance or by-law by a city council, a board of selectmen, a board of appeals, by an individual owning land to be affected by change or adoption, by request of registered voters of a town pursuant to section ten of chapter thirty-nine, by ten registered voters in a city, by a planning board, by a regional planning agency or by other methods provided by municipal charter. The board of selectmen or city council shall within fourteen days of receipt of such zoning ordinance or by-law submit it to the planning board for review.

No zoning ordinance or by-law or amendment thereto shall be adopted until after the planning board in a city or town, and the city council or a committee designated or appointed for the purpose by said council has each held a public hearing thereon, together or separately, at which interested persons shall be given an opportunity to be heard. Said public

hearing shall be held within sixty-five days after the proposed zoning ordinance or by-law is submitted to the planning board by the city council or selectmen or if there is none, within sixty-five days after the proposed zoning ordinance or by-law is submitted to the city council or selectmen. Notice of the time and place of such public hearing, of the subject matter, sufficient for identification, and of the place where texts and maps thereof may be inspected shall be published in a newspaper of general circulation in the city or town once in each of two successive weeks, the first publication to be not less than fourteen days before the day of said hearing, and by posting such notice in a conspicuous place in the city or town hall for a period of not less than fourteen days before the day of said hearing. Notice of said hearing shall also be sent by mail, postage prepaid to the department of housing and community development, the regional planning agency, if any, and to the planning board of each abutting city and town. The department of housing and community development, the regional planning agency, the planning boards of all abutting cities and towns and nonresident property owners who may not have received notice by mail as specified in this section may grant a waiver of notice or submit an affidavit of actual notice to the city or town clerk prior to town meeting or city council action on a proposed zoning ordinance, by-law or change thereto. Zoning ordinances or by-laws may provide that a separate, conspicuous statement shall be included with property tax bills sent to nonresident property owners, stating that notice of such hearings under this chapter shall be sent by mail, postage prepaid, to any such owner who files an annual request for such notice with the city or town clerk no later than January first, and pays a reasonable fee established by such ordinance or by-law. In cases involving boundary, density or use changes within a district, notice shall

be sent to any such nonresident property owner who has filed such a request with the city or town clerk and whose property lies in the district where the change is sought. No defect in the form of any notice under this chapter shall invalidate any zoning ordinances or by-laws unless such defect is found to be misleading.

Prior to the adoption of any zoning ordinance or by-law or amendment thereto which seeks to further regulate matters established by section forty of chapter one hundred and thirty-one or regulations authorized thereunder relative to agricultural and aquacultural practices, the city or town clerk shall, no later than seven days prior to the city council's or town meeting's public hearing relative to the adoption of said new or amended zoning ordinances or by-laws, give notice of the said proposed zoning ordinances or by-laws to the farmland advisory board established pursuant to section forty of chapter one hundred and thirty-one.

No vote to adopt any such proposed ordinance or by-law or amendment thereto shall be taken until a report with recommendations by a planning board has been submitted to the town meeting or city council, or twenty-one days after said hearing has elapsed without submission of such report. After such notice, hearing and report, or after twenty-one days shall have elapsed after such hearing without submission of such report, a city council or town meeting may adopt, reject, or amend and adopt any such proposed ordinance or by-law. If a city council fails to vote to adopt any proposed ordinance within ninety days after the city council hearing or if a town meeting fails to vote to adopt any proposed by-law within six months after the planning board hearing, no action shall be taken thereon until after a subsequent public hearing is held with notice and report as provided.

No zoning ordinance or by-law or amendment thereto shall be adopted or changed except by a two-thirds vote of all the members of the town council, or of the city council where there is a commission form of government or a single branch, or of each branch where there are two branches, or by a two-thirds vote of a town meeting; provided, however, that if in a city or town with a council of fewer than twenty-five members there is filed with the clerk prior to final action by the council a written protest against such change, stating the reasons duly signed by owners of twenty per cent or more of the area of the land proposed to be included in such change or of the area of the land immediately adjacent extending three hundred feet therefrom, no such change of any such ordinance shall be adopted except by a three-fourths vote of all members.

No proposed zoning ordinance or by-law which has been unfavorably acted upon by a city council or town meeting shall be considered by the city council or town meeting within two years after the date of such unfavorable action unless the adoption of such proposed ordinance or by-law is recommended in the final report of the planning board.

When zoning by-laws or amendments thereto are submitted to the attorney general for approval as required by section thirty-two of chapter forty, he shall also be furnished with a statement which may be prepared by the planning board explaining the by-laws or amendments proposed, which statement may be accompanied by explanatory maps or plans.

The effective date of the adoption or amendment of any zoning ordinance or by-law shall be the date on which such adoption or amendment was voted upon by a city council or town meeting; if in towns, publication in a town bulletin or pamphlet and posting is subsequently made or publication in a newspaper pursuant to section thirty-two of chapter forty.

If, in a town, said by-law is subsequently disapproved, in whole or in part, by the attorney general, the previous zoning by-law, to the extent that such previous zoning by-law was changed by the disapproved by-law or portion thereof, shall be deemed to have been in effect from the date of such vote. In a municipality which is not required to submit zoning ordinances to the attorney general for approval pursuant to section thirty-two of chapter forty, the effective date of such ordinance or amendment shall be the date passed by the city council and signed by the mayor or, as otherwise provided by ordinance or charter; provided, however, that such ordinance or amendment shall subsequently be forwarded by the city clerk to the office of the attorney general.

A true copy of the zoning ordinance or by-law with any amendments thereto shall be kept on file available for inspection in the office of the clerk of such city or town.

No claim of invalidity of any zoning ordinance or by-law arising out of any possible defect in the procedure of adoption or amendment shall be made in any legal proceedings and no state, regional, county or municipal officer shall refuse, deny or revoke any permit, approval or certificate because of any such claim of invalidity unless legal action is commenced within the time period specified in sections thirty-two and thirty-two A of chapter forty and notice specifying the court, parties, invalidity claimed, and date of filing is filed together with a copy of the petition with the town or city clerk within seven days after commencement of the action.

Ms. Page said there are many benefits to having an action park including mental health and an outlet for youth not taking part in team sports. The presenters asked the Select Board for their support and partnership, together with advice in moving this potential project forward. Mr. Conlon said many residents have continually asked the Town to explore the possibility of a skate park, suggesting taking action sooner rather than later.

6:10 p.m. Public Hearing: Verizon Cable Television Contract Renewal

Ms. Cooley read a preamble regarding the renewal of the Verizon Cable Television Contract. She noted attendees include John Harrington, Legal Counsel to Verizon, Bill August, Town Cable Counsel, and Myles Tucker, Support Services Manager, who worked closely with Verizon and attorney August on the negotiation of the Needham - Verizon renewal license.

Discussion ensued on the Cable Television Renewal License Granted to Verizon New England, dated August 15, 2022.

Ms. Fitzpatrick recommended that the Select Board, as Issuing Authority for the Town, enter into a five-year cable television renewal license with Verizon, New England, Inc. for the period of August 15, 2022 through August 14, 2027.

Ms. Cooley invited public comment. No comments were made.

Motion by Mr. Borrelli that the Board find that the cable franchise renewal proposal of Verizon New England, Inc. reasonably meets the franchise and cable-related renewal needs and interests of the public and Town; and that Verizon New England, Inc.'s financial and technical qualifications and local programming channels, facilities, and services are reasonable to meet Town cable franchise needs, find that the Select Board, as Issuing Authority for the

Town, votes to accept the renewal agreement with Verizon New England, Inc. effective August 15, 2022.
Second: Mr. Nelson. Unanimously approved 5-0.

6:24 p.m. Public Hearing: Dangerous Dog Hearing (cont'd from April 13, 2022)
Diana Rasoul-Agha, dog owner, spoke with the Board regarding her dog "Axel" residing at 233 West Street.

John Schlittler, Police Chief requested that the Select Board hold a dangerous dog hearing in accordance with MGL c. 140 Section 157 and Town By-Law 3.7.5 on a complaint about a dog by the name of "Axel" residing at 233 West Street in Needham. Chief Schlitter gave a brief update on the status of the situation, noting Ms. Rasoul-Agha was not in compliance with the Select Board orders based on the incident of the barking dog complaint that happened last week, and that Alex was outside, tethered and unsupervised on the deck. Chief Schlitter commented on the homeowners insurance and questioned whether compliance has been met.

Discussion ensued with Ms. Rasoul-Agha about her understanding of the conditions set by the Select Board, as well as the latest incident.

Ms. Cooley invited public comment.

Lisa Madkins, 15 Bobsled Drive commented on the attack on her dog "Max" in December 2021, which she said was the fourth incident when Axel and Maya were off leash at Hillside School. Ms. Madkins stated she and her dog continue to be traumatized by the event. She said it is important the dogs stay contained at Ms. Raoul's home and are never off leash again.

Mr. Borrelli asked for proof that the victims have been reimbursed from Ms. Rasoul.

Ms. Rasoul emphasized she is doing her best to control her dogs, and that she believes she has completed 7 of the 9 orders imposed by the Select Board.

Ms. Cooley reiterated to Ms. Rasoul that securing and confining the dogs on the property and preventing escape with a fence is the most important order imposed by the Select Board. She also pointed out the tether used to restrain Axel exceeds the order for a restraining device not exceeding 3 ft. in length, and that it is not clear to her that the tether meets the 300 lb. tensile strength. She commented on the possibility of issuing a fine. She suggested continuing the hearing to June 28, 2022 at a time to be determined.

Mr. Borrelli pointed out there is a clear violation in restraining the dog. He said he, and others, are frustrated by the number of hearings that have been held since March 14, 2022. He concurred with Ms. Cooley's suggestion to continue the hearing but monitoring the premises must continue.

Motion by Mr. Borrelli that the Select Board vote to continue Public Hearing: Dangerous Dog Hearing to Tuesday, June 28, 2022.
Second: Ms. Frail. Unanimously approved 5-0.

Ms. Frail expressed concern for the amount of time being spent on the issue. She told Ms. Rasoul to err on the side of caution, noting the Select Board continues to extend every opportunity to Ms. Rasoul-Agha. She concluded she is beginning to feel uncomfortable with the situation.

Ms. Cooley said everyone is working hard, noting the neighborhood is traumatized.

6:51 p.m. Needham Community Revitalization Trust Fund (NCRTF) Project Updates:
Paul Good, Chair, NCRTF and Amy Haelsen, Economic Development Manager updated the Select Board on three major projects being coordinated and funded by the NCRTF including the 'Needham to the World' mural, the rotating art gallery at Eaton Plaza, and the Ridge Hill mural.

Mr. Good gave a brief overview of the purpose of the Needham Community Revitalization Trust Fund. He said since the start of the Fund, nearly forty projects have been completed with private donations. Mr. Good described for the Board the three major projects currently being coordinated and funded.

Mr. Borrelli suggested including the DCA (Distinguished Career Award winners) from the Needham High School, and others who did not graduate from Needham High School. It was noted that donations to the Fund can be made at www.needhamma.gov\NCRTF

The Board thanked Mr. Good and Ms. Haelsen for the update.

7:13 p.m. Rail Trail - Chestnut Street Extension:
Alan Cloutier, WorldTech, Richard Benevento, WorldTech, Ed Olsen, Parks & Forestry Superintendent, Cecilia Simchak, Finance and Administration for Public Services, Stacey Mulroy, Park & Recreation, and Tom Ryder, Assistant Town Engineer spoke with the Board about the Rail Trail - Chestnut Street Extension.

Mr. Olsen stated that in FY2020, the Town received State funding to investigate options for connecting the existing Rail Trail to Chestnut Street. He said WorldTech Engineering prepared a report and concept plans at the beginning of the pandemic, noting representatives of WorldTech will provide the Board with a summary of the options for the extension of the Rail Trail to Chestnut Street (Southern end). He noted that the Board will also discuss the construction of a shared use path from Needham Heights to Newton (Northern end) as part of its goals for FY2023-FY2024.

Alan Cloutier, WorldTech presented a PowerPoint titled "Needham Trail Concepts, Needham, MA." He said the extension of the trail will be recreational, as well as a non-motorized connection to the center of Needham. He commented on meetings with the MBTA, noting the MBTA will not allow any section of track to be removed, as the location is one of the only places the MBTA can turn a train around. He said the MBTA also will not allow any shared use of the tracks, but a fence can be erected. Mr. Cloutier briefly described four Off-Road Concepts, the On-Road Concept, and Cost Estimates for a path connecting from High Rock Street to Chestnut Street. It was noted the cost for the entire project is roughly $2 million in 2020 dollars.

Ms. Cooley noted discussion tonight is intended as background information for the Select Board as it heads into priority setting discussions this summer and where the project will fit, in light of other amenities (i.e. a skatepark).

James Goldstein, 40 Coolidge Avenue, Rail Trail Committee member, commented on the proposed width of a path, the offset of the path from the rail line required by the MBTA, and the best options for cyclists. He noted the removal of ledge proposed by WorldTech is ⅓ the cost of the project, suggesting less ledge removal is less costly. Mr. Goldstein commented on the impact to wetlands and cost of wetlands replication. Mr. Goldstein asked, "what is the Board's next step?"

Discussion ensued on wetland replication, the potential for a boardwalk, and the on-street portion of the project.

Ms. Cooley commented the information received tonight is to give the Select Board a direction, not an active project. She said the Select Board must decide whether the project will move forward during its Priorities and Goals discussions to be held in August 2022.

Mr. Borrelli suggested the least amount of impact to the neighbors on Chestnut Street and starting with the On-Road Concept, which would then drive the Off-Road Concept.

Ms. Frail said she is enthusiastic for an entire section of Needham to have the ability to connect and have access to Chestnut Street. She suggested using materials suitable for year-round use. She noted her concern for safety on Chestnut Street, and the viability of bringing a bike path into Needham Center.

Mr. Keane said he is enthusiastic and supportive of the project, suggesting the On-Road path be on the east side of Chestnut Street to avoid the hazard of the commercial driveway between the two railroad bridges.

The Board thanked the presenters for the information and update.

7:55 p.m. Proposed Alcohol Regulations Changes - Breweries:

Katie King, Assistant Town Manager/Operations, Ivria Fried, Town Counsel (via Zoom), Myles Tucker, Support Services Manager, and Amy Haelsen, Economic Development Manager presented recommended changes to the Select Board's Regulations for the Sale of Alcoholic Beverages, which would determine how breweries would be licensed locally.

Ms. King reminded the Select Board that Last fall, the Select Board and Planning Board agreed that allowing breweries to locate in Needham provided an economic development opportunity, to further diversify Needham's business inventory, and offer an additional amenity to residents and visitors. The Planning Board is advancing a zoning amendment for the Special Town Meeting in the fall, which would define brewery business types and determine where each could be located by special permit. This, paired with the Select Board's updated liquor license regulations, will provide Town Meeting Members with a full view of the Town's brewery proposals. Ms. King said the purpose tonight is to provide the Select Board foundational information, recommending the Board hold a public hearing at its next meeting scheduled for June 28, 2022, with a possible vote at its July or August 2022 meeting. Ms. King explained the full text of the Planning Board's draft zoning article includes definitions of each business type (Brew Pub and Microbrewery) relevant to the Select Board's liquor license policy. Ms. King commented on the Federal & State Brewery Licensing Framework, saying the industry is heavily regulated. She noted the fundamental role of the Select Board is to issue licenses for the sale of on-premises consumption of alcohol for both Brew Pub and Microbreweries. Ms. King referred to a chart dated June 10, 2022 outlining the Existing Select Board Regulations for Package Store and Restaurants and the Proposed Additions to the Select Board Regulations for Brew Pub and Microbrewery. Ms. King turned to the Town of Needham Regulations for the Sale of Alcoholic Beverages and reviewed the proposed changes, particularly the Rules and Regulations Applicable to Farmer Series Pouring Permittees (Section 10).

Discussion ensued on the set up of the floor plan for microbreweries and restaurants, and whether the Board wants to make a distinction about an area on site vs. standing room only. Also discussed was whether microbreweries should be required to have food available and to what extent, and whether or not to allow the use of pitchers. Ms. King commented on the Schedule of Town of Needham Fees for CY2022.

Ms. Cooley concluded discussion tonight has focused only on specific changes for microbreweries. She noted further discussion will be held regarding Town alcohol regulations in an attempt to become more standardized.

Ms. Fried said the Board could consider holding its public hearing and adopt changes that impact farmer series pouring permits then, at a later date, look more holistically at all of the regulations or to adopt all of the changes in July.

Mr. Nelson commented the Select Board must keep in mind what it is doing without endangering lives and the relation it has to OUI's. He pointed out the town has recently seen five OUI's in the last month or so.

Mr. Borrelli commented on the 35% limitation, saying the Select Board must consider a holistic approach. He noted proposed zones from the Planning Board, suggesting zoning for brew pubs and restaurants should "match up." Mr. Borrelli commented on Needham Crossing/Mixed-Use 128 being a destination location for a microbrewery.

