What is Hoopla?

Hoopla Digital is a web and mobile platform that provides a wide range of digital content (Audiobooks, Movies, Music, Ebooks, Comics, and TV). Hoopla allows library patrons to download or stream media content free of charge with no holds or waiting.

Over 500,000 items available instantly!

How to Use Hoopla

1. Register for a Hoopla account by visiting **hoopladigital.com**, or by using the Hoopla mobile app on your iOS or Android device. You will have to provide an e-mail address, create a password, and have your library account information ready. The free mobile app can be found in the App Store and the Google Play store.

2. Easily browse titles on your computer or mobile device by clicking **Browse All** on the format (Music, Movies, Audiobooks, Ebooks, Comics, and Television) you would like to browse further on. You can also search for a specific title by clicking on the **Search** box or magnifying glass and typing in your title(s)/ keyword.

3. To borrow a title, click on the title and then click on the **Borrow** button. Titles can be played right after borrowing, and found under the **My Titles** menu for viewing/listening. Enjoy your selected titles!

4. Borrowed titles will be automatically returned when your lending period is over. There are no holds, waiting, or late fees for any of Hoopla's content.

5. If you need additional help, visit the help section on the Hoopla mobile app, or click on the Help link found at the bottom of **hoopladigital.com**.
