

Article 11

Appropriate for Public, Educational, and Government Programming

- This article will appropriate “seed funding” to support the Needham Channel in FY2024.
- The Town will receive payments made by cable providers, who make quarterly payments for PEG programming. The funds will be reserved in a special account.
- The Town will pay the Needham Channel after receiving funds from licensees, in the full amount of funds received in that quarter.

The Select Board unanimously recommends adoption of this article.