Discussion ensued on maintaining the 35% limitation for on-premise consumption. Ms. Fitzpatrick commented there is not a prohibition on the 35%, but rather it is a threshold by which the Board can determine whether there may be a problem. Also discussed was the yearly number of barrels that can be produced. Mr. Keane suggested the Planning Board should be mindful of the number of gallons of water it takes to produce one barrel of beer and wastewater treatment.

The Board thanked Ms. King, Ms. Fried, and Ms. Haelsen for their work.

8:32 p.m. Town Manager:

Kate Fitzpatrick, Town Manager spoke with the Board regarding 1 item.

1. Remote Participation by Members of Public Bodies

Katie King, Assistant Town Manager/Operations said since the start of the pandemic, the State has provided certain flexibilities to the Open Meeting Law (M.G.L. c.30A, §§18-25). Those flexibilities were set to expire on July 15, 2022. Ms. King said since the Select Board's last meeting, the state senate voted to extend those COVID-19 flexibilities until December 15, 2023. As of this date, all public bodies will be required to provide in-person access for the public and all members of public bodies would be required to attend meetings in person. The Select Board can adopt a policy under 940 CMR 29.10 and authorize the Town Manager to allow members of public bodies to participate remotely in limited circumstances. Ms. King reviewed changes made to the draft policy dated May 25, 2022, noting other boards and committees also shared feedback on the policy. She asked the Select Board to vote to adopt the policy.

Discussion ensued on the percentage time board and committee members may participate remotely in meetings.

Motion by Mr. Borrelli hat the Select Board vote to adopt the Member Remote Participation in Public Meetings Policy, with additional language stating the Chair must be physically present at the meeting, and to authorize the Town Manager to implement remote participation consistent with said policy pursuant to 940 CMR 29.10(2)(a) and, further, to encourage all Town boards, commissions and committees to continue to provide a means for the general public to view public meetings remotely.
Second: Mr. Keane. Unanimously approved 5-0.

8:45 p.m. Board Discussion:

1. 557 Highland Avenue/Highland Innovation Center Project

The Board discussed comments that it may wish to submit to the Planning Board as part of the permitting process for the 557 Highland Avenue/Highland Innovation Center Project.

Ms. Cooley said the developer (Bulfinch Development) is listening carefully to community input about what it would like the project to ultimately look like as a gateway into Needham. She noted the developer has already committed to a number of items the community values.

Motion by Mr. Nelson that the Board authorize the Town Manager to forward a letter to the Planning Board relative to the Highland Innovation Center Project.
Second: Ms. Frail. Unanimously approved 5-0.

2. Committee Reports

Ms. Frail reported the Housing Plan Working Group has done great work establishing building principles and assessing the situation as it currently stands. She said sub-groups also gave reports, assessments, and in some cases, recommendations, all of which will be brought forward in the final committee report.

Ms. Cooley reported she and Mr. Keane attended the Climate Action Committee meeting last night. She noted Ms. Fitzpatrick spoke about Community Electricity Aggregation, which she said the Select Board will consider as a goal next year. She said discussion included what other communities are doing and the process of developing a plan, which she said will require a vote by Town Meeting in order to begin. Ms. Cooley noted the Town is currently working with the MAPC on a greenhouse gas inventory of municipal uses of greenhouse gasses for the entire town. She noted that Cyndi Roy Gonzalez also attended the meeting to discuss ways to promote the work of the committee.

Mr. Nelson reported that last night, Monday, June 13, 2022, the third meeting of the "Connections: Cops and Community - Community Conversation" series was held and was an overwhelming success. He thanked Ms. Fitzpatrick, Ms. King, and the planning committee for their work. Mr. Nelson said he feels like the community and law enforcement were heard, and that education and a commitment to building relationships will help break historical policing precedent and move the Town forward.

Ms. Cooley encouraged folks to watch the "Connections: Cops and Community - Community Conversation" session on the Needham YouTube channel. She thanked Chief Schlittler for his work and that it was "a healthy conversation" for everyone.

Ms. Cooley said she attended the opening of the 11th season of Farmers Market on Sunday, June 12, 2022, at Greene's Field. She encouraged folks to shop at the market this summer.

Ms. Cooley thanked Mr. Borrelli for attending the Historic Commission meeting.

5:48 p.m. Joint Meeting with Trustees of the Needham Free Public Library: Appointment of Trustee
Kay Cahill, Chair, Carol Thomas, Tom Harkins, Robert Petit, Anna Giraldo-Kerr (via Zoom), and Jay Fialkov (via Zoom) met with the Select Board to discuss the vacancy on the Trustees of Needham Public Library left by Richard C. Hardy who passed away March 8, 2022.

Ms. Cooley acknowledged Mr. Hardy's years of service to the Town in many areas, not only as a member of the Trustees of Needham Public Library.

Ms. Cooley noted Marcus Nelson, Vice Chair of the Select Board attended a special meeting of the Trustees of the Needham Free Public Library on June 21, 2022 and interviewed several candidates for the vacancy on the Library Board of Trustees. Mr. Nelson and the Trustees recommend that Erhardt Graeff be appointed to serve the remainder of the term until the next Town Election.

Mr. Nelson said the process of filling the vacancy went well, with a strong pool of five candidates. Mr. Nelson stated Mr. Graeff has a passion for the library, saying he enjoyed getting to know him a little bit through the interview process and that it makes sense for Mr. Graeff to fill the vacancy. He wished him well in his new role.

Motion by Mr. Borrelli that the Select Board and Board of Trustees of the Needham Free Public Library vote to appoint Erhardt Graeff to the Trustees

of the Needham Free Public Library until the next Town Election to be held on April 11, 2023.
Second: Mr. Nelson. Unanimously approved 11-0 by roll call vote.

The Board thanked Chief Condon for his dedication and hard work to the Town, saying he will be incredibly missed and leaves a strong legacy.

Ms. Fitzpatrick noted she and Chief Condon have worked together for more than 32 years, saying it has been a pleasure.

Chief Condon said he is thankful for the career he had in Needham and never regretted a day getting up and going to work. He thanked the Select Board and all boards and committees in Needham for their support.

Mr. Nelson read a Certificate of Appreciation awarded to Chief Condon in recognition of his 36 years of service to the Needham Fire Department, culminating in 8 years as Fire Chief. Ms. Fitzpatrick indicated all paperwork is in order.

Ms. Cooley invited public comment. No comments were heard.

Motion by Mr. Nelson that the Select Board approve and sign a petition from Eversource Energy to install approximately 14 feet of conduit in Central Avenue.
Second: Mr. Borrelli. Unanimously approved 5-0.

6:06 p.m. Public Hearing: Grant of Location 1607 Central Avenue
Joanne Callender, Eversource Representative spoke with the Board requesting permission to install approximately 22 feet of conduit in Central Avenue. This work is necessary to provide electric service to 1607 Central Avenue, Needham, MA.

Ms. Fitzpatrick indicated a portion of the work was completed prior to receiving approval from the Select Board.

Discussion ensued with Mr. Pace, homeowner and local builder regarding the Grant of Location process.

Ms. Cooley invited public comment. No comments were heard.

Motion by Ms. Frail that the Select Board approve and sign a petition from Eversource Energy to install approximately 22 feet of conduit in Central Avenue.
Second: Mr. Nelson. Unanimously approved 5-0.

6:13 p.m. Public Hearing: Alcohol License Hearing - New Garden Inc., d/b/a New Garden Restaurant

John Schlittler, Chief of Police and Christina Tyler, of Framingham, MA and as representative of New Garden Restaurant spoke with the Select Board, as the local licensing authority, regarding the provisions of M.G.L. c. 138 and Town of Needham Alcohol Regulations.

Ms. Cooley read a statement saying the purpose of the hearing will be to consider the modification, suspension, revocation, or cancellation of the Section 12 Restaurant All Alcohol License for New Garden Inc., d/b/a New Garden Restaurant due to the sale of alcohol to a person under the age of 21. She noted several pieces of documentation as part of the record.

Chief Schlittler commented on the compliance check made on April 6, 2022 to New Garden Restaurant by the Needham Police Department. He noted his concern that a manager was not present in the restaurant at the time of the violation and commented on the history of violations for the location.

Ms. Tyler, manager acknowledged the incident, saying the restaurant is working hard to check ID's and will be acquiring a scanner. She said she believes the worker genuinely misread the i.d. and apologized for the incident.

Ms. Cooley invited public comment. No comments were heard.

Mr. Nelson said he is concerned that little progress has been made since the last meeting in May 2022 to acquire a scanner. Ms. Cooley clarified conversations regarding New Garden Restaurant acquiring a scanner began in January 2022.

Discussion ensued on the definition of a manager, TIPS certification, the restaurant acquiring a scanner, and that it was the third offense at the restaurant.

Mr. Borrelli stressed the importance of the restaurant getting a scanner and that the responsibility rests with the business owner.

Motion by Mr. Borrelli that the Select Board finds sufficient evidence that, on April 6, 2022, New Garden Inc., d/b/a New Garden Restaurant violated 204

CMR 2.05(2) permitting an illegality on the licensed premises, to wit: Chapter 138, Section 34, sale or delivery of an alcoholic beverage to a person under twenty-one years of age.
Second: Mr. Nelson. Unanimously approved 5-0.

Ms. Cooley commented she is disturbed by three things: (1) Mr. Raymond So, Manager chose not to attend tonight's hearing as it should have been a priority for him, (2) the scanner is not in place, particularly since it was discussed in January 2022, and (3) that the restaurant is still working to get some employees TIPS. certified.

Mr. Frail concurred the scanner should be in place and employees should be TIPS trained before being able to serve alcohol.

Mr. Borrelli asked whether the hearing could be continued until such time as the scanner is in place, all employees are TIPS trained, and Mr. So appears before the Select Board?

Ms. Cooley said she is not sure the hearing could be continued without a suspension being imposed.

Discussion ensued on requiring a scanner be in use, along with a three day suspension of the alcohol license with one additional day held in abeyance. Ms. Cooley said she would welcome updates on the number of staff who are TIPS certified.

Motion by Mr. Borrelli that the Select Board suspend New Garden Inc., d/b/a New Garden Restaurant's Section 12 Restaurant Innholder All Alcoholic Liquor License for a period of up to 3 days to be designated by the establishment and a fourth day to be held in abeyance pending completion of Select Board orders within 2 weeks from tonight (July 12, 2022), including TIPS certification by staff and the institution of a scanner (equipment or software). If the Select Board orders are completed by July 12, 2022, the suspension will be 3 days (consecutive or not) selected at the establishment's choice. If the Select Board orders are not completed by July 12, 2022, then the suspension must be 4 consecutive days to include a weekend.
Second: Ms. Frail. Unanimously approved 5-0.

Motion by Mr. Borrelli that the Select Board authorize the Town Manager to draft and send notice of the Select Board's decision to the Licensee and to the Alcoholic Beverages Control Commission.
Second: Mr. Nelson. Unanimously approved 5-0.

Mr. Borrelli noted the appointment of Thomas M. Conroy as Fire Chief. He also commented on grant money awarded to small businesses and non-profit organizations in Needham totaling $127,500.

Ms. Cooley thanked Mr. Nelson, Vice Chair for his work interviewing potential candidates and residents who volunteered to work on boards and committees.

6:39 p.m. Sign Order of Taking for Town Way (Form 3) for Hutter Ridge Road:
Hutter Ridge Road has been accepted as a town way at the May 2022 Town Meeting. Hutter Ridge Road is located off of Webster Street.

Motion by Mr. Borrelli that the Board vote to approve and sign the Order of Taking for Town Way (Form 3) for Hutter Ridge Road.
Second: Mr. Nelson. Unanimously approved 5-0.

6:45 p.m. Public Hearing: Proposed Alcohol Regulations Changes - Breweries
Katie King, Assistant Town Manager/Operations spoke with the Board regarding the Town's proposal to allow breweries in Needham to further diversify its business inventory and offer an additional amenity to residents and visitors. The Planning Board is advancing a zoning amendment for the Special Town Meeting in the fall, which would define brewery business types and determine where each could be located by special permit. The Select Board oversees liquor licenses for all establishments that sell alcohol in Needham and must update the Town's liquor license policies to allow for breweries. The Select Board welcomes public comments on proposed changes to the Town's Regulations for the Sale of Alcoholic Beverages, which would determine how breweries would be licensed locally. Written comments can be sent to otm@needhamma.gov until Friday, July 15.

Ms. King reviewed language changes to the draft policy regulations based on the Board's previous feedback.

Discussion ensued on the service of food, retail sales and off premise retail sales hours.

Ms. Cooley invited public comment.

Tom Harkins, 24 May Street said breweries are a positive addition to Needham. He commented on proposed zoning regulations, saying he expressed his concern to the Planning Board at a public hearing held on March 28, 2022. He said he hopes any zoning article coming before Town Meeting is no more restrictive than is necessary to protect and serve the interests of all in Town. Mr. Harkins said he has more comments and will email Ms. King before the July 15 deadline.

Mr. Borrelli concurred with comments made by Mr. Harkins, saying he hopes the regulations can be expanded into other zones, not restricted to certain areas. He said food trucks would be the only caveat, which should not be next to an establishment.

Ms. Cooley reiterated the public comment period is open until July 15, 2022.

6:55 p.m. Public Hearing: Dangerous Dog Hearing (continued from April 13, 2022)
Diana Rasoul-Agha, Dog Owner appeared before the Board to discuss her dog "Axel" who was deemed a dangerous dog by the Select Board at a public hearing in January 2022.

Discussion ensued on four items: Ms. Rasoul-Agha's application to five companies for canine liability insurance (denied due to Axel's bite history), neutering scheduled for October 2022, behavioral analysis, and use of the front door gate/garage door.

Ms. Cooley stated she is unsure the Select Board has other alternatives to consider. She asked for comments from the Board.

Mr. Nelson said it seems that every time the Board asks Ms. Rasoul-Agha to address an issue, there is something else that comes up that impedes progress. He said it is getting tough to have patience, and that the Board is trying to make accommodations for Ms. Rasoul-Agha. Mr. Nelson said the neighborhood is terrified because of the incidents and it is getting hard to be empathetic.

Mr. Keane said dogs are expensive. He said the Select Board is trying to fix the situation and protect the neighborhood, but Ms. Rasoul-Agha is "price shopping." He noted the pattern by Ms. Rasoul-Agha of "going cheap" to avoid making progress, which he said is frustrating. He said it is time to make a motion or speak with legal counsel about next steps. Mr. Keane said Ms. Rasoul-Agha must realize that having a dog is expensive, keeping a dangerous dog in the home is prohibitive, and that Axel must be rehomed.

Mr. Borrelli concurred with the comments, saying there is a difference between being reasonable and being taken advantage of. He said the Board is trying to be kind, but there is a breaking point.

Ms. Frail said Ms. Rasoul-Agha has done an extraordinary amount of work in trying to complete the list of conditions. However, she reminded Ms. Rasoul-Agha that in an initial meeting, Ms. Agha was told this was going to be "a very tall order" and very expensive. Ms. Frail said few people have the resources to handle the conditions as laid out by the Select Board. She said the neighbors are terrified and that in order to save the life of her dog, all of the conditions had to be met on a timely basis. Ms. Frail said it is time to move on.

Ms. Cooley told Ms. Rasoul-Agha the Select Board is in agreement in its dismay, despite the work she has done. Ms. Cooley said she is deeply saddened Ms. Rasoul-Agha has made no apology to any of the neighbors, and that the neighborhood is traumatized. Ms. Cooley said tonight's public hearing will be continued to the next Select Board meeting, and unless all of the conditions are resolved, the Board will take up a discussion on euthanasia. She said euthanasia is not a decision the Select Board ever wanted to make for a dog owner.

Motion by Mr. Borrelli that the Select Board vote to continue Public Hearing: Dangerous Dog Hearing to Tuesday, July 26, 2022.
Second: Mr. Keane. Unanimously approved 5-0.

Mr. Nelson pointed out the Select Board tried to do everything, and that Ms. Rasoul-Agha should not think the Board failed her. He stated it is the complete opposite and that Ms. Rasoul-Agha is the one that brought the Select Board to this point. He said it is the end of the road.

7:21 p.m. Town Manager's Report:

Ms. Fitzpatrick reminded residents that the Office of the Town Manager processes passports, noting the number thus far, for this fiscal year, is significantly higher than in any other previous year. She thanked the staff for the amazing job they are doing on behalf of residents.

Ms. Fitzpatrick noted the new public safety buildings are being dedicated on Thursday, June 30, 2022 and invited the public to attend the 4 p.m. dedication at Fire Station 2 in Needham Heights and the 5 p.m. dedication at the new building on Chestnut Street.

Ms. Fitzpatrick reminded the Board of the July 3 and 4 festivities, and the opening of the Rosemary Pool Complex. She noted fireworks will take place on Sunday, July 3, 2022 at dusk.

Ms. Cooley commented the Town is not currently restricting lawn watering but continues to monitor drought and rainfall conditions.

7:25 p.m. Board Discussion:

1. <u>Committee Reports</u>

Ms. Cooley said NUARI met, noting part of the discussion was about the future of the NUARI committee. She said the original charge was for a one-year committee, but the charge was extended to two years. Ms. Cooley said many tasks have been accomplished including setting a vision for racial equity for the Town and how boards and committees can incorporate the work of NUARI into their agendas. She said a great deal of work took place with the Needham Police Department with the goal of every resident feeling welcome in Town. Ms. Cooley stated NUARI decided to stay constituted and will continue to meet annually (likely in late March),

with a goal of reviewing the work of boards and committees during the previous year, culminating with an annual report to Town Meeting.

Mr. Nelson said the work of NUARI has been very beneficial, both as a town and to individuals. He thanked everyone for their hard work in making diversity, equity, inclusion, and belonging part of the fabric of Needham. He said it's not "what we do, but who we are as a town." He stated the work is influential in making Needham a destination for people of all different backgrounds, cultures, identities, and a place where people are celebrated for their differences, without trying to conform to how things are or how things have always been done. Mr. Nelson said it has been a pleasure to be part of the group, noting intense discussions have always been treated with respect and empathy for different opinions. He said every meeting was led with love and is a total win for Needham. He said he can't wait to see how Needham continues to blossom and evolve as a town.

Ms. Cooley noted a quote from Theodore Roosevelt "Neither our national nor our local civic life can be what it should be unless it is marked by the fellow feeling, the mutual kindness, the mutual respect, the sense of common duties and common interests." Ms. Cooley said she hopes the sentiment always guides the work of the Select Board and the Town.

7:32 p.m. Executive Session: Exception 3 (Collective Bargaining) and Exception 2 (Collective Bargaining - Non-Union Personnel)

Motion by Mr. Borrelli that the Select Board vote to enter into Executive Session.

Exception 3 – To discuss strategy with respect to collective bargaining or litigation if an open meeting may have a detrimental effect on the bargaining or litigating position of the public body and the chair so declares;

Not to return to open session prior to adjournment.

Second: Mr. Nelson. Unanimously approved 5-0 by roll call vote.

The next Select Board meeting is scheduled for Tuesday, July 26, 2022.

Select Board
Town of Needham
Town Hall
1471 Highland Avenue
Needham, MA 02492

Dear Members of the Select Board:

On June 22, 2022, an election reform law titled "The Votes Act" was signed into law.

Effective immediately, the law regarding the assignment of police officers at polling places is amended to require the Select Board to assign police officers and constables to polling places. Previously, this was the responsibility of the chief of police.

Police officers uphold the election laws and the safety of the workers and voters on election day. There are two shifts on election day staffed by police officers as follows:

1. the morning shift arrives at the Town Clerk's Office at 6:00 AM to pick up both the regular and absentee ballots, the ImageCast Tabulators, and supply cases to take to the polling location.
2. The afternoon shift arrives at each precinct location to relieve the first police officer. After the polls close, that officer brings back to Town Hall the ballots (both used and unused), the ImageCast Tabulator, and the supply case.
3. At 8:00 PM an additional police officer is assigned to staff the Town Hall

Because the selection of police officers who will be working at the polls on election day depends upon their availability just prior to each Election, I would like to recommend that the Select Board vote to assign police officers to each polling location and one at Town Hall as recommended by Police Chief John Schlittler.

Thank you for your assistance and vote on this new section of the Votes Act for the forthcoming 2022 State Primary, 2022 State Election and all future elections

Sincerely,

Theodora K. Eaton

Section 4. Every employee desiring military leave as provided hereunder shall request it in writing in advance from the Chief of Police, and such request shall provide written proof from military or selective service officials indicating the date of departure and length of service required.

Section 5. Leave of absence for military duty shall not affect an employee's continuous service for the purposes of longevity. Military leaves of absence in excess of two weeks shall affect an employee's continuous service for the purpose of sick leave, vacation, and other benefit accrual.

Section 6. Military leave shall be administered in accordance with state and federal laws.

ARTICLE 10
NON-OCCUPATIONAL SICK LEAVE

Section 1. Eligibility Members of the bargaining unit shall be eligible for non-occupational sick leave as provided hereunder.

Section 2. Accrual Full-time employees shall accrue one and one-quarter (1 1/4) days non-occupational sick leave for each full calendar month of continuous employment per fiscal year. The aforementioned accruals shall be added to the employee's permanent record of available non-occupational sick leave and referred to as the "non-occupational sick leave bank."

Section 3. Usage Use of non-occupational sick leave shall be granted to an employee only when the employee is incapacitated from the performance of duties by personal sickness, injury or quarantine by public health authorities. Employees shall be allowed to use up to ten (10) days of non-occupational sick leave, when available, per fiscal year for illness or injury of a parent, spouse or child of the employee. Sick leave used for qualified and approved family and medical leave in accordance with the FMLA is not subject to the ten (10) day limit. The employee's non-occupational sick leave bank will be charged for the number of days absent from work because of non-occupational illness.

Section 4. Notification Non-occupational sick leave shall commence on the date that notification of the employee's sickness, injury or quarantining is given to the Chief of Police/designee by the employee or the employee's family or physician. Employees who report for duty and who are subsequently relieved of duty as a result of non-occupational sick leave will not be charged for the first day of such absence.

Section 5. Certification of Illness, Injury or Quarantine The Chief of Police shall investigate and ascertain the validity of any request for non-occupational sick leave made by an employee, and shall approve the request if satisfied as to the validity of the illness. A physician's certificate may be required by the Chief of Police in any case of non-occupational sick leave. If the cause of sick leave is not substantiated to the satisfaction of the Chief of Police, the absence will not be paid as non-occupational sick leave. The Chief's approval of non-occupational sick leave will not be unreasonably withheld.

Section 6. Extended Sick Leave

(a) When an employee has exhausted his/her non-occupational sick leave balance, extended sick leave with pay in excess of earned sick leave may be granted on an individual basis by the Town Manager for up to sixty (60) shifts per fiscal year, upon receipt of a written request for extended sick leave submitted by the Chief of Police, and upon receipt of written confirmation from a practicing physician that the employee is unable to report to work.

(b) Requests for extended sick leave as provided herein shall not be submitted until the employee has used all available paid leave balances, including vacation leave and personal leave.

(c) In determining whether to grant extended sick leave, the Town Manager shall take into account the employee's length of continuous employment, absence record, and performance history. Granting of extended sick leave is subject to availability of appropriation.

(d) Extended sick leave will be treated as an unpaid leave of absence. Any employee granted extended sick leave as provided herein will not receive credit for such leave for the purpose of determining vacation or other leave eligibility, and the amount of time spent on extended sick leave shall not be included in computation of continuous service, in accordance with Article 7 of this Agreement, but shall not be deemed to be a break in service.

Section 7. Non-occupational Sick Leave Buy-Back An employee who terminates employment with the Town by retirement or disability shall be entitled to a cash payment upon termination at the employee's current rate of pay for twenty-five percent (25%) of the non-occupational sick leave bank. The spouse, duly designated beneficiary or legal representative of the estate of an employee whose employment with the Town is terminated by death, shall be entitled to cash payment at the employee's rate at the time of termination for twenty-five percent (25%) of the non-occupational sick leave credit outstanding at the time of termination after proper adjustments are made for the current fiscal year. Members of the bargaining unit who have not attained ten years of service with the Town of Needham as of June 30, 2011 shall be subject to a 960 hour (120 day) cap on the number of sick days to be used in calculating the 25% sick leave buy-back at retirement. The 960 hour cap shall not be construed as limiting the accumulation of non-occupational sick leave.

Section 8. Personal Leave Incentive Plan

(a) Each member of the bargaining unit shall be eligible to convert 8 hours of unused, non-occupational sick leave to personal leave or to "buy back" 8 hours of unused, non-occupational sick leave for every calendar quarter (January 1 through March 31, April 1 through June 30, July 1 through September 30 and October 1 through December 31) in which no sick leave is used. Eligible employees must elect such conversion by January 15th of each year for the accumulation calculations based upon calendar quarters occurring during the prior calendar year.

(b) Eligible members of the bargaining unit electing to convert non-occupational sick leave hours to personal leave must use such leave hours (a maximum of 32 hours) by December 31 of the year in which they are converted. Use of converted time will only be granted if the Chief/designee determines that no unreasonable overtime obligation or staffing deficiency, which is known as of the date of request, will occur.

(c) Eligible members of the bargaining unit electing to buy back non-occupational sick leave hours at their regular rate of pay (a maximum of 32 hours) must do so by January 15th of each year.

(d) Eligible members of the bargaining unit may elect a combination of the options set forth in (b) and (c) to the extent that hours converted or bought back do not exceed the number of hours earned. However, once an employee elects to convert non-occupational sick leave to personal leave, those hours are ineligible for buy-back and will expire if not used by December 31st.

(e) Hours converted or bought back in accordance with this program will be deducted from an employee's non-occupational sick leave bank.

(f) The provisions of this section shall not apply to Personal Leave described in Article 7 Section 7.

(g) Members of the bargaining unit on approved injury on duty status for more than five (5) days in a calendar quarter will be ineligible to participate in this program for that quarter.

Section 9. Two Shifts Separated by Eight Hours In the event an employee who is scheduled to work two shifts separated by only 8 hours (except for overtime) in a 24-hour period is sick, he/she will be charged for one day sick leave in the first 24-hour period of sickness. If the period of disability exceeds the first 24-hour period, all subsequent shifts will be charged at one day per shift.

Section 10. Fitness for Duty Members of the bargaining unit may be required to submit medical verification of their current ability to perform their essential job functions upon return to work following use of sick leave in excess of five (5) consecutive shifts, or after hospitalization or major surgery.

ARTICLE 11
HEART INJURY, HYPERTENSION AND HEART BY-PASS

Section 1. Employees absent from duty on account of a heart injury except for hypertension and heart bypass surgery shall receive their full weekly compensation during the period of such absence without charging such absence to NOSL until a physician appointed by the town finds the employee fit to return to duty, the employee retires, or the employee ceases employment with the Town.

Section 2. Employees absent from duty on account of hypertension or for heart bypass surgery will be compensated as follows for up to ninety (90) calendar days of absence.

(a) The Town will match on a one-for-one basis each day of absence. The employee's days will be charged to the employee's accrued NOSL. The Town's match will be in addition to any NOSL the employee has accrued. The Town will only match those days for which the employee has contributed one NOSL day. Not later than 90 calendar days after onset of the absence, the employee will either submit an application for retirement or return to work. Provided, however, that if a physician appointed by the Town is unable to determine that the employee is either fit for duty or is permanently disabled, the Town will continue to match on a one-for-one basis any additional period of absence. Until the Town's physician has made his/her determination, the employee will either return to work or submit his/her application for retirement. If the Town's physician recommends retirement, then, upon submission of the application, the Town will pay full weekly compensation to the employee for a period up to 120 days or until retirement, whichever comes first.

(b) If the employee exhausts his/her accrued NOSL, the Town Manager may, in her/his sole discretion, grant a further period of paid leave.

Section 3. Medical, hospital, surgical, medicinal or similar bills incurred in the treatment of hypertension or heart bypass operation shall not be deemed to arise out of a work-related injury and will not be paid by the Town except to the extent that the Town contributes to the employee's health insurance premiums. They may be submitted to the applicable health insurance provider for appropriate coverage.

Section 4. Employees, while being compensated hereunder, shall not accrue additional NOSL or vacation time.

ARTICLE 12
INJURY ON DUTY

Section 1. Determination of IOD Status The determination of eligibility for IOD status in accordance with M.G.L. Chapter 41 S 111F shall be made by the Town Manager or her/his designee. Prior to the approval of eligibility for benefits under this section, the Police Officer may be placed on non-occupational sick leave. If during the period in which the Town is determining eligibility for injured on duty status the employee exhausts his/her banked non-occupational sick leave, the Town will provide the employee with additional sick leave up to the date of determination. If the request for benefits under this section is approved, the period of the non-occupational sick leave shall be converted retroactively to Injured on Duty status.

Section 2. Physical/Psychological Examinations The Town may require a Police Officer who requests benefits under this section to submit to physical or psychological examinations, at the expense of the Town, prior to being placed on IOD Status. Such examination will be conducted by a physician who is Board-certified or is a specialist in the field which is directly related to the illness/injury for which benefits are sought.

Section 3. Appeals An employee whose claim for benefits under this section is denied by the Town shall have the right to file for arbitration under Article 21 of this Agreement or to file an appeal under the applicable provision of Massachusetts General Law.

Section 4. Accruals Employees receiving benefits in accordance with this section who are on approved IOD status for an entire calendar month shall not be entitled to sick leave accrual for that month.

Section 5. There is no waiver of any claim that a member may have against any third party causing the injury other than a claim against the Town.

ARTICLE 13
TEMPORARY MODIFIED WORK PROGRAM

Section 1. Work-related Illness or Injury

(a) If a physician designated by the Town of Needham determines that a police officer is eligible for temporary modified work, the Chief may assign that police officer to a Temporary Modified Work Program. Failure of the police officer to comply with

the Temporary Modified Work Program may result in suspension of IOD benefits. The physician designated by the Town shall be Board-certified or otherwise be a specialist or have expertise in the relevant area of injury or illness. Any determination that an officer can do temporary modified work shall be made only after a review of the specific duties that the officer will be asked to perform. The Town-designated physician shall give his or her opinion as to whether the officer can perform the specific tasks enumerated.

(b) If the physician designated by the Town determines that the employee is eligible for temporary modified work, and the employee's physician (who shall be Board-certified or otherwise be a specialist or have expertise in the relevant area of injury or illness), disagrees, the employee, or if the employee so designates, the employee's physician, shall contact the Town's physician within fourteen (14) calendar days of receiving the Town physician's report. If the employee or the employee's physician fails to contact the Town's physician within fourteen (14) calendar days, the decision of the Town's physician shall be final and binding.

(c) The Town's designated physician shall confer with the employee or the employee's physician on the question of the employee's ability to perform temporary modified work and they shall attempt to reach agreement. If they agree that the employee can perform temporary modified work, the employee shall be placed on a TMWP. If, after discussion, they fail to reach agreement, they shall jointly select a third physician, who shall be Board-certified or otherwise be a specialist or have expertise in the relevant area of injury or illness. Such selection will be made within 21 days of the original decision of the Town's physician. Failure or refusal on the part of the employee or the employee's physician to cooperate in this selection may void any obligation by the Town to appoint a third physician and the decision of the Town's physician shall be final and binding.

(d) The Town or its physician shall make an appointment for the employee with the third physician and shall advise the employee of the time, date and place. Except for emergency, the employee shall report to and fully cooperate with the third physician**.** The report of the third physician must be completed and results received by the Town and the employee within fourteen (14) calendar days of the appointment.

(e) An election by an employee to utilize the third physician option permitted hereunder shall be a binding election of remedies. Such election shall preclude any right to bring an action or challenge the decision of the third physician, either pursuant to MGL Chapter 41, Section 111F, or pursuant to the grievance/arbitration procedures under this contract. The decision of the third physician shall be final and binding without right of appeal by either party. The cost of the third physician shall be borne by the Town and the Union jointly.

(f) The provisions of this section shall apply only to questions relating to the determination of eligibility for temporary modified work.

Section 2. Non-Occupational Illness or Injury

Upon release to the Town of the medical reports necessary to make a determination of ability to perform temporary modified work, an employee on NOSL may request a temporary modified work assignment. If the employee's physician determines that the employee is eligible for TMWP, the Chief of Police may assign that employee to a temporary modified work program. The Town shall have the right to require that the employee be examined by a Town-designated physician in order to confirm the employee's ability to return to temporary modified work.

Section 3. General Provisions

(a) Temporary modified work duties shall be related to law enforcement and shall include, but not be limited to, the following: dispatching, house officer, data entry, report writing, community education, research, and training.

(b) The Chief of Police, at his or her sole discretion, may limit the number of police officers on temporary modified work plans at any given time. TMWP shall be reviewed on a periodic basis and notice shall be provided to the police officer whether or not the TMWP is to continue. In no event will a police officer be authorized for TMWP in excess of six (6) consecutive months without the advance written approval of the Town Manager or his or her designee**.**

(c) The Chief of Police may change the work schedule of the officer if the work assignment clearly requires an alternative shift schedule. Such work shift shall remain only for the period of the TMWP. Schedules will be developed in order to accommodate the officer's need for on-going treatment. No officer regularly assigned to a shift shall be involuntarily reassigned in order to accommodate an employee on Temporary Modified Work Program.

(d) Police officers on TMWP shall not be eligible for any overtime (excluding court time) or detail assignments except in extraordinary circumstances with the advance approval of the Chief of Police or his or her designee.

4. TESTING

Sworn personnel of the Needham Police Department will be tested for drugs and/or alcohol under the following circumstances:

4.1 Reasonable Suspicion of Drug and/or Alcohol Use

4.1.1 Sworn personnel will be tested for drugs and/or alcohol when a supervisor determines that there is reasonable suspicion (as defined in Section 2.7 of this policy) to believe that the officer is under the influence of drugs and/or alcohol, but only after compliance with the procedures set forth in Appendix A.

4.1.2 Any test result based upon reasonable suspicion will be discarded if it is later determined that reasonable suspicion did not exist. The results of the test cannot be used to establish reasonable suspicion. If the officer tests negative for drugs or alcohol, the officer will be compensated for any regularly scheduled hours he/she would have worked during this period.

4.1.3 An officer will be placed on administrative leave while waiting for a test result based on reasonable suspicion, in accordance with the provisions of the collective bargaining agreement. Said leave shall not exceed seven (7) days.

4.1.4 In the event the initial reasonable suspicion drug test is positive, time restraints for administrative leave will be waived to allow for additional procedural testing, as authorized and allowed under the DOT Regulations, to occur. The Town will disclose to the Union the random testing mechanism used by its contracted vendor. Any test which it is determined not to have been conducted on a random basis will be deemed to be a negative result.

4.4 Return to Duty – When an officer tests positive for drugs or alcohol, he or she will be required to submit to a return to duty drug and/or alcohol test after assessment by a substance abuse professional (SAP), completion of treatment, if any is required, and clearance to return to full-duty is provided by the SAP. In order to return to duty, the officer must have a BAC of less than .02 and/or a verified negative drug test. Without a successful test result, the Officer is considered to be unqualified to continue to perform work-related functions. The cost of the return to duty test will be borne by the Town.

4.5 Follow-up Testing - Sworn personnel referred by the department to treatment, and who undergo any form of treatment for substance abuse, will be subject to unannounced testing for a period of two years following a return to full duty (which shall be subject to a medical certification that the officer is qualified to safely carry a weapon). 4.8 Any test in which proper procedures are not followed, in which chain of custody is breached, in which a split sample test results in a negative test, when the MRO deems the test to be negative, or which is invalidated for any reason, through no fault of the officer, will be deemed a negative result. The sample and the results will be destroyed.

4.9 If the result of any test is negative, or deemed negative, for drugs or alcohol, the officer will be compensated for any regularly scheduled hours he/she would have worked during any period he or she was placed on administrative leave.

4.10 No test result or sample will be used for criminal prosecution or any purpose other than treatment or discipline under this policy. No officer will be compelled to submit to testing in accordance with Section 2.7.3 unless the department can provide written assurance that the results will not be provided to any law enforcement agency in connection with the arrest or indictment, or in connection with any sentencing.

Officers will be placed on non-occupational sick leave, accrued leave, or leave without pay status, whichever is appropriate, during the treatment period. Officers who fail to comply with the treatment required by the SAP will be subject to disciplinary action up to and including termination.

5.9 Failure to adhere to the terms of a rehabilitation agreement shall result in disciplinary action up to and including termination.

5.10 Officers may challenge a finding of reasonable suspicion through the grievance and arbitration provisions of the collective bargaining agreement. In the event that the officer prevails and reasonable suspicion is not upheld, the result will be deemed to be negative.

5.11 If the Town suspends disciplinary action in accordance with section 5.3, time limits for challenging the disciplinary action will begin when and if the disciplinary action is actually imposed.

6. TRAINING

6.1 The Town will provide a minimum of two (2) hours of training annually for supervisors regarding misuse of alcohol and use of illegal drugs, including the circumstances which constitute reasonable suspicion.

REFERRAL PROCEDURES FOR SUPERVISORS

The department's supervisors (Sergeants, Lieutenants, Chief) are responsible for being alert to declining job performance, erratic behavior or other symptoms of possible substance abuse. Whenever a supervisor who has been trained in making determinations of reasonable suspicion of drug and/or alcohol use (as defined in Section 2.7 of these procedures) makes such a determination, the following steps will be taken:

1. The supervisor will document in writing all circumstances, information and facts leading to and supporting his/her suspicion. At a minimum, the report will include appropriate dates and times of suspect behavior, reliable/credible sources of information, rationale leading to referral for testing, and the action(s) taken.

2. Prior to referring an officer for testing, the supervisor will discuss the problem with the officer in a private location with one witness, preferably another supervisor, present. Caution will be taken not to accuse the officer of substance abuse, but the officer will be presented with instances of questionable behavior. If the officer does not have an acceptable explanation for his questioned behavior, the supervisor will continue with the procedures set forth in this section. Nothing in this procedure is intended to prevent the officer from invoking any Weingarten rights the officer may have. The officer shall have the opportunity to consult with a representative of the Union or his or her attorney, and to have either present, as long as such consultation and representation does not serve to delay the testing process.

3. The supervisor shall consult with the Chief of Police or his or her designee and they shall jointly decide whether to refer an officer for testing. All persons involved in the decision-making process will have received training in the identification of actions, appearance, and conduct that are indicative of the use of alcohol and/or drugs.

4. In those cases where the supervisor determines that the person's behavior causes a potential threat of harm to himself or others, the officer will be immediately removed from the work site and where there is no other misconduct resulting in suspension the officer shall be placed on administrative leave and shall be subject to customary restrictions of such leave.

5. Once a determination has been made to refer an officer for testing, it will be the responsibility of the supervisor to advise the officer of such decision and to escort the officer to a collection facility. The supervisor should remain with the officer at the collection site facility until testing is concluded. In the event that leaving the scene and/or remaining with the officer is not feasible, the supervisor will:

    5.1 Arrange transportation to the collection facility (the officer will be instructed not to drive a vehicle);

    5.2 Notify the collection facility that the officer is being sent for testing;

5.3 Request that the collection facility notify the supervisor when collection procedures are completed;

5.4 Arrange transportation for the officer following the collection process; and

5.5 Notify the officer that he or she is not to return to work pending receipt of the test results by the Investigating officer.

5.6 Upon conclusion of the examination, the supervisor will ensure that the officer is escorted to his destination. The supervisor will direct the officer not to drive himself/herself to his/her destination. The officer will be placed on administrative leave in accordance with Section 5.1.3 of this policy pending receipt by the Investigating officer of the test results and the officer will be notified of this change in status.

5.7 If the officer tests negative for drugs or alcohol, the officer will be compensated for any regularly scheduled hours he or she would have worked during the suspension period.

5.8 In those cases where a supervisor discovers an officer who possesses what appears to be illegal drugs or alcohol, he or she will proceed as described above for instances where reasonable suspicion exists, and, if the substance in question appears to be an illegal drug, will–immediately confiscate the substance and all equipment or paraphernalia directly employed with the substance consistent with the department's procedures for handling and collecting evidence**.**

Section 3. Usage

(a) Use of non-occupational sick leave shall be granted to an employee only when the employee is incapacitated from the performance of duties by personal sickness, injury or quarantine by public health authorities, except that an employee shall be allowed to use up to ten (10) days of non-occupational sick leave when available per fiscal year for illness or injury of a parent, spouse or child of the employee. Sick leave used for qualified and approved family and medical leave in accordance with the FMLA is not subject to the ten (10) day limit.

Eligible employees may elect to "buy back" a maximum of 8 hours converted to personal leave per quarter. Eligible employees must elect such conversion by January 15th of each year for the accumulation calculations based upon calendar quarters occurring during the prior calendar year.

(b) Eligible members of the bargaining unit electing to convert non-occupational sick leave hours to personal leave must use such leave hours (a maximum of 64 hours) by December 31 of the year in which they are converted. Use of converted time will only be granted if the Chief of Police determines that no unreasonable overtime obligation or staffing deficiency, which is known as of the date of request, will occur.

(c) Eligible members of the bargaining unit electing to buy back non-occupational sick leave hours converted to personal leave at their regular rate of pay (a maximum of 32 hours) must do so by January 15th of each year.

(d) Eligible members of the bargaining unit may elect a combination of the options set forth in (b) and (c) to the extent that hours converted or bought back do not exceed the maximum number of hours. However, once an employee elects to convert non-occupational sick leave to personal leave, those hours will expire if not used by December 31st.

(e) Hours converted or bought back in accordance with this program will be deducted from an employee's non-occupational sick leave bank.

(f) The provisions of this section shall not apply to Personal Leave described in Article 6 Section 7.

(g) Members of the bargaining unit on approved injury on duty status for more than five (5) days in a calendar quarter will be ineligible to participate in this program for that quarter.

ARTICLE 10
INJURY ON DUTY

When a Lieutenant is incapacitated for duty because of injury or illness sustained in the performance of duty (including paid detail duty) without fault of his/her own, he/she shall be granted leave without loss of pay in accordance with M.G.L. Chapter 41 Section 111F and will be indemnified for reasonable and customary expenses in accordance with M.G.L. Chapter 41 Section 100, subject to the provisions outlined below and pursuant to the Injury on Duty Policy.

Section 1. Determination of IOD Status The determination of eligibility for IOD status in accordance with M.G.L. Chapter 41 Section 111F shall be made by the Town Manager or his/her designee. Prior to the approval of eligibility for benefits under this section, the Lieutenant may be

placed on non-occupational sick leave. If during the period in which the Town is determining eligibility for injured on duty status the employee exhausts his/her banked non-occupational sick leave, the Town will provide the employee with additional sick leave up to the date of determination. If the request for benefits under this section is approved, the period of the non-occupational sick leave shall be converted retroactively to Injured on Duty status.

Section 2. Physical/Psychological Examinations The Town may require a Lieutenant who requests benefits under this section to submit to physical or psychological examinations, at the expense of the Town, prior to being placed on IOD Status. Such examination will be conducted by a physician who is Board-certified or is a specialist in the field which is directly related to the illness/injury for which benefits are sought.

Section 3. Appeals An employee whose claim for benefits under this section is denied by the Town shall have the right to file for arbitration under Article 19 of this Agreement or to file an appeal under the applicable provision of Massachusetts General Law.

Section 4. Accruals Employees receiving benefits in accordance with this section who are on approved IOD status for an entire calendar month shall not be entitled to sick leave accrual for that month.

Section 5. Medical Case Management The Town or its designated occupational health consultant will review all requests for indemnification of medical expenses and will make payment for indemnification of medical expenses and will make payment for reasonable and customary charges. Injured employees will be required to provide medical information release forms from all relevant medical providers for injuries/illnesses for which benefits are sought. It is understood that all employee medical information will be kept strictly confidential as provided by state law.

Section 6. Members of the bargaining unit who accept benefits under this Article and in accordance with M.G.L. c. 41 Sections 100 and 111F thereby and forever waive a suit for damages for the same injury against the Town of Needham with the following exceptions: (1) an action to enforce the member's rights under Section 100 or 111F if such right is denied by the Town; (2) any claim for disability retirement benefits; (3) an action brought after the Town has terminated benefits because of an assertion that the injury was not sustained in the performance of duty. There is no waiver of any claim that a member may have against any third party causing the injury other than a claim against the Town.

ARTICLE 11
HEART AND HYPERTENSION

Section 1. Employees absent from duty on account of a heart injury except for hypertension and heart bypass surgery shall receive their full weekly compensation during the period of such absence without charging such absence to NOSL until a physician appointed by the Town finds the employee fit to return to duty, the employee retires, or the employee ceases employment with the Town.

Section 2. Employees absent from duty on account of hypertension or for heart bypass surgery will be compensated as follows for up to ninety (90) calendar days of absence.

Section 3. The Town will match on a one-for-one basis each day of absence. The employee's days will be charged to the employee's accrued NOSL. The Town's will be in addition to any NOSL the employee has accrued. The Town will only match those days for which the employee has contributed one NOSL day. Not later than 90 calendar days after onset of the absence, the employee will either submit his application for retirement or return to work. Provided, however, that if a physician appointed by the Town is unable to determine that the employee is either fit for duty or is permanently disabled, the Town will continue to match on a one-for-one basis any additional period of absence until the Town's physician has made his determination, the employee will either return to work or submit his application for retirement. If the Town's physician recommended retirement, then, upon submission of the application, the Town will pay full weekly compensation to the employee for a period up to 120 days or until retirement, whichever comes first.

Section 4. If the employee exhausts his accrued NOSL, the Town Manager may, at his/her sole discretion, grant a further period of paid leave.

Section 5. Medical, hospital, surgical, medicinal or similar bills incurred in the treatment of heart injury, hypertension or heart bypass operation shall not be deemed to arise out of a work-related injury and will not be paid by the Town except to the extent that the Town contributes to the employees' health insurance premiums. They may be submitted to the applicable group health insurance provider for appropriate coverage.

Section 6. Employees, while being compensated hereunder, shall not accrue additional NOSL or vacation time.

ARTICLE 12
TEMPORARY MODIFIED WORK PROGRAM

Section 1. Work-related Illness or Injury

(a) If a physician designated by the Town of Needham determines that a Lieutenant is eligible for temporary modified work, the Chief of Police may assign that Lieutenant to a Temporary Modified Work Program. Failure of the Lieutenant to comply with the Temporary Modified Work Program may result in suspension of IOD benefits. The physician designated by the Town shall be Board-certified or otherwise be a specialist or have expertise in the relevant area of injury or illness. Any determination that a Lieutenant can do temporary modified work shall be made only after a review of the specific duties that the Lieutenant will be asked to perform. The Town-designated physician shall give his or her opinion as to whether the Lieutenant can perform the specific tasks enumerated.

(b) If the physician designated by the Town determines that the Lieutenant is eligible for temporary modified work, and the Lieutenant's physician (who shall be Board-

certified or otherwise be a specialist or have expertise in the relevant area of injury or illness), disagrees, the Lieutenant, or, if the Lieutenant so designates, the Lieutenant's physician, shall contact the Town's physician within fourteen (14) calendar days of receiving the Town physician's report. If the Lieutenant, or the Lieutenant's physician, fails to contact the Town's physician within fourteen (14) calendar days, the decision of the Town's physician shall be final and binding.

(c) The Town's designated physician shall confer with the Lieutenant or the Lieutenant's physician on the question of the Lieutenant's ability to perform temporary modified work and they shall attempt to reach agreement. If they agree that the Lieutenant can perform temporary modified work, the Lieutenant shall be placed on a TMWP. If, after discussion, they fail to reach agreement, they shall jointly select a third physician, who shall be Board-certified or otherwise be a specialist or have expertise in the relevant area of injury or illness. Such selection will be made within 21 days of the original decision of the Town's physician. Failure or refusal on the part of the Lieutenant or the Lieutenant's physician to cooperate in this selection may void any obligation by the Town to appoint a third physician and the decision of the Town's physician shall be final and binding.

(d) The Town or its physician shall make an appointment for the Lieutenant with the third physician and shall advise the Lieutenant of the time, date and place. Except for emergency, the Lieutenant shall report to and fully cooperate with the third physician. The report of the third physician must be completed and results received by the Town and the Lieutenant within fourteen (14) calendar days of the appointment.

(e) An election by a Lieutenant to utilize the third physician option permitted hereunder shall be a binding election of remedies. Such election shall preclude any right to bring an action or challenge the decision of the third physician either pursuant to M.G.L. c. 41, Section 111F or pursuant to the grievance/arbitration procedures under this contract. The decision of the third physician shall be final and binding without right of appeal by either party. The cost of the third physician shall be borne by the Town and the Union jointly.

(f) The provisions of this section shall apply only to questions relating to the determination of eligibility for temporary modified work.

Section 2. Non-Occupational Illness or Injury

Upon release to the Town of the medical reports necessary to make a determination of ability to perform temporary modified work, a Lieutenant on NOSL may request a temporary modified work assignment. If the Lieutenant's physician determines that the Lieutenant is eligible for TMWP, the Police Chief of Police may assign that Lieutenant to a temporary modified work program. The Town shall have the right to require that the Lieutenant be examined by a Town-designated physician in order to confirm the Lieutenant's ability to return to temporary modified work.

Section 3. General Provisions

(a) Temporary modified work duties shall be related to law enforcement and shall include, but not be limited to, the following: data entry, report writing, community education, research, and training.

(b) The Chief of Police, at his or her sole discretion, may limit the number of Lieutenants on temporary modified work plans at any given time. TMWP shall be reviewed on a periodic basis and notice shall be provided to the Lieutenant whether or not the TMWP is to continue. In no event will a Lieutenant be authorized for TMWP in excess of six (6) consecutive months without the advance written approval of the Town Manager or his or her designee.

(c) The Chief of Police may change the work schedule of the Lieutenant if the work assignment clearly requires an alternative shift schedule. Such work shift shall remain only for the period of the TMWP. Schedules will be developed in order to accommodate the Lieutenant's need for on-going treatment. No Lieutenant regularly assigned to a shift shall be involuntarily reassigned in order to accommodate a Lieutenant on a Temporary Modified Work Program.

ARTICLE 13
BEREAVEMENT LEAVE

Section 1. ARTICLE 19
SETTLEMENT OF GRIEVANCES

Section 1. A grievance is an employee's expressed feeling of dissatisfaction, presented in writing, concerning aspects of his/her employment or working conditions, which has not been resolved to the employee's satisfaction through informal discussion. Such grievance may relate to the interpretation or application of, or compliance with, any of the provisions of said Agreement. Grievances of the employees shall be advanced to the Town by the Association, but nothing in this Article shall prevent individual employees from presenting their own grievances, provided that any settlement of such individual grievances shall not be inconsistent with the terms of the Agreement.
Section 2. It is anticipated that the Town and the Association will make a sincere effort to reconcile their differences. The following procedures are established for settlement of grievances:

A. The employee's grievance must contain the following information:

(1) a statement of the grievance which cites that part of the Agreement which has been violated, or the circumstances which gave rise to the grievance;

(2) a statement of remedial action or relief sought;

(3) evidence (documentary, if available) to support the grievance; and

(4) a statement of reasons why the aggrieved believes that the remedy should be granted.

B. Step One (1)

Any grievance must be presented for discussion with the Chief of Police within five (5) business days of the occurrence of the event(s) giving rise to the grievance, or, within five (5) business days of the Association's gaining knowledge of such event(s), whichever is later. The Chief of Police must make his or her decision within five (5) working days after receipt of the grievance, unless it is mutually agreed by the participants that additional time to answer is allowed.

C. Step Two (2)

Should the grievance remain unsettled, the employee or the Association must present it to, the Director of Human Resources within ten (10) business days after the decision of the Chief of Police is rendered, otherwise the matter will be considered resolved. The Director of Human Resources shall make his/her decision within fifteen (15) business days after receipt of the grievance unless it is mutually agreed by the participants that additional time to answer is allowed.

D. Step Three (3)

(1) Should the Association wish to appeal the decision of the Director of Human Resources, it shall present the grievance to the Personnel Board/Town Manager within ten (10) business days after the decision of the Director of Human Resources is rendered, otherwise the matter will be considered resolved. If, after its own investigation, the Personnel Board/Town Manager agrees with the decision of the Director of Human Resources, the Personnel Board/Town Manager will issue a decision.

(2) If the Personnel Board determines that it will require additional information before issuing a decision, it will convene a meeting of the Joint Resolution Committee (JRC). The JRC will be comprised of two (2) members of the Personnel Board and two (2) members of the Select Board and the Town Manager.

(3) The JRC shall present its findings to the Personnel Board/Town Manager. Three (3) affirmative votes of the JRC will be required to overturn the decision of the Director of Human Resources (Step 2). If the JRC is deadlocked, voting two (2) for and two (2) against the previous ruling, the Personnel Board/Town Manager shall then issue a decision based upon the majority vote of the Personnel Board/Town Manager.

(4) The Personnel Board will issue a decision within 30 business days of receipt of the grievance by the Director of Human Resources. The timeframes in this section may be extended at the agreement of the parties.

E. ARBITRATION

Should the grievance remain unsettled after the decision of the Personnel Board, the Association may, by giving written notice to the Town Manager, submit the grievance to arbitration. Such

notice shall be given within fifteen (15) business days from the date of the decision of the Personnel Board. If such written notice is not given, the grievance shall be deemed to be settled.

(1) In the event that the Association elects to submit a grievance to arbitration, the arbitrator shall be selected according to, and be governed by, the following procedure: The arbitrator is to be mutually selected by the Town and the Association. If the Town and the Association cannot agree within fifteen (15) business days after the written notice specified above of the intention to arbitrate, then the party demanding arbitration shall, within five (5) business days thereafter, request the American Arbitration Association to provide a panel of arbitrators. Said arbitrators are then to be selected under the provisions of a Voluntary Labor Arbitration Rules.

(2) The fees of the American Arbitration Association and of the arbitrator and the expenses of any required hearings shall be shared equally by the Association and the Town, but each party shall bear the expenses of its representatives, participants, witnesses and for the preparation and presentation of its own case. The obligation of the Town and its agents under the terms of this section shall be limited to those obligations which the Town and its agents may legally undertake, and in no event shall any present or future member of the Personnel Board or Select Board have any personal obligation for payment under the provisions of this contract.

(3) The arbitrator's award shall be in writing and shall set forth the arbitrator's findings of fact with reasoning and conclusions. The arbitrator shall arrive at his/her decision solely upon the facts, evidence and contentions presented by the parties through the arbitration proceeding. The arbitrator shall have no power to add to, subtract from or modify any of the terms of this Agreement, and in reaching his/her decision shall interpret the Agreement in accordance with the commonly accepted meaning of words used herein and the principle that there are no restrictions intended on the rights or authority of the Town or Chief of Police other than those expressly set forth herein. The award of the arbitrator shall be final and binding upon the Town, its officers and agents and upon the Association and the employees whom it represents.

(4) Notwithstanding anything to the contrary, no dispute or controversy shall be the subject of arbitration unless it involves the interpretation or application of provisions of this Agreement. The parties may, by mutual agreement, submit more than one pending grievance to the same arbitrator.

1. INTRODUCTION

1.1 To ensure a safe, healthful and productive work environment, to protect the health and welfare of the citizens of the Town of Needham, and to assure compliance with the Federal Drug-Free Workplace Act of 1988, the department has adopted this policy to address drug and alcohol abuse by sworn personnel. These procedures provide the department with reasonable measures to ensure that drug and/or alcohol use do not jeopardize the public or the department's ability to serve its citizens.

1.2 It is the general intent of the policy to create a humanitarian program. Treatment and discipline are both important aspects of the plan. Drug and alcohol testing, which will be part of the program, are intended in part as a means of identifying those who need help.

1.3 The department will not tolerate any drug or alcohol use which could affect an officer's job performance. The public has a right to expect that sworn personnel will carry out their duties in a safe and reliable manner, free from the effects of drug or alcohol use. This policy replaces any and all earlier policies or procedures on drug testing and applies to all sworn personnel.

These procedures apply to all sworn personnel. The department reserves the right to modify these procedures, in whole or in part, only in accordance with law and contractual procedures.

2.5 Accident - an unplanned, unexpected and unintended event which occurs on department property, on department business, or during working hours; and initially appears to have been caused wholly or partially by a sworn police officer, and results in either a fatality, bodily injury requiring medical treatment away from the scene of the event, or damage to property in excess of $2,500. An unplanned, unexpected and unintended discharge of a firearm, rifle, and/or shotgun, is also an "accident."

2.6 Drug Paraphernalia - any item which is clearly intended for use in administering, transferring, manufacturing, testing, or storing of a controlled substance, and which is not authorized or intended for use in the course of legitimate law enforcement activities.

2.7 Reasonable Suspicion of Drug and/or Alcohol Use - the reasonable suspicion standard for drug testing of sworn personnel is based upon specific objective facts and reasonable inference drawn from those facts, in light of experience and training, that the suspected individual may be involved in the use of any illegal drug or alcohol, as documented in accordance with Appendix A of this policy. Examples would include one or more of the following:

2.7.1 Observable phenomena, such as direct observation of on-duty alcohol use or possession and/or direct observation of on-duty or off-duty use or possession of illegal drugs, and/or the on-duty display of behaviors which appear to be indicative of the use of any illegal drug or alcohol, and are not attributable to other factors;

2.7.2 A pattern of abnormal conduct, erratic behavior or deteriorating work performance, including but not limited to, frequent absenteeism, excessive tardiness, or frequent accidents, not attributable to other factors and which appear to be related to drug and/or alcohol abuse;

2.11 Substance Abuse Professional (SAP) – an individual who is qualified by virtue of training and education in the treatment of substance abuse, who is retained by the Town to recommend and/or review an officer's drug and/or alcohol treatment program.

3.15 Consumption of alcoholic beverages to the extent that the officer is unfit for his or her next regular tour of duty.

4. TESTING

Sworn personnel of the Needham Police Department will be tested for drugs and/or alcohol under the following circumstances:

4.1 Reasonable Suspicion of Drug and/or Alcohol Use

4.1.1 Sworn personnel will be tested for drugs and/or alcohol when a supervisor determines that there is reasonable suspicion (as defined in Section 2.7 of this policy) to believe that the officer is under the influence of drugs and/or alcohol, but only after compliance with the procedures set forth in Appendix A.

4.1.2 Any test result based upon reasonable suspicion will be discarded if it is later determined that reasonable suspicion did not exist. The results of the test cannot be used to establish reasonable suspicion. If the officer tests negative for drugs or alcohol, the officer will be compensated for any regularly scheduled hours he/she would have worked during this period.

4.1.3 An officer will be placed on administrative leave while waiting for a test result based on reasonable suspicion, in accordance with the provisions of the collective bargaining agreement. Said leave shall not exceed seven (7) days.

4.1.4 In the event the initial reasonable suspicion drug test is positive, time restraints for administrative leave will be waived to allow for additional procedural testing, as authorized and allowed under the DOT Regulations, to occur. The officer shall remain on paid administrative leave until the conclusion of the additional procedural testing.

4.2 Post-Accident - An officer will be subject to a post-accident drug and alcohol test if he or she is involved in an accident as defined in Section 2.5 of this policy.

4.3 Annual Testing - In a joint desire to achieve and maintain a work force that is 100% drug free, all sworn personnel shall be subject to annual drug testing. The Department shall schedule such examination within 30 days of the officer's birthday, and will so notify each officer as far in advance as practicable.

4.4 Random Testing – Fifty percent (50%) of the bargaining unit will be subject to random, unannounced testing for illegal drugs and twenty-five percent (25%) of the bargaining unit will be subject to random, unannounced testing for alcohol on an annual basis. The Town will disclose to the Union the random testing mechanism used by its contracted vendor. Any test which it is determined not to have been conducted on a random basis will be deemed to be a negative result.

4.5 Return to Duty - When an officer tests positive for drugs or alcohol, he or she will be required to submit to a return to duty drug and/or alcohol test after assessment by a substance abuse professional (SAP), completion of treatment, if any is required, and clearance to return to full-duty is provided by the SAP. In order to return to duty, the officer must have a BAC of less than .02 and/or a verified negative drug test. Without a successful test result, the Officer is considered to be unqualified to continue to perform work-related-functions. The cost of the return to duty test will be borne by the Town.

4.6 Follow-up Testing - Sworn personnel referred by the department to treatment, and who undergo any form of treatment for substance abuse, will be subject to unannounced testing for a period of two years following a return to full duty (which shall be subject to a medical certification that the officer is qualified to safely carry a weapon). Follow-up testing will be limited to three (3) tests per year, and the cost of the follow-up testing will be borne by the Town.

4.7 Testing Procedures

4.7.1 Alcohol Testing Alcohol testing will be conducted in accordance with the Department of Transportation Regulations (49 CFR part 40).

4.7.2 Drug Screening Drug tests will consist of screening for five drugs, classes of drugs, or their metabolites: marijuana metabolites, cocaine metabolites, opiate metabolites, phencyclidine (PCP), and amphetamines. Drug screening using urinalysis will be conducted in accordance with the Department of Transportation Regulations (49 CFR part 40).

4.8 Re-tests

4.8.1 The Urine drug screen process will include provisions for split sample collection in accordance with DOT regulations.

4.8.2 Alcohol testing will include provisions for re-testing in accordance with DOT regulations.

4.8.3 The department shall immediately place any officers who have requested a re-test on administrative leave pending the outcome of the re-test.

4.8.4 The cost of the re-test will be borne by the officer. If the result of the re-test result is negative, the officer shall be reimbursed for the costs of the test.

4.9 Any test in which proper procedures are not followed, in which chain of custody is breached, in which a split sample test results in a negative test, when the MRO deems the test to be negative, or which is invalidated for any reason, through no fault of the officer, will be deemed a negative result. The sample and the results will be destroyed.

4.10 If the result of any test is negative, or deemed negative, for drugs or alcohol, the officer will be compensated for any regularly scheduled hours he/she would have worked during any period he or she was placed on administrative leave.

4.11 No test result or sample will be used for criminal prosecution or any purpose other than treatment or discipline under this policy. No officer will be compelled to submit to testing in accordance with Section 2.7.3 unless the department can provide written assurance that the results will not be provided to any law enforcement agency in connection with the arrest or indictment, or in connection with any sentencing.

4.12 All negative samples will be destroyed, and all positive samples will be destroyed after any appeal period has been exhausted. Samples will not be tested for any purpose other than the drugs specified.

5. CONSEQUENCES OF VIOLATION OF THE POLICY

5.1 Officers who test positive for alcohol or drugs will be placed on administrative leave during the period of any retest.

5.2 Officers who are confirmed to have tested positive for drugs or alcohol will be subject to disciplinary action up to and including termination. Officers who do not agree to enter into a Rehabilitation Agreement will only be allowed to return to work, if appropriate, in accordance with the Return to Duty and Follow-up testing provisions set forth in sections 4.5 and 4.6.

5.3 Officers who agree to enter into a Rehabilitation Agreement in accordance with this policy and Appendix B will have any imposed disciplinary action suspended pending the completion of the rehabilitation, provided that the officer has not tested positive for drugs within the preceding five (5) years or tested positive for alcohol within the preceding three (3) years. In the event that the officer successfully completes the rehabilitation and returns to work in accordance with the provisions outlined below, the imposed disciplinary action will be expunged. Rehabilitation provisions will apply only to the positive test result; an officer may be subject to additional disciplinary action for any related offense or violation of the rules and regulations of the Needham Police Department.

5.4 Officers who enter into a Rehabilitation Agreement must be evaluated by a Substance Abuse Professional (SAP) and comply with any treatment recommendations to assist them with an

alcohol or drug problem. The payment of the recommended treatment will be at the expense of the officer (or his or her health insurance program, if applicable). Officers will be placed on non-occupational sick leave, accrued leave, or leave without pay status, whichever is appropriate, during the treatment period. Officers who fail to comply with the treatment required by the SAP will be subject to disciplinary action up to and including termination.

5.5 Officers who have been evaluated by a Substance Abuse Professional, who are cleared by the SAP to perform all of their essential functions, who comply with any recommended treatment, who have taken and passed a return to duty test, and who are subject to unannounced follow-up tests, may return to work. As a condition of employment, the officer must comply with prescribed follow-up care, if any.

5.6 Officers who have returned to work under these conditions and who subsequently test positive for drugs or alcohol in accordance with this policy within five (5) or three (3) years, respectively, will be terminated immediately. An officer who tests positive for drugs or alcohol after the five (5) or three (3) year period will be subject to disciplinary action or offered rehabilitation provisions as if it were a first positive **test.**

5.7 Refusing to submit to a drug or alcohol test will result in disciplinary action up to and including termination.

5.8 Switching or adulterating any or urine sample will result in a recommendation of termination.

5.9 Failure to adhere to the terms of a rehabilitation agreement shall result in disciplinary action up to and including termination.

5.10 Officers may challenge a finding of reasonable suspicion through the grievance and arbitration provisions of the collective bargaining agreement. In the event that the officer prevails and reasonable suspicion is not upheld, the result will be deemed to be negative.

5.11 If the Town suspends disciplinary action in accordance with section 5.3, time limits for challenging the disciplinary action will begin when and if the disciplinary action is actually imposed.

6. TRAINING

6.1 The Town will provide a minimum of two (2) hours of training annually for supervisors regarding misuse of alcohol and use of illegal drugs, including the circumstances which constitute reasonable suspicion.

6.2 The Town will provide training to officers about this Policy, testing procedures, and the integrity of the testing process which safeguards the validity of test results, prior to this policy going into effect.

7. ACCESS AND STORAGE OF TEST RESULTS

Any officer who is the subject of a test conducted under this procedure shall, upon written request to the Chief of Police, have access to any and all record(s) relating to his/her test result that is/are in the possession of the department or the Town. Such results and records are confidential medical information and shall not be disclosed without the officer's consent except to the extent necessary to effectuate the purposes of the department's Drug and Alcohol Policy. Positive test results shall be retained and processed in the same manner as any violations of department rules and procedures.

Appendix A

REFERRAL PROCEDURES FOR SUPERVISORS

The department's supervisors (Sergeants, Lieutenants, Chief) are responsible for being alert to declining job performance, erratic behavior or other symptoms of possible substance abuse. Whenever a supervisor who has been trained in making determinations of reasonable suspicion of drug and/or alcohol use (as defined in Section 2.7 of these procedures) makes such a determination, the following steps will be taken:

1. The supervisor will document in writing all circumstances, information and facts leading to and supporting his/her suspicion. At a minimum, the report will include appropriate dates and times of suspect behavior, reliable/credible sources of information, rationale leading to referral for testing, and the action(s) taken.

2. Prior to referring an officer for testing, the supervisor will discuss the problem with the officer in a private location with one witness, preferably another supervisor, present. Caution will be taken not to accuse the officer of substance abuse, but the officer will be presented with instances of questionable behavior. If the officer does not have an acceptable explanation for his questioned behavior, the supervisor will continue with the procedures set forth in this section. Nothing in this procedure is intended to prevent the officer from invoking any Weingarten rights the officer may have. The officer shall have the opportunity to consult with a representative of the Union or his or her attorney, and to have either present, as long as such consultation and representation does not serve to delay the testing process.

3. The supervisor shall consult with the Chief of Police or his or her designee and they shall jointly decide whether to refer an officer for testing. All persons involved in the decision-making process will have received training in the identification of actions, appearance, and conduct that are indicative of the use of alcohol and/or drugs.

4. In those cases where the supervisor determines that the person's behavior causes a potential threat of harm to himself or others, the officer will be immediately removed from the work site and where there is no other misconduct resulting in suspension the officer shall be placed on administrative leave and shall be subject to customary restrictions of such leave.

5. Once a determination has been made to refer an officer for testing, it will be the responsibility of the supervisor to advise the officer of such decision and to escort the officer to a collection facility. The supervisor should remain with the officer at the collection site facility until testing is concluded. In the event that leaving the scene and/or remaining with the officer is not feasible, the supervisor will:

    5.1 Arrange transportation to the collection facility (the officer will be instructed not to drive a vehicle);

5.2 Notify the collection facility that the officer is being sent for testing;

5.3 Request that the collection facility notify the supervisor when collection procedures are completed;

5.4 Arrange transportation for the officer following the collection process; and

5.5 Notify the officer that he or she is not to return to work pending receipt of the test results by the Investigating officer.

5.6 Upon conclusion of the examination, the supervisor will ensure that the officer is escorted to his destination. The supervisor will direct the officer not to drive himself/herself to his/her destination. The officer will be placed on administrative leave in accordance with Section 5.1.3 of this policy pending receipt by the Investigating officer of the test results and the officer will be notified of this change in status.

5.7 If the officer tests negative for drugs or alcohol, the officer will be compensated for any regularly scheduled hours he or she would have worked during the suspension period.

5.8 In those cases where a supervisor discovers an officer who possesses what appears to be illegal drugs or alcohol, he or she will proceed as described above for instances where reasonable suspicion exists, and, if the substance in question appears to be an illegal drug, will–immediately confiscate the substance and all equipment or paraphernalia directly employed with the substance consistent with the department's procedures for handling and collecting evidence**.**

In the event that no Firefighter makes an application to serve as a Fire Inspector within 30 days of the posting of the assignment vacancy, the Fire Chief may reassign any or all of the duties of the Fire Inspector to a new employee in Unit B. In such instances, the Fire Chief may assign those portions of the Fire Inspectors' work as cannot appropriately be assigned to Unit B employees to a member or members of Unit A. ARTICLE 21
SETTLEMENT OF GRIEVANCES

Section 1. A grievance is an employee's expressed feeling of dissatisfaction, presented in writing, concerning aspects of his/her employment or working conditions, which has not been resolved to the employee's satisfaction through informal discussion with the Deputy Chief or Chief. Such grievance may relate to the interpretation or application of, or compliance with, any of the provisions of said Agreement. Grievances of the employees shall be advanced to the Town by Local 1706, but nothing in this Article shall prevent individual employees from presenting their own grievances, provided that representatives of Local 1706 are given notice of any grievance meeting between the Town and an individual employee, and an opportunity to attend such meeting, and further provided that any settlement of such individual grievances shall not be inconsistent with the terms of the Agreement.

Section 2. It is anticipated that the Town and Local 1706 will make a sincere effort to reconcile their differences. The following procedures are established for settlement of grievances:

Section 3. The employee's grievance must contain the following information:

(a) a statement of the grievance which cites that part of the Agreement which has been violated, or the circumstances which gave rise to the grievance;

(b) a statement of remedial action or relief sought;

(c) evidence (documentary, if available) to support the grievance; and

(d) a statement of reasons why the aggrieved believes that the remedy should be granted.

The foregoing statement of grievance content standards shall not prevent Local 1706 from changing its position as to one (1) or more of the elements of grievance content in the course of pursuing the grievance procedures.

Section 4. Step One Any grievance must be presented for informal discussion with the Deputy Chief or Chief within ten (10) business days of the occurrence of the event(s) giving rise to the grievance, or, within ten (10) business days of Local 1706's gaining knowledge of such event(s), whichever is later.

Section 5. Step Two Any grievance left unresolved after a five (5) business day period devoted to such informal discussion may be presented to the Chief in written form within five (5) business days of the termination of the informal discussion period. The Chief must make his/her decision in writing within five (5) business days after receipt of the grievance unless it is agreed by Local 1706 that additional time to answer is allowed. If the grievance is denied by the Chief, the Chief must set forth in writing the reasons for such denial.

Section 6. Step Three Should the grievance remain unsettled, it shall be presented to the Director of Human Resources within ten (10) business days after the decision of the Chief is rendered, otherwise the matter will be considered resolved. The Director of Human Resources shall make his/her decision within fifteen (15) business days after receipt of the grievance unless it is mutually agreed by Local 1706 that additional time to answer is allowed.

Section 7. Step Four

(a) Should the Union wish to appeal the decision of the Director of Human Resources, it shall present the grievance to the Personnel Board within ten (10) business days after the decision of the Director of Human Resources is rendered, otherwise the matter will be considered resolved. If, after its own investigation, the Personnel Board agrees with the decision of the Director of Human Resources, the Personnel Board will issue a decision.

(b) If the Personnel Board determines that it will require additional information before issuing a decision, it will convene a meeting of the Joint Resolution Committee (JRC). The JRC will be comprised of two (2) members of the Personnel Board, two (2) members of the Select Board and the Town Manager.

(c) The JRC shall present its findings to the Personnel Board. Three (3) affirmative votes of the JRC will be required to overturn the decision of the Director of Human Resources (Step 3). If the JRC is deadlocked, voting two (2) for and two (2) against the previous ruling, the Personnel Board shall then issue a decision based upon the majority vote of the Personnel Board.

(d) The Personnel Board will issue a decision within 30 business days of receipt of the grievance by the Director of Human Recourses. The time-frames in this section may be extended at the agreement of the parties.

Section 8. Arbitration Should the grievance remain unsettled after the decision of the Personnel Board, Local 1706 may, by giving written notice to the Town Manager, submit the grievance to arbitration. Such notice shall be given within fifteen (15) business days from the date of the decision of the Personnel Board. If such written notice is not given, the grievance shall be deemed to be settled.

(a) In the event that Local 1706 elects to submit a grievance to arbitration, the arbitrator shall be selected according to, and be governed by, the following procedure: The arbitrator is to be mutually selected by the Town and the Union. If the Town and Local 1706 cannot agree within fifteen (15) business days after the written notice specified above of the intention to arbitrate, then the party demanding arbitration shall, within five (5) business days thereafter, request the American Arbitration Association to provide a panel of arbitrators. Said arbitrators are then to be selected under the provisions of the Voluntary Labor Arbitration Rules.

(b) The fees of the American Arbitration Association and of the arbitrator and the expenses of any required hearings shall be shared equally by Local 1706 and the Town, but each party shall bear the expenses of its representatives, participants, witnesses and for the preparation and presentation of its own case. The obligation of the Town and its agents under the terms of this section shall be limited to those obligations which the Town and its agents may legally undertake, and in no event shall any present or future member of the Personnel Board or the Town Manager have any personal obligation for payment under the provisions of this contract.

(c) The arbitrator's award shall be in writing and shall set forth the arbitrator's findings of fact with reasoning and conclusions. The arbitrator shall arrive at his/her decision solely upon the facts, evidence and contentions presented by the parties through the arbitration proceeding. The arbitrator shall have no power to add to, subtract from or modify any of the terms of this Agreement, and in reaching his/her decision shall interpret the Agreement in accordance with the commonly accepted meaning of words used herein and the principle that there are no restrictions intended on the rights or authority of the Town or Fire Chief other than those expressly set forth herein. The award of the arbitrator shall be final and binding upon the Town, its officers and agents and upon Local 1706 and the employees whom it represents.

(d) Notwithstanding anything to the contrary, no dispute or controversy shall be the subject of arbitration unless it involves the interpretation or application of provisions of this Agreement. The parties may, by mutual agreement, submit more than one pending grievance to the same arbitrator.

Section 9. Any decision relating to eligibility for non-occupational sick leave, pursuant to the Compensation Adjustment Option program contained in Article 25 shall be at the sole discretion of the Fire Chief and shall not be subject to the grievance procedure contained in this article.

ARTICLE 22
DISCIPLINE OR DISCHARGE

Employees shall neither be disciplined nor discharged except for just and sufficient cause.

ARTICLE 23
SEPARABILITY AND SUBORDINATION TO EXISTING LAW

Should any of the provisions of the Agreement become doubtful or questionable because of existing federal or state legislation, a Town By-Law, a Civil Service rule or regulation, a decision by a court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby.

Subject to the provisions of Chapter 150E of the General Laws, nothing in this Agreement shall diminish the authority and power of the Civil Service Commission, any Retirement Board or Personnel Board established by law.

ARTICLE 24
EFFECT OF AGREEMENT

(a) This Agreement contains and constitutes the entire Agreement between the Town and Local 1706 arrived at as a result of collective bargaining. No amendment, extension, or alteration of this Agreement and no other agreement between the parties hereto which is inconsistent with the terms hereof shall be effective or enforceable unless it is in writing and signed by the parties hereto.

(b) The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Town and Local 1706 for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered by this Agreement.

(c) The waiver of any breach or condition of this Agreement by either party shall not constitute precedence with respect to future enforcement of all the terms and conditions of this Agreement.

(d) No provision of this Agreement shall be retroactive prior to the effective date, unless specifically stated herein.

(e) Where this Agreement requires the appropriation of funds or other vote on the part of the Town to effect the carrying out of any provision hereof, to that extent this Agreement is subject to such action as may be taken by the Town Meeting pertaining to the required appropriation or other vote.

The compensation adjustment factor will be a number equal to any portion of an employee's non-occupational sick leave credit (expressed in tours) accrued as of the date of enrollment and maintained while in the program. The date of enrollment shall be defined as the date of the first payment hereunder. This payment will be made in equal weekly installments over a minimum twelve (12) and a maximum thirty-six (36) months, commencing no sooner than July 1st following the employee's notice of intent to participate which must occur by October 1st for the following fiscal year.

2. An amount of sick leave allocation used as the basis of arriving at the compensation adjustment factor under this option shall remain available for use in accordance with Article 16, Sections 3 and 5; however such amount shall be ineligible to be used for payment under the provisions of Article 16, Section 7.

3. Bargaining unit members may elect a compensation adjustment factor equal to no more than 288 tours of sick leave credit available as of the date of enrollment; provided, however, that such election does not result in a sick bank with fewer than 12 tours as of the date of enrollment. Such notice of intent shall be irrevocable upon the issuance of the first payment, and a specified amount of sick leave credit (not to exceed 288 tours) equal to the number used for the compensation adjustment factor will remain available for use under the provisions of Article 16, Sections 3 and 5. This decision shall not be grievable. The step at which the Firefighter is hired shall be based on the number of complete years of experience he or she has served as a full-time Firefighter, education, references, job responsibilities and experience, and other factors deemed by the Fire Chief to reflect the level of proficiency.

2. Upon the recommendation of the Fire Chief, the Town Manager may approve the payment of a rate of pay higher than the minimum rate at the time of promotion if such payment would result in an increase in pay determined not to be commensurate with the increase in responsibility at the time of promotion.

Needham Fire Department
Drug and Alcohol Policy
October 1, 2016

1. INTRODUCTION AND PURPOSE

1.1 This policy has been adopted to address potential drug and alcohol abuse by Fire Department personnel, to ensure a safe, healthy and productive work environment, to protect the health and welfare of the citizens of the Town of Needham, and to assure compliance with the Federal Drug-Free Workplace Act of 1988. These procedures provide the Town with reasonable measures to ensure that drug and/or alcohol use does not jeopardize the public or the Department's ability to serve its citizens.

1.2 It is the general intent of the policy to create a humanitarian program. Treatment and discipline are both important aspects of the plan. Drug and alcohol testing, which will be part of the program, is intended in part as a means of identifying those who need help.

1.3 The Town will not tolerate any drug or alcohol use which could affect an employee's job performance. The public has a right to expect that sworn personnel will carry out their duties in a safe and reliable manner, free from the effects of drug or alcohol use. This policy replaces any and all earlier policies or procedures on drug testing and applies to all sworn personnel.

2. PROHIBITED CONDUCT

2.1 The following conduct by members of the bargaining unit is prohibited:

a. The use, transfer, manufacture, sale or unauthorized possession of illegal drugs.

b. The use or unauthorized possession of alcohol on Town property, on Town business, in Town supplied vehicles, in vehicles being used for Town purposes, or during working hours.

c. Reporting to or staying at work with the metabolite of an illegal drug in the blood, or with a blood alcohol level of 0.04 or above.

d. Driving under the influence of alcohol or drugs while on duty.

e. Switching or adulterating any sample.

f. Refusing to consent to testing or refusing to submit a breath or urine sample for testing.

2.2 Any employee who is arrested or convicted of a drug-related offense or for driving while intoxicated must notify the Chief within 24 hours of the arrest or conviction, or upon return

to duty for his or her next shift, whichever is shorter. Such arrest or conviction will be considered reasonable suspicion and the employee will be required to submit to testing in accordance with section 4.1.2.

3. PROHIBITED DRUGS

3.1 Controlled Substances For the purposes of this policy, prohibited drugs include all substances included in Schedules I through III of the Controlled Substances Act (21 U.S.C. §812). Included among those drugs by way of example are marijuana, cocaine, opiates, phencyclidine (PCP), amphetamines and methamphetamines.

3.2 Prescription Medication An employee who is taking a controlled substance under a valid prescription should check with his or her physician to ensure that the medication will not interfere with the employee's ability to perform job functions safely and efficiently. Any questions or doubts should be raised with the Fire Chief.

4. TESTING

4.1 All members of the bargaining unit will be tested for drugs and/or alcohol under the following circumstances:

4.1.1 New Hires New employees will submit to a drug test before their date of hire.

4.1.2 Reasonable Suspicion of Drug and/or Alcohol Use

a. When the Town has reasonable suspicion that an employee has reported to work or is working while impaired by drugs or alcohol, or has used illegal drugs, the Town will direct the employee to report for a drug and/or alcohol test.

b. The determination of "reasonable suspicion" shall be made based on specific, observable phenomena, such as: direct observation of on-duty alcohol use or possession; direct observation of on-duty or off-duty use or possession of illegal drugs; the display of behaviors which appear to be indicative of the use of any illegal drug or alcohol, and are not attributable to other factors; a pattern of abnormal conduct, erratic behavior or deteriorating work performance, including but not limited to, frequent absenteeism, excessive tardiness, or frequent accidents, not attributable to other factors and which appear to be related to drug and/or alcohol abuse; arrest, indictment, or conviction for a drug-related offense; and/or behavior which is determined to pose a substantial risk of injury or property damage, which is not attributed to other factors, and which appears to be related to drug and/or alcohol abuse.

c. The determination of reasonable suspicion may be made by the Fire Chief, the Deputy Chief of Operations, or in their absence by two (2) or more trained supervisors (Deputy Chief, Acting Deputy Chief, Captain, Acting Captain, Lieutenant, and Acting Lieutenant). In those instances when the determination of reasonable suspicion is made by two supervisors, both supervisors will complete and sign an Observed Behavior Reasonable Suspicion Record as

shown on Appendix B.

d. The Town will provide reasonable suspicion training for all members of the Department. Upon implementation of this policy, reasonable suspicion training will be conducted on duty. The Town will provide periodic refresher training for all Department staff that will be conducted on duty. The training is intended to ensure that all personnel are able to identify situations when their own personal safety or that of their coworkers may be at risk by someone exhibiting signs of a substance abuse problem or under the influence of drugs or alcohol. Any employee who feels that his or her wellbeing is threatened by someone who may be either under the influence of drugs or alcohol or who may have a substance abuse problem should report those concerns to any ranking Fire Officer who will then immediately report those concerns to the Fire Chief or make a determination of reasonable suspicion in accordance with section 4.1.2 (c) above.

e. An employee will be placed on administrative leave while waiting for a test result based on reasonable suspicion.

4.1.3 Post-Incident Any employee involved in an accident, or an incident on the job involving an unsafe practice or violation of a safety rule, standard or policy, either of which results in serious injury or serious property damage, will be directed by the Town to submit to a drug and/or alcohol test.

4.1.4 Return to Duty When an employee tests positive for drugs or alcohol, he or she will be required to submit to a return to duty drug and/or alcohol test after assessment by a substance abuse professional (SAP), completion of treatment, if any is required, and clearance to return to full-duty is provided by the SAP. In order to return to duty, the employee must have a BAC of less than .02 and/or a verified negative drug test. Without a successful test result, the employee is considered to be unqualified to continue to perform work-related-functions. The cost of the return to duty test will be borne by the Town.

4.1.5 Follow-up Testing An employee who has violated the drug and alcohol policy, but has not been discharged, may be required to submit to follow-up testing as a condition of his or her continued employment at the discretion of the Fire Chief. A program of follow-up testing will be set forth in writing and will generally continue for a period of no longer than two (2) years. During a follow-up testing period, an employee will be subject to a reasonable number of unannounced tests for drugs and/or alcohol.

4.2 Testing Procedures

4.2.1 Alcohol Testing Alcohol testing will be conducted in accordance with the Department of Transportation Regulations (49 CFR part 40).

4.2.2 Drug Screening Drug screening for prohibited drugs using urinalysis will be

conducted in accordance with the Department of Transportation Regulations (49 CFR part 40).

4.3 Re-tests

4.3.1 The Urine drug screen process will include provisions for split sample collection in accordance with DOT regulations.

4.3.2 Alcohol testing will include provisions for re-testing in accordance with DOT regulations.

4.3.3 The Town shall immediately place any employees who have requested a re-test on administrative leave pending the outcome of the re-test.

4.3.4 The cost of the re-test will be borne by the employee. If the result of the re-test result is negative, the employee shall be reimbursed for the costs of the test.

4.4 Any test in which proper procedures are not followed, in which chain of custody is breached, in which a split sample test results in a negative test, when the MRO deems the test to be negative, or which is invalidated for any reason, through no fault of the employee will be deemed a negative result. The sample and the results will be destroyed.

4.5 All negative samples will be destroyed, and all positive samples will be destroyed after any appeal period has been exhausted. Samples will not be tested for any purpose other than the drugs specified.

4.6 Test results and medical information will be provided to and maintained by the Human Resources Department.

4.7 Off-duty employees directed to be tested by the Town in accordance with this policy will be paid overtime in accordance with the applicable provisions of the Collective Bargaining Agreement.

5. SEARCHES

The Town has the right to search for alcohol or drugs on Town owned or controlled property, including in desks, Town vehicles, and lockers, that may conceal substances prohibited by this policy. During any such search one or more union members may be present.

6. CONSEQUENCES OF VIOLATION OF THE POLICY

6.1 Employees who test positive for alcohol and/or drugs will be placed on administrative leave.

6.2 Employees who are confirmed to have tested positive for drugs or alcohol will be subject to disciplinary action up to and including termination. Employees who do not agree to enter

into a Rehabilitation Agreement will only be allowed to return to work, if appropriate, in accordance with the Return to Duty and Follow-up testing provisions set forth in Section 4.

6.3 Employees who agree to enter into a Rehabilitation Agreement in accordance with this policy and Appendix A will have any imposed disciplinary action suspended pending the completion of the rehabilitation, provided that the employee has not tested positive for drugs within the preceding five (5) years or tested positive for alcohol within the preceding three (3) years. An employee who successfully completes the rehabilitation and returns to work in accordance with the provisions outlined below will not be required to serve the imposed disciplinary action. Rehabilitation provisions will apply only to the positive test result; an employee may be subject to additional disciplinary action for any related offense or violation of the rules and regulations of the Needham Fire Department.

6.4 Employees who enter into a Rehabilitation Agreement must be evaluated by a Substance Abuse Professional (SAP) and comply with any treatment recommendations to assist them with an alcohol or drug problem. The payment of the recommended treatment will be at the expense of the employee (or his or her health insurance program, if applicable). Employees will be placed on non-occupational sick leave, accrued leave, or leave without pay status, whichever is appropriate, during the treatment period. Employees who fail to comply with the treatment required by the SAP will be subject to disciplinary action up to and including termination.

6.5 Employees who have been evaluated by a Substance Abuse Professional, who are cleared by the SAP to perform all of their essential functions, who comply with any recommended treatment, who have taken and passed a return to duty test, and who are subject to unannounced follow-up tests, may return to work. As a condition of employment, the employee must comply with prescribed follow-up care, if any.

6.6 Employees who have returned to work under these conditions and who subsequently test positive for drugs or alcohol in accordance with this policy within five (5) or three (3) years, respectively, will be terminated immediately. An employee who tests positive for drugs or alcohol after the five (5) or three (3) year period will be subject to disciplinary action or offered rehabilitation provisions as if it were a first positive test.

6.7 Failure to adhere to the terms of a rehabilitation agreement shall result in disciplinary action up to and including termination.

6.8 If the Town suspends disciplinary action in accordance with section 6.3, time limits for challenging the disciplinary action will begin when and if the disciplinary action is actually imposed.

7. SELF-REPORTING AND SAFE HARBOR

Employees who voluntarily seek substance abuse treatment for alcohol or drugs and who make a written disclosure to the Fire Chief prior to being tested in accordance with Section 4 will not be subject to disciplinary action if they agree to enter into a rehabilitation agreement as set forth under Section 6. The Safe Harbor option will be available to each employee once during his or her career

in the Needham Fire Department, and will not be considered a positive test for the purposes of Section 6.6.

Section 5. The Fire Chief may change the work schedule of the firefighter if the work assignment clearly requires an alternative shift schedule. Such work shift shall remain only for the period of the TMWP. Schedules will be developed in order to accommodate the firefighter's need for on-going treatment.

ARTICLE 18
STABILITY OF AGREEMENT

Section 1. No agreement, understanding, alteration or variation of the agreements, terms or provisions herein contained shall bind the parties hereto unless made and executed in writing by the parties hereto.

Section 2. The failure of the Town or Local 1706 to insist in any one or more incidents upon performance of any of the terms or conditions of this Agreement shall not be considered as waiver or relinquishment of the right of the Town or of Local 1706 to future performance of any such terms or condition, and the obligation of Local 1706 or of the Town to such future performance shall continue in full force and effect.

ARTICLE 19
SETTLEMENT OF GRIEVANCES

Section 1. A grievance is an employee's expressed feeling of dissatisfaction, presented in writing, concerning aspects of his/her employment or working conditions, which has not been resolved to the employee's satisfaction through informal discussion with the Fire Chief. Such grievance may relate to the interpretation or application of, or compliance with, any of the provisions of said Agreement. Grievances of the employees shall be advanced to the Town by Local 1706, but nothing in this Article shall prevent individual employees from presenting their own grievances, provided that representatives of Local 1706 are given notice of any grievance meeting between the Town and an individual employee, and an opportunity to attend such meeting, and further provided that any settlement of such individual grievances shall not be inconsistent with the terms of the Agreement.

Section 2. It is anticipated that the Town and Local 1706 will make a sincere effort to reconcile their differences. The following procedures are established for settlement of grievances:

Section 3. The employee's grievance must contain the following information:

(a) a statement of the grievance which cites that part of the Agreement which has been violated, or the circumstances which gave rise to the grievance;

(b) a statement of remedial action or relief sought;

(c) evidence (documentary, if available) to support the grievance; and

(d) a statement of reasons why the aggrieved believes that the remedy should be granted.

The foregoing statement of grievance content standards shall not prevent Local 1706 from changing its position as to one (1) or more of the elements of grievance content in the course of pursuing the grievance procedures.

Section 4. **Step One** Any grievance must be presented for informal discussion within ten (10) business days of the occurrence of the event(s) giving rise to the grievance, or, within ten (10) business days of Local 1706's gaining knowledge of such event(s), whichever is later.

Section 5. Step Two Any grievance left unresolved after a five (5) business day period devoted to such informal discussion may be presented to the Chief in written form within five (5) business days of the termination of the informal discussion period. The Chief must make his/her decision in writing within five (5) business days after receipt of the grievance unless it is agreed by Local 1706 that additional time to answer is allowed. If the grievance is denied by the Chief, the Chief must set forth in writing the reasons for such denial.

Section 6. Step Three Should the grievance remain unsettled, it shall be presented to the Director of Human Resources within ten (10) business days after the decision of the Chief is rendered, otherwise the matter will be considered resolved. The Director of Human Resources shall make his/her decision within fifteen (15) business days after receipt of the grievance unless it is mutually agreed by Local 1706 that additional time to answer is allowed.

Section 7. Step Four

(a) Should the Union wish to appeal the decision of the Director of Human Resources, it shall present the grievance to the Personnel Board within ten (10) business days after the decision of the Director of Human Resources is rendered, otherwise the matter will be considered resolved. If, after its own investigation, the Personnel Board agrees with the decision of the Director of Human Resources, the Personnel Board will issue a decision.

(b) If the Personnel Board determines that it will require additional information before issuing a decision, it will convene a meeting of the Joint Resolution Committee (JRC). The JRC will be comprised of two (2) members of the Personnel Board, two (2) members of the Select Board and the Town Manager.

(c) The JRC shall present its findings to the Personnel Board. Three (3) affirmative votes of the JRC will be required to overturn the decision of the Director of Human Resources (Step 3). If the JRC is deadlocked, voting two (2) for and two (2) against the previous ruling, the Personnel Board shall then issue a decision based upon the majority vote of the Personnel Board.

(d) The Personnel Board will issue a decision within 30 business days of receipt of the grievance by the Director of Human Resources. The time-frames in this section may be extended at the agreement of the parties.

Section 8. Arbitration

(a) Should the grievance remain unsettled after the decision of the Personnel Board, Local 1706 may, by giving written notice to the Town Manager, submit the grievance to arbitration. Such notice shall be given within fifteen (15) business days from the date of the decision of the Personnel Board. If such written notice is not given, the grievance shall be deemed to be settled.

(b) In the event that Local 1706 elects to submit a grievance to arbitration, the arbitrator shall be selected according to, and be governed by, the following procedure: The arbitrator is to be mutually selected by the Town and the Union. If the Town and Local 1706 cannot agree within fifteen (15) business days after the written notice specified above of the intention to arbitrate, then the party demanding arbitration shall, within five (5) business days thereafter, request the American Arbitration Association to provide a panel of arbitrators. Said arbitrators are then to be selected under the provisions of the Voluntary Labor Arbitration Rules.

(c) The fees of the American Arbitration Association and of the arbitrator and the expenses of any required hearings shall be shared equally by Local 1706 and the Town, but each party shall bear the expenses of its representatives, participants, witnesses and for the preparation and presentation of its own case. The obligation of the Town and its agents under the terms of this section shall be limited to those obligations which the Town and its agents may legally undertake, and in no event shall any present or future member of the Personnel Board or the Town Manager have any personal obligation for payment under the provisions of this contract.

(d) The arbitrator's award shall be in writing and shall set forth the arbitrator's findings of fact with reasoning and conclusions. The arbitrator shall arrive at his/her decision solely upon the facts, evidence and contentions presented by the parties through the arbitration proceeding. The arbitrator shall have no power to add to, subtract from or modify any of the terms of this Agreement, and in reaching his/her decision shall interpret the Agreement in accordance with the commonly accepted meaning of words used herein and the principle that there are no restrictions intended on the rights or authority of the Town or Fire Chief other than those expressly set forth herein. The award of the arbitrator shall be final and binding upon the Town, its officers and agents and upon Local 1706 and the employees whom it represents.

(e) Notwithstanding anything to the contrary, no dispute or controversy shall be the subject of arbitration unless it involves the interpretation or application of provisions of this Agreement. The parties may, by mutual agreement, submit more than one pending grievance to the same arbitrator.

Section 9. Any decision relating to eligibility for non-occupational sick leave, pursuant to the Compensation Adjustment Option program contained in Article 25 shall be at the sole discretion of the Fire Chief and shall not be subject to the grievance procedure contained in this article.

ARTICLE 20
SEPARABILITY AND SUBORDINATION TO EXISTING LAW

Should any of the provisions of this Agreement become doubtful or questionable because of existing federal or state legislation, a Town By-Law, a Civil Service rule or regulation, or a decision by a court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby.

Subject to the provisions of Chapter 150E of the General Laws, nothing in this Agreement shall diminish the authority and power of the Civil Service Commission, any Retirement Board or Personnel Board established by law.

ARTICLE 21
EFFECT OF AGREEMENT

(a) This Agreement contains and constitutes the entire Agreement between the Town and Local 1706, Unit C, arrived at as a result of collective bargaining. No amendment, extension or alteration of this Agreement and no other agreement between the parties hereto which is inconsistent with the terms hereof shall be effective or enforceable unless it is in writing and signed by the parties hereto.

(b) The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to, or covered by this Agreement.

(c) The waiver of any breach or condition of this Agreement by either party shall not constitute a precedent with respect to future enforcement of all terms and conditions of this Agreement.

(d) No provisions of this Agreement shall be retroactive prior to the effective date unless otherwise specifically stated herein.

(e) Where this Agreement requires the appropriation of funds or other vote on the part of the Town to effect the carrying out of any provision hereof, to that extent this Agreement is subject to such action as may be taken by the Town Meeting pertaining to the required appropriation or other vote.

This payment will be based on the following formula; the current rate of pay multiplied by 25% of the compensation adjustment factor as of the date of enrollment in this option multiplied by twelve (12). The compensation adjustment factor will be a number equal to any portion of an employee's non-occupational sick leave credit (expressed in tours) accrued as of the date of enrollment and maintained while in the program. The date of enrollment shall be defined as the date of the first payment hereunder. This payment will be made in equal weekly installments over a minimum twelve (12) and a maximum thirty-six (36) months, commencing no sooner than July 1st following the

employee's notice of intent to participate which must occur by October 1st for the following fiscal year.

2. An amount of sick leave allocation used as the basis of arriving at the compensation adjustment factor under this option shall remain available for use in accordance with Article 12, Sections 3 and 5; however such amount shall be ineligible to be used for payment under the provisions of Article 12, Section 6.

3. Bargaining unit members may elect a compensation adjustment factor equal to no more than 288 tours of sick leave credit available as of the date of enrollment; provided, however, that such election does not result in a sick bank with fewer than 12 tours as of the date of enrollment. Such notice of intent shall be irrevocable upon the issuance of the first payment, and a specified amount of sick leave credit (not to exceed 288 tours) equal to the number used for the compensation adjustment factor will remain available for use under the provisions of Article 12, Sections 3 and 5. In the event that an employee elects this option and retires while participating in the program, the Town will pay the remainder of the compensation adjustment factor as sick leave buy-back due in a lump sum at severance, in accordance with the provisions of Article 12, Section 7.

4. Nothing in this section shall prohibit members of the bargaining unit from consideration under Article 12, Section 6 of this agreement.

Needham Fire Department
Drug and Alcohol Policy
October 1, 2016

1. INTRODUCTION AND PURPOSE

1.1 This policy has been adopted to address potential drug and alcohol abuse by Fire Department personnel, to ensure a safe, healthy and productive work environment, to protect the health and welfare of the citizens of the Town of Needham, and to assure compliance with the Federal Drug-Free Workplace Act of 1988. These procedures provide the Town with reasonable measures to ensure that drug and/or alcohol use does not jeopardize the public or the Department's ability to serve its citizens.

1.2 It is the general intent of the policy to create a humanitarian program. Treatment and discipline are both important aspects of the plan. Drug and alcohol testing, which will be part of the program, is intended in part as a means of identifying those who need help.

1.3 The Town will not tolerate any drug or alcohol use which could affect an employee's job performance. The public has a right to expect that sworn personnel will carry out their duties in a safe and reliable manner, free from the effects of drug or alcohol use. This policy replaces any and all earlier policies or procedures on drug testing and applies to all sworn personnel.

2. PROHIBITED CONDUCT

2.1 The following conduct by members of the bargaining unit is prohibited:

a. The use, transfer, manufacture, sale or unauthorized possession of illegal drugs.

b. The use or unauthorized possession of alcohol on Town property, on Town business, in Town supplied vehicles, in vehicles being used for Town purposes, or during working hours.

c. Reporting to or staying at work with the metabolite of an illegal drug in the blood, or with a blood alcohol level of 0.04 or above.

d. Driving under the influence of alcohol or drugs while on duty.

e. Switching or adulterating any sample.

f. Refusing to consent to testing, or refusing to submit a breath or urine sample for testing.

2.2 Any employee who is arrested or convicted of a drug-related offense or for driving while intoxicated must notify the Chief within 24 hours of the arrest or conviction, or upon return to duty for his or her next shift, whichever is shorter. Such arrest or conviction will be considered reasonable suspicion and the employee will be required to submit to testing in accordance with section 4.1.2.

3. PROHIBITED DRUGS

3.1 Controlled Substances For the purposes of this policy, prohibited drugs include all substances included in Schedules I through III of the Controlled Substances Act (21 U.S.C. §812). Included among those drugs by way of example are marijuana, cocaine, opiates, phencyclidine (PCP), amphetamines and methamphetamines.

3.2 Prescription Medication An employee who is taking a controlled substance under a valid prescription should check with his or her physician to ensure that the medication will not interfere with the employee's ability to perform job functions safely and efficiently. Any questions or doubts should be raised with the Fire Chief.

4. TESTING

4.1 All members of the bargaining unit will be tested for drugs and/or alcohol under the following circumstances:

4.1.1 New Hires New employees will submit to a drug test before their date of hire.

4.1.2 Reasonable Suspicion of Drug and/or Alcohol Use

a. When the Town has reasonable suspicion that an employee has reported to work or is working while impaired by drugs or alcohol, or has used illegal drugs, the Town will direct the employee to report for a drug and/or alcohol test.

b. The determination of "reasonable suspicion" shall be made based on specific, observable phenomena, such as: direct observation of on-duty alcohol use or possession; direct observation of on-duty or off-duty use or possession of illegal drugs; the display of behaviors which appear to be indicative of the use of any illegal drug or alcohol, and are not attributable to other factors; a pattern of abnormal conduct, erratic behavior or deteriorating work performance, including but not limited to, frequent absenteeism, excessive tardiness, or frequent accidents, not attributable to other factors and which appear to be related to drug and/or alcohol abuse; arrest, indictment, or conviction for a drug-related offense; and/or behavior which is determined to pose a substantial risk of injury or property damage, which is not attributed to other factors, and which appears to be related to drug and/or alcohol abuse.

c. The determination of reasonable suspicion may be made by the Fire Chief, the Deputy Chief of Operations, or in their absence by two (2) or more trained supervisors (Deputy Chief, Acting Deputy Chief, Captain, Acting Captain, Lieutenant, and Acting Lieutenant). In those

instances when the determination of reasonable suspicion is made by two supervisors, both supervisors will complete and sign an Observed Behavior Reasonable Suspicion Record as shown on Appendix B.

d. The Town will provide reasonable suspicion training for all members of the Department. Upon implementation of this policy, reasonable suspicion training will be conducted on duty. The Town will provide periodic refresher training for all Department staff that will be conducted on duty. The training is intended to ensure that all personnel are able to identify situations when their own personal safety or that of their coworkers may be at risk by someone exhibiting signs of a substance abuse problem or under the influence of drugs or alcohol. Any employee who feels that his or her wellbeing is threatened by someone who may be either under the influence of drugs or alcohol or who may have a substance abuse problem should report those concerns to any ranking Fire Officer who will then immediately report those concerns to the Fire Chief or make a determination of reasonable suspicion in accordance with section 4.1.2 (c) above.

4.1.4 Return to Duty When an employee tests positive for drugs or alcohol, he or she will be required to submit to a return to duty drug and/or alcohol test after assessment by a substance abuse professional (SAP), completion of treatment, if any is required, and clearance to return to full-duty is provided by the SAP. In order to return to duty, the employee must have a BAC of less than .02 and/or a verified negative drug test. Without a successful test result, the employee is considered to be unqualified to continue to perform work-related-functions. The cost of the return to duty test will be borne by the Town.

4.1.5 Follow-up Testing An employee who has violated the drug and alcohol policy, but has not been discharged, may be required to submit to follow-up testing as a condition of his or her continued employment at the discretion of the Fire Chief. A program of follow-up testing will be set forth in writing and will generally continue for a period of no longer than two (2) years. During a follow-up testing period, an employee will be subject to a reasonable number of unannounced tests for drugs and/or alcohol.

4.2 Testing Procedures

4.4 Any test in which proper procedures are not followed, in which chain of custody is breached, in which a split sample test results in a negative test, when the MRO deems the test to be negative, or which is invalidated for any reason, through no fault of the employee will be deemed a negative result. The sample and the results will be destroyed.

4.5 All negative samples will be destroyed, and all positive samples will be destroyed after any appeal period has been exhausted. Samples will not be tested for any purpose other than the drugs specified.

4.6 Test results and medical information will be provided to and maintained by the Human Resources Department.

4.7 Off-duty employees directed to be tested by the Town in accordance with this policy will be paid overtime in accordance with the applicable provisions of the Collective Bargaining Agreement.

6. CONSEQUENCES OF VIOLATION OF THE POLICY

6.1 Employees who test positive for alcohol and/or drugs will be placed on administrative leave.

6.2 Employees who are confirmed to have tested positive for drugs or alcohol will be subject to disciplinary action up to and including termination. Employees who do not agree to enter into a Rehabilitation Agreement will only be allowed to return to work, if appropriate, in accordance with the Return to Duty and Follow-up testing provisions set forth in Section 4.

6.3 Employees who agree to enter into a Rehabilitation Agreement in accordance with this policy and Appendix A will have any imposed disciplinary action suspended pending the completion of the rehabilitation, provided that the employee has not tested positive for drugs within the preceding five (5) years or tested positive for alcohol within the preceding three (3) years. An employee who tests positive for drugs or alcohol after the five (5) or three (3) year period will be subject to disciplinary action or offered rehabilitation provisions as if it were a first positive test.

6.7 Failure to adhere to the terms of a rehabilitation agreement shall result in disciplinary action up to and including termination.

6.8 If the Town suspends disciplinary action in accordance with section 6.3, time limits for challenging the disciplinary action will begin when and if the disciplinary action is actually imposed.

7. SELF-REPORTING AND SAFE HARBOR

Employees who voluntarily seek substance abuse treatment for alcohol or drugs and who make a written disclosure to the Fire Chief prior to being tested in accordance with Section 4 will not be subject to disciplinary action if they agree to enter into a rehabilitation agreement as set forth under Section 6. Whereas, the Town Charter authorizes the Town Manager to develop and administer a personnel system, and to fix the compensation of all Town employees except those under the jurisdiction of the School Committee; and

Whereas the Town Manager and Fire Chief Tom Conroy desire to enter into such a Contract;

Now therefore, the parties agree to the following:

Section 1
Conflict with Existing Law

1.1 M.G.L. chapter 41 §97A Unless and until the Town votes otherwise, the Fire Chief is guided by the provisions of M.G.L. Chapter 48 Section 42A and 43. As such, he will also be fulfilling the position of Forest Warden.

1.2 Personnel Policy The terms of this Employment Contract shall prevail over any conflicting provisions of any personnel policy promulgated by the Town**.** Personnel Policies not in conflict with this Contract shall continue to apply to the Fire Chief.

Section 2
Hours of Work

The Fire Chief will devote full time and attention to the business of the Town. The Chief agrees to devote that amount of time and energy reasonably necessary for him to faithfully perform the duties of Fire Chief. It is recognized that the Fire Chief must devote a great deal of time outside normal office hours to the business of the Town, and, to that end, the Fire Chief shall be allowed to adjust his work schedule as he shall deem appropriate during said normal office hours and at such time when the Chief reasonably determines such work schedule will have the least impact on departmental operations.

Section 3
Compensation

3.1 Base Salary The Fire Chief is not subject to the classification and compensation provisions of the Town and his base salary shall be governed by this agreement. The base salary shall be all-inclusive, and no other additional payments will be made.

July 1, 2022 $200,000
July 1, 2023 $206,000
July 1, 2024 $212,180

3.2 Performance Review The Town Manager shall annually review the performance of the Fire Chief. At that time, accomplishments from the prior year will be identified and objectives for the coming years will be established.

3.3 Death During Employment If the Fire Chief dies during the term of this Agreement, the Town shall pay to the Chief's estate all the compensation which would otherwise be payable to the Fire Chief up to the date of his death, including, but not limited to, payment for any unused vacation and personal days, and non-occupational sick leave buy-back in accordance with Section 4.6 of this Agreement. Such payment will be made payable to the deceased in accordance with IRS regulations.

3.4 Employer Contribution to 401(a) Plan Deferred Compensation Plan the Town will make an annual payment of 2% of base pay to the 401A deferred compensation plan offered by the Town and elected by the Fire Chief.

Section 4
Leave Benefits

4.1 Leave Without Pay The Fire Chief shall be entitled to leave without pay as necessary in accordance with the provisions of the Unpaid Leave of Absence Policy, #305, dated July 1, 2000, as amended.

4.2 Civic Duty Leave The Fire Chief shall be entitled to Civic Duty Leave, as necessary, in accordance with the provisions of the Civic Duty Leave Policy, #301, dated July 1, 2000, as amended. It is understood that in the event that the Chief must appear in Court on behalf of the Town of Needham, such appearance shall be considered regular work time.

4.3 Bereavement Leave The Fire Chief shall be entitled to Bereavement Leave, as necessary, in accordance with the provisions of the Bereavement Leave Policy, #304, dated July 1, 2018, as amended.

4.4 Personal Leave The Fire Chief shall be entitled to Personal Leave in accordance with the provisions of the Personal Leave Policy, #316, dated July 1, 2000, as amended.

4.5 Injury on Duty The Fire Chief shall be entitled to Injury on Duty pay and benefits in accordance with the Fire Chief Injury on Duty Policy, #418, dated September 10, 1996**,** as amended.

4.6 Non-Occupational Sick Leave The Fire Chief shall be entitled to and bound by all sick leave provisions, including accrual, use, extended sick leave, medical verification, and fitness for duty, contained in the Non-occupational Sick Leave policy, #303, dated September, 2018, as amended.

4.6.1 In the event that the Fire Chief terminates employment with the Town by retirement, disability, or death, he shall be entitled to a cash payment upon termination at his current rate of pay for twenty-five percent (25%) of his non-occupational sick leave bank.

4.7 Vacation The Fire Chief shall receive vacation benefits in accordance with the Vacation Policy (#310) dated July, 2019, as amended**.**

4.8 Holidays The Fire Chief shall receive time off on each recognized holiday in accordance with the Holiday Leave and Holiday Pay Policy, #314, dated July 1, 2000, as amended.

Section 5
Benefits

5.1 Professional Development The Fire Chief is encouraged to take advantage of the latest developments in the field of public safety and the fire service. The Chief will be allowed to maintain membership and hold office local and international professional associations, including the International Associations of Fire Chiefs. The annual dues in these Associations, and other professional organizations, as well as the expenses related to conferences and meetings shall be considered as normal business expenses to be proposed in the Department budget and charged to the Town. In this regard the Town agrees, subject to appropriation by Town Meeting, to budget appropriate and reasonable finances for travel and expenses related to the attendance of the Fire Chief at the annual conference of the International Association of Fire Chiefs, and short courses, institutes and seminars that in his reasonable judgment, are necessary for his professional development. Such time spent in the foregoing activities shall be considered as time worked; however, the Fire Chief recognizes that his primary responsibility is to the Town of Needham Fire Department. Attendance at professional development activities will be limited and/or scheduled in such a manner that they do not impact in an adverse manner upon the Chief's professional responsibilities. In this regard, the Chief shall be subject to the provisions of the Membership in Professional Associations Policy, (#405), dated December 13, 2000, and the Travel Expense Reimbursement Policy (#510), dated July 11, 2008.

5.2 Membership in the Retirement System The Town of Needham agrees that the Fire Chief shall be entitled to continue as a member of the Town of Needham Contributory Retirement System (in accordance with the provisions of M.G.L. c. 32) under the same terms and conditions in effect on the effective date of this Agreement, or as these provisions may be hereafter amended. Upon retirement, the Fire Chief shall be entitled to all benefits available to other retired employees of the Town of Needham.

5.3 Automobile Use The Town shall provide a vehicle for use by the Fire Chief and pay for all attendant operating and maintenance expenses and insurance. Said vehicle is to be used exclusively by the Fire Chief in connection with the performance of his duties as Fire Chief and for his professional growth and development. Since the Chief is on-call in the event of emergency, he may use the vehicle for personal reasons. All use of the vehicle is restricted to travel in New England and New York, unless approved in advance by the Town Manager. The Fire Chief is subject to the other aspects of the Town's Vehicle Use Policy, dated October 2, 2013 and as may be revised, which are not in conflict with this section. If the Massachusetts Public Employee Retirement Administration Commission determines that the value of the personal use of this automobile shall be included as part of the Fire Chief's regular compensation for the purpose of determining retirement benefits, then for the purpose of this calculation, it shall be determined that twenty-five percent of the vehicle use shall be considered personal use.

5.4 Indemnification The Town of Needham shall defend, save harmless, and indemnify the Fire Chief against any tort, professional liability claim, or demand or other legal action, whether groundless or otherwise, arising out of an alleged act or omission occurring in the performance of his duties as Fire Chief, provided that the Fire Chief acted within the scope of his official duties. The Town may compromise and settle any such claim or suit and will pay the amount of any settlement or judgment rendered thereon without recourse to the Fire Chief. Under such circumstances, the Town of Needham shall select the attorney. This Section shall survive any termination of this Agreement.

5.6 Outside Employment Subject to the approval of the Town Manager, the Fire Chief may accept outside employment (e.g., teaching, consulting, etc.) only to the extent that such assignments do not interfere in any way with the performance of his duties with the Needham Fire Department.

5.7 Personal Cell Phone Reimbursement The Fire Chief shall be entitled to $50 per month reimbursement for use of his personal cell phone upon submission of appropriate documentation.

Section 6
Drug and Alcohol Testing

The Fire Chief shall be subject to any drug and alcohol testing requirements as may be negotiated for other firefighters in the Department.

Section 7
Removal, Retirement and Resignation

7.2 Nothing in this Agreement shall preclude the Fire Chief from retiring or resigning during the period of this contract. However, the Town reserves the right to limit vacation use in the event that the Fire Chief retires or resigns prior to the expiration of this Agreement. If the Fire Chief resigns or retires voluntarily before the expiration of this contract, he agrees to give 30 days written notice in advance, unless there is an agreement in writing between the Fire Chief and the Town Manager to the contrary.

7.3 **Removal and Severance** In accordance with Section 20(f) of the Town Charter, the Town Manager, with the approval of the Board of Selectmen, may remove the Fire Chief with or without cause, but only after a joint hearing held by the Town Manager and the Board of Selectmen, which shall not be a public hearing and shall not be subject to appeal or review. In the event that the Town Manager removes the Fire Chief without cause, the Town shall provide severance pay in the amount of one week's pay for each year of continuous service. Such severance shall be the Chief's sole entitlement other than wages or the payment of accrued leave to which he would otherwise be entitled and will be payable only upon receipt of a full and general release to the Town and its employees and agents.

Section 8
Duties of Position

The duties of the position of Fire Chief shall be those listed on the attached job description dated 12/2016. The Fire Chief shall also serve as the Director of Emergency Management.

Section 9
Effect of Agreement

9.1 The Agreement shall take effect as of July 1, 2022 and shall continue in full force and effect through June 30, 2025.

9.2 This contract represents the entire agreement between the parties relating to the wages and benefits of the Fire Chief.

9.3 Any changes, amendments, and/or modifications to this Agreement shall be in writing and shall be executed by both parties.

9.4 Law Governing This Contract shall be construed and governed by the Laws of the Commonwealth of Massachusetts.

9.5 Severability of Provisions If any clause of this contract shall be determined to be illegal by a court of competent jurisdiction, the remainder of this contract shall not be affected thereby, and the parties agree to meet and discuss appropriate substitute provisions.

Re: Sun Life Conservation Restrictions—Estoppel Certificate

Dear Kate:

The Select Board has been asked to provide an "estoppel certificate" in connection with Sun Life Assurance Company of Canada's sale of a 3.65 acre parcel of land in Sun Life Executive Park to BCSP 8 Acquisition LLC. The Town holds two (2) conservation restrictions on this property. The first conservation restriction is dated August 15, 1983 and is recorded with the Norfolk County Division of the Land Court in Book 562, Page 101; the second restriction is dated August 31, 2016 and is recorded with the Norfolk County Registry of Deeds in Book 34476, Page 229. Both restrictions were accepted and approved by the Select Board, and the 2016 CR specifically provides that the property owner may request estoppel certificates from the Town. Section VIII (Estoppel Certificates) of the 2016 CR states as follows:

> Upon request by the Grantor, the Grantee shall, within thirty (30) days, execute and deliver to the Grantor any documents, including an estoppel certificate, which certifies the Grantor's compliance or non-compliance with any obligation of the Grantor contained in this Conservation Restriction.

I have reviewed the draft estoppel certificate that Sun Life sent to the Select Board with its request. After review, I made several revisions to their draft certificate, and my revisions have now been accepted by Sun Life's counsel. In addition, I have confirmed with the Town's Director of Conservation that there are no current violations concerning this property, or outstanding obligations of the property owner. Accordingly, I believe the final certificate (attached hereto) is appropriate as to both form and content, and can be provided to the property owner in response to their request.

Based on the foregoing, I recommend that the Select Board vote to authorize you to execute the attached estoppel certificate and return a signed original to Sun Life.

Thank you very much, and please let me know if I can answer any questions.

Sincerely,

Christopher H. Heep

Encl.
